

ACTS 20 & 21 - 2024

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is advised that on January 22, 2024 your Honorable Board adopted Act Nos. 5 and 6 of 2024 (“Approved Acts”), authorizing the County of Westchester (“County”) to (i) fix the tax distribution spreadsheets apportioned for the County General Fund (for County Purposes and for County Share of MTA), for County Water District No. 1, for the Refuse Disposal District No. 1, each of the thirteen Sanitary Sewer Districts in the County, and any adjustments thereto, for the year 2024; and (ii) determine the amounts of County taxes to be levied against the towns and cities together with County Tax Warrants for the collection of such taxes for the year 2024.

Your Committee is advised that the Westchester County Tax Commission has issued a new report dated February 7, 2024, necessitating an amendment to the Approved Acts.

Your Committee is in receipt of a proposed Act prepared by the Westchester County Commissioner of Finance, which if adopted by your Honorable Board, would amend Act No. 5 of 2024, in order to delete and replace in its entirety, with updated information, the tax distribution tables apportioned for the County General Fund (for County Purposes and for County Share of MTA), for County Water District No. 1, for the Refuse Disposal District No. 1, each of the thirteen Sanitary Sewer Districts in the County, and any adjustments thereto, for the year 2024.

Your Committee is also in receipt of another proposed Act, which if adopted by your Honorable Board, would amend Act No. 6 of 2024, in order to delete and replace in its entirety, with updated information, the amounts of County taxes (for County Purposes and for County Share of MTA) and for Special District taxes and other charges against the various towns and cities in the County of Westchester, and adjustments thereto and

levying such apportioned amounts for the purposes therein set forth against such towns and cities for year 2024.

Your Committee is further advised by the Planning Department that this is not an action subject to the State Environmental Quality Review Act. Therefore, no further environmental review is required. Please refer to the annexed memorandum from the Department of Planning dated January 8, 2024, which is on file with the Clerk of the Board of Legislators. Your Committee concurs with this conclusion.

An affirmative vote of a majority of the voting strength of your Honorable Board is required for approval of the attached proposed Acts.

After a thorough examination of both of the above-cited Acts, your Committee recommends their adoption.

SUBJECT: **ACTIVITIES NOT SUBJECT TO STATE ENVIRONMENTAL QUALITY  
REVIEW**

---

As required by the New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617 (“SEQR”), the Board of Legislators (“BOL”) is the body that must assess the environmental significance of all actions that the BOL has discretion to approve, fund or directly undertake. The Planning Department has historically conducted the necessary environmental review for the BOL to undertake its responsibility under SEQR. Additionally, contracts going before the Board of Acquisition and Contracts (“BAC”) must be reviewed for conformance with SEQR.

Pursuant to Section 617.2(b) of SEQR, “Actions” are defined as:

- (1) projects or physical activities, such as construction or other activities that may affect the environment by changing the use, appearance or condition of any natural resource or structure, that:
  - (i) are directly undertaken by an agency; or
  - (ii) involve funding by an agency; or
  - (iii) require one or more new or modified approvals from an agency or agencies;
- (2) agency planning and policy making activities that may affect the environment and commit the agency to a definite course of future decisions;
- (3) adoption of agency rules, regulations and procedures, including local laws, codes, ordinances, executive orders and resolutions that may affect the environment; and
- (4) any combinations of the above.

As has been done in prior years, the Planning Department, in an attempt to streamline the process for SEQR review and related document preparation for the BOL and BAC, has created a list of categories of activities **that do not meet the definition of an “action”** as defined in SEQR. This list (attached) references activities that are routine and which do not change the use, appearance or condition of any natural resource or structure, nor do they involve policies or regulations that may affect the environment. The creation of this list in no way eliminates the BOL’s or BAC’s responsibilities under SEQR. Rather, it establishes a workflow for items that are routine and do not, under the law, require environmental review.

Accordingly, the Planning Department advises that no environmental review is required and no SEQ documentation is necessary for submission with BOL legislation or with resolutions or contracts requiring BAC approval regarding activities on the attached list.

County departments and agencies may reference this memorandum in the legislation in order to document compliance with SEQ for actions listed herein. This memorandum should be considered in effect until rescinded or replaced, with replacements typically occurring annually in mid-January. As such, this memorandum should be kept on file with the Clerk of the Board of Legislators. Legislation should include a statement similar to the following: "The proposed project does not meet the definition of an action under New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617. Please refer to the memorandum from the Department of Planning dated January 8, 2024, which is on file with the Clerk of the Board of Legislators."

