

(BOND) ACT 33 - 2025

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester ("County") of a bond act ("Bond Act") in the amount of \$2,010,000.00 to finance capital project BES19 – Westchester Emergency Operations Center Upgrades ("BES19"). The Bond Act, which was prepared by the law firm Bryant Rabbino LLP, will finance certain modifications and upgrades to the Westchester County Emergency Operations Center (WCEOC) and the Westchester County Department of Emergency Services' Emergency Management offices located at the Hudson Valley Transportation Management Center (HVTMC) in Hawthorne, New York.

The Department of Emergency Services ("Department") has advised that these upgrades would create an independent back up to the Department's Emergency Communications Center ("EOC") 911 dispatch system, and thereby eliminate any single point of failure for its emergency 911 dispatch operations. The funding will also replace the audio visual system in the Emergency Operations Center, which is at the end of its useful life, and make other physical upgrades to the EOC.

Following bonding authorization, design will be scheduled and is anticipated to take three (3) months to complete. It is anticipated that the design work will be completed by outside consultants. It is also estimated that construction will take approximately three (3) months to complete and will begin after award and execution of the construction contracts.

The Department of Planning has advised your Committee that based on its review, the authorization of the proposed capital project may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 ("SEQR"). Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
