Robin Schlaff
Director of Office for Women
Westchester County, NY

Re: Office of Women Advisory Committee

Dear Ms. Schlaff,

I am writing to express an interest in serving on the Domestic Violence Council. I have been a resident of Westchester County for 17 years. I run my own small business with my husband and also work with the Scarsdale Adult School. I have been involved mainly with Southeast Asian (Indian) women across Westchester County in various capacities. I have been a member of Indian American Cultural Association of Westchester (IACAW) and the India Center of Westchester.

I am a founding member and an administrator of a Facebook group, "Women for Social Change" which has over 6000 members from all over the US and the world. The objective of this group is-

- to focus on women's empowerment.
- work towards improving the quality of life of women by creating awareness about the rights of women and encourage them to advocate for themselves.
- give women a judgement-free safe space to express themselves and ask questions.
- provide information for self-improvement – in education, health, career and family life.
- organize collection drives during Thanksgiving and Christmas, for women and children living in shelters.
- organized ZOOM events where healthcare professionals answered questions and offered advice on women's health focusing mainly on menopause, mental health and other women related health concerns.

- act as a conduit for women who need help in finding the right resources like doctors, lawyers, therapists, psychiatrists etc.
- organized events where women who are in abusive marriages or relationships, talk with others who have been through similar situations but have managed to overcome and improve their lives.
- organized lectures (both in person and on ZOOM) where we invited psychologists and psychiatrists to talk about recognizing and understanding domestic abuse, how to ask for help, and how to work towards improving their lives.
- organized events – both in-person and on online (on ZOOM) with organizations like AWAKE (Asian Woman’s Alliance for Kinship & Equality) that specialize in helping Southeast Asian-American women of domestic abuse learn their rights, options and seek guidance.

I have worked diligently to unite the Southeast Asian women community and help them assimilate with the local community. In doing so, I started the first ever local Facebook group, “Desi Women of Westchester & Fairfield” for women of Southeast Asian heritage. The objective of this group is to promote cultural awareness, provide information to various resources, connect women owners of small businesses and help build a strong sense of community and service.

I understand the needs of women, especially those of Southeast Asian heritage. I am confident that I can be a valuable asset to the Advisory Board – Domestic Violence Council and work to the best of my abilities and experience to bring about positive changes in the community.

Thank you for your consideration.

Sincerely Yours,

Komal Choksi