This memorandum will be distributed to all Commissioners as part of County operations.

Please contact me if you have any questions.

**ACTIVITIES THAT DO NOT MEET THE DEFINITION OF AN “ACTION”  
PURSUANT TO SEQR AND ARE, CONSEQUENTLY, NOT SUBJECT TO SEQR**

1. **BUDGETS AND AMENDMENTS**

- Municipal budgets and amendments to them – The budgeting process merely sets aside funds without a commitment to their expenditure. Operating expenditures are typically for government-related activities that would also not meet the definition of an action. Even the establishment of the Capital Budget is not subject to SEQR because many of the capital projects are usually not definitive enough with respect to potential impacts to be reviewable at the time the budget is adopted. However, any subsequent authorization, such as bonding, to undertake a particular capital project is an action that requires SEQR compliance before it may be approved.
- The transfer of funds within the County operating and capital budgets for the purpose of balancing accounts – It is understood that these actions are purely budgetary, where accounts with excess funds are moved to accounts with existing or anticipated deficits. It is further understood that the activities covered by these accounts have either already occurred or been reviewed in accordance with SEQR, are Type II actions or actions that are not subject to SEQR, or are actions that will require future approval prior to being undertaken, at which time further SEQR review may be appropriate.
- Rescissions or reduction of bond acts to cancel unspent funds.

2. **SERVICES**

- Consultant services – Contracts or agreements that provide for administrative services, training, reports for Boards and Commissions, but not including studies or design of physical improvements, which has been listed under SEQR as Type II.
- Social Services – Actions or agreements that provide services to persons in need, such as employment assistance, family/domestic intervention and respite care.
- Youth services – Actions or agreements that provide for youth services, such as a Resource Allocation Plan, Invest-in-Kids Program, after-school programs, camp programs and head-start programs.
- Senior programs & services – Actions or agreements that provide for services to seniors, such as provision of information/education, home care, nutrition & transportation assistance, caregiver support, and acceptance of federal and state grants providing for such services (e.g., OAA Title III grants and NYSOFA grants, including CSE, CSI, CRC, EISEP, NYSTP, WIN & NSIP).
- Public Safety services – programs that promote public safety, such as STOP-DWI and Police Night Out; intermunicipal agreements (IMAs) for shared training, equipment and response to emergencies, including E-911; acceptance and administration of grants for law enforcement programs (e.g., JAG).
- Fire services – Fire district IMAs for shared training, equipment and response to emergencies.
- Legal services – Contracts for outside counsel, litigation or associated monetary settlements and collections.

- Medical Services – Contracts with medical providers for medical examinations, testing, vaccinations or medical treatment of County employees or the public.
- Mental Health Services – Contracts with agencies to provide treatment, services or education related to mental health.

### 3. PERSONNEL MATTERS

- Actions related to employment or employees.
- Contracts for temporary staff assistance.
- Legislation pertaining to establishment and membership of boards and commissions.

### 4. FINANCES

- Tax Anticipation Notes.
- Bond acts to finance tax certiorari payments.
- Banking contracts/agreements for money management services.
- Mortgage tax receipts disbursements (County Clerk).
- Refinancing of affordable housing mortgages.
- Payment in Lieu of Taxes (PILOT) agreements.

### 5. LAWS

- New laws or amendments of existing laws that regulate the sale or use of products for the protection of public health.
- New laws or amendments of existing laws that regulate businesses for the protection of consumers.
- Pertaining to consumer protection, not including professional licensing, which have been classified as Type II.
- Pertaining to animal welfare, excluding regulations involving habitat management.
- Pertaining to public safety.
- Pertaining to taxation, such as establishment of new taxes or tax exemptions.
- Pertaining to establishment or modification of fees.
- Pertaining to notices, publications and record keeping.
- Pertaining to hiring or contracting procedures.
- Pertaining to the functioning of County government, such as term limits, board appointments, etc. that do not impact the environment.

### 6. MISCELLANEOUS

- Amendments to existing agreements for changes in name or consultants.
- Education/training programs, contracts for clinical instruction.
- Prisoner Transport IMAs.
- Tourism Promotion Agency designation.

