

RESOLUTION NO. 60 - 2025

HONORABLE BOARD OF LEGISLATORS COUNTY OF WESTCHESTER

Your Committee is in receipt of a communication from the County Executive recommending approval of a Resolution, which if adopted, would authorize the County of Westchester (the “County”) to schedule a second public hearing (the “Second Public Hearing”) to consider the inclusion of three (3) additional parcels of County farmland to the Westchester County Agricultural District No. 1 (the “District”).

As your Honorable Board will recall, in accordance with Section 303-a of the New York State Agriculture and Markets Law, two (2) Resolutions were approved in connection with the recertification of the District, Resolution 13-2025 and Resolution 21-2025. A third Resolution is currently pending before your Honorable Board, which if approved, would adopt the March 11, 2025 report and recommendation of the Westchester County Agricultural and Farmland Protection Board (“AFPB”) to modify the District.

After the submission of the third Resolution for your Board’s consideration, the AFPB met and adopted an amended report dated April 15, 2025 (the “April 15th Revised Report”) and now seeks to submit the revised report and recommendation to recertify the District. The AFPB now proposes, in addition to the six (6) parcels of land initially recommended to be added to the District, which totaled approximately fifty-four and eight tenths (± 54.8) acres, the addition of three (3) more parcels of land. This will bring the total number of acres to be added to the District to approximately seventy-seven and seven tenths (± 77.7) acres with the re-inclusion of the Towns of New Castle, North Castle, Ossining and Pound Ridge as eligible municipalities.

In order for your Honorable Board to consider these revisions, your Committee is advised that it is necessary to hold a Second Public Hearing. Adoption of the proposed Resolution will authorize the County to schedule an additional public hearing to consider the revised review of the District and any proposed modifications and recommendations to the District submitted by the AFPB in its April 15th Revised Report.

The Department of Planning has advised that, based on its review, the proposed public hearing does not meet the definition of an "action" under the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 ("SEQRA"). As such, no environmental review is required. Please refer to the memorandum from the Department of Planning dated January 14, 2025, which is on file with the Clerk of the Board of Legislators.

Based upon the foregoing, your Committee recommends the adoption of the attached Resolution in order to schedule a Second Public Hearing to consider the April 15th Revised Report.