BOARD OF LEGISLATORS**COMMITTEE ON BUDGET AND APPROPRIATIONS REPORT****CONCERNING THE 2024 COUNTY BUDGET (Final Report)****December 8, 2023**

Honorable Board of Legislators  
County of Westchester  
800 Michaelian Office Building  
White Plains, New York 10601

Honorable Colleagues:

On October 17, 2023, County Executive George Latimer forwarded his proposed 2024 County Capital Budget and on November 9, 2023 forwarded his proposed 2024 County Operating and Special Districts Budgets to the Committee on Budget & Appropriations. The Budget & Appropriations Committee of this Honorable Board has devoted full attention to analyze and discuss them.

The Budget & Appropriations Committee held a duly noticed public hearing, as required by the County's Charter, on Wednesday, December 6, 2023. Meetings of the Board of Legislators and its committees are held at the Michaelian Office Building, 148 Martine Avenue, White Plains, New York, 10601, and remotely via the WebEx video conferencing system allowing both in-person and remote participation via Webex. The hearing was attended by concerned residents. In addition, the Budget & Appropriations Committee has benefited from the testimony of Commissioners and heads of major departments, as well as from analysis of the proposed budgets by the Citizens' Budget Advisory Committee and by our auditors.

On Monday, December 4, 2023, pursuant to Section 167.81 of the Westchester County Charter as amended by Local Law 8-1994, the Committee on Budget & Appropriations filed a memorandum of proposed additions to the proposed 2024 Budgets.

The Board of Legislators will continue to debate the legally required balanced budgets for 2024. We are committed to continuing to find the balance between investment in our residents, services and infrastructure while stabilizing the tax levy.

Your Committee finds that amounts appropriated in the 2024 County Budgets pursuant to the policies of this Board are for the purposes of performing the operations of the County and

providing essential services to County residents. Therefore, the Budget & Appropriations Committee offers the attached amendments at this time.

BOARD OF LEGISLATORS

**COMMITTEE ON BUDGET & APPROPRIATIONS**  
**CONCERNING THE 2024 COUNTY BUDGET (Additions)**

**December 4, 2023**

Board of Legislators  
County of Westchester  
800 Michaelian Office Building  
White Plains, New York 10601

Honorable Colleagues:

On October 17, 2023 County Executive George Latimer forwarded his proposed 2024 County Capital Budget and on November 9, 2023 he forwarded his proposed 2024 County Operating and Special Districts Budget to the Committee on Budget and Appropriations. The Budget & Appropriations Committee of this Honorable Board immediately began to analyze and discuss them.

Pursuant to Section 167.81 of the Laws of Westchester County as amended by Local Law 8-1994, the Committee on Budget & Appropriations, within a specified time period, has the authority to file with the Board a memorandum of any proposed additions to the Proposed Budget. In keeping with Board policy, the Committee on Budget & Appropriations notes that any additions contained in this Memorandum, as well as any other item, may still subsequently be reduced or entirely deleted from the Proposed 2024 County Operating, Capital, and Special Districts Budget prior to their adoption.

As is practice during the process of considering additions, the Committee on Budget & Appropriations has called on various County departments and agencies to testify.

It has also relied on the expertise of its auditors and has taken into account the views of all Legislators, the Citizens Budget Advisory Committee, numerous groups and organizations, individual citizens, and has held two in-person Public Input Sessions. Additionally, meetings of the Board of Legislators and its committees are held at the Michaelian Office Building, 148 Martine Avenue, White Plains, New York, 10601, and remotely via the WebEx video conferencing system allowing both in-person and remote participation via Webex. All of these perspectives have been factored into this Memorandum, ensuring it is the product of government decision-making with an open process, available to all those affected.

Through the issuance of this Memorandum, the Committee on Budget & Appropriations hereby complies with the Westchester County Charter. While the Committee on Budget & Appropriations has determined the actions contained within this Memorandum are prudent, that evaluation must ultimately be made by this Honorable Board. Likewise, the County tax rate can only be changed by a majority of this Honorable Board when it passes a budget and or acts on a County Executive's veto (or vetoes) on specific, Charter-allowed items.

With these understandings, the Committee on Budget & Appropriations hereby recommends the following additions, increases, and items of transparency pertaining to the Community Based organizations to this Honorable Board for its full deliberation and ultimate decision (see attached):
