Westchester County Board of Legislators  
800 Michaelian Office Building  
White Plains, New York 10601

Dear Honorable Members:

I have been advised by the Commissioner of Environmental Facilities that the Town of Harrison (the "Town") has requested, pursuant to the attached Resolutions of the Town, that the Mamaroneck Valley Sanitary Sewer District (the "District") be modified to remove eight (8) parcels of property more particularly described by street address and tax map designation as: 10 Kenilworth Lane, Block 592, Lot 34; 33 Century Ridge Road, Block 691, Lot 86; 246 Old Lake Street, Block 982, Lot 6; 5 Oak Valley Lane, Block 981, Lot 57; 8 Oak Valley Lane, Block 981, Lot 60; 9 Oak Valley Lane, Block 981, Lot 58; 12 Oak Valley Lane, Block 981, Lot 59; and 15 Oak Valley Lane, Block 981, Lot 28 (the "Parcels"), from the District. The removal of the Parcels from the District is being requested because the Parcels are not serviced by sanitary sewers and it is not anticipated that sanitary sewers will be constructed for these Parcels in the foreseeable future.

I am advised that the analysis prepared by the Department of Environmental Facilities in the attached feasibility report ("Feasibility Report") dated January 23, 2023 indicates that the proposed removal of the Parcels represents a net decrease of 0.0624% to the Equalized Full Value of the District. Therefore, the removal of the Parcels will not cause significant changes in the tax rate of the District.

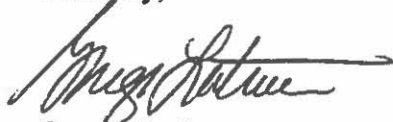

According to the Department of Environmental Facilities, the proposal to remove the Parcels from the District is feasible because: (1) the proposed changes were requested by the Town; (2) the subject changes require no engineering modifications to the District facilities and there is no impact on the County facilities because the Parcels were never connected to the sewerage system; (3) the subject changes remove from ad valorem taxation properties that have not benefited and foreseeably will not benefit from connection to District facilities based on information received from the Town; (4) the subject changes free reserve capacity at the District treatment plant for future enlargement of the District from surrounding areas without the capital costs of expanding treatment facilities; (5) the subject Parcels, once removed from the District, will be required to petition the County to re-enter the District and the County is not obligated to reserve any capacity for these Parcels once they have been removed; and (6) the subject Parcels were reviewed by the Westchester County Health Department.

As your Honorable Board knows, the County Administrative Code section 237.131 authorizes the alteration or change of a County Sanitary Sewer District. However, the Board of Legislators (the "Board") may only alter or change a district after a public hearing is held thereon by the Board, upon notice thereof given by publication in such manner and for such time as the Board shall direct. Therefore, attached hereto is a Resolution which will authorize Legal Notice for the public hearing as required by the Administrative Code.

The Planning Department has advised that based upon its review, the proposed removal of the Parcels constitutes an Unlisted Action under the State Environmental Quality Review Act and its implementing regulations 6 NYCRR, Part 617 ("SEQR"). The Planning Department has prepared the attached Short Environmental Assessment Form to assist your Honorable Board in making the required determination of significance or non-significance pursuant to SEQR.

Based upon the foregoing, I respectfully recommend that your Board adopt a Resolution which will authorize Legal Notice for the public hearing as required by the Administrative Code in such matters. In addition, I urge your Board to file with the Clerk of the Board, the Feasibility Report which details the Parcels involved in the proposed change to the District boundaries, and, after the public hearing, adopt an Act which will accomplish the removal of the Parcels from the District.

Sincerely,

A handwritten signature in black ink, appearing to read "George Latimer", written in a cursive style.

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a transmittal from the County Executive in which the County Executive states that the Commissioner of Environmental Facilities has advised him that the Town of Harrison (the “Town”) has requested, pursuant to the attached Resolutions of the Town, that the Mamaroneck Valley Sanitary Sewer District (the “District”) be modified to remove eight (8) parcels of property more particularly described by street address and tax map designation as: 10 Kenilworth Lane, Block 592, Lot 34; 33 Century Ridge Road, Block 691, Lot 86; 246 Old Lake Street, Block 982, Lot 6; 5 Oak Valley Lane, Block 981, Lot 57; 8 Oak Valley Lane, Block 981, Lot 60; 9 Oak Valley Lane, Block 981, Lot 58; 12 Oak Valley Lane, Block 981, Lot 59; and 15 Oak Valley Lane, Block 981, Lot 28 (the “Parcels”), from the District. The removal of the Parcels from the District is being requested because the Parcels are not serviced by sanitary sewers and it is not anticipated that sanitary sewers will be constructed for these Parcels in the foreseeable future.

Your Committee is informed that the attached Feasibility Report prepared by the Department of Environmental Facilities (“Feasibility Report”) dated January 23, 2023 indicates that the proposed removal of the Parcels represents a net decrease of 0.0624% to the Equalized Full Value of the District. Therefore, the removal of the Parcels will not cause significant changes in the tax rate of the District.

According to the Department of Environmental Facilities, the proposal to remove the Parcels is feasible because: (1) the proposed changes were requested by the Town; (2) the subject changes require no engineering modifications to the District facilities and there is no impact on the County facilities because the Parcels were never connected to the sewerage system; (3) the subject changes remove from ad valorem taxation properties that have not benefited and foreseeably will not benefit from connection to District facilities based on information received from the Towns; (4) the subject changes free reserve capacity at the District treatment plant for future enlargement of the District from surrounding areas without the capital costs of expanding treatment facilities; (5) the subject Parcels, once removed from the District, will be required to petition the County to re-enter the District and the County is not obligated to reserve any capacity for these Parcels once they have been removed; and (6) the subject Parcels were reviewed by the Westchester County Health Department.

Your Committee notes that Chapter 237.131 of the County Administrative Code authorizes the Board of Legislators (the “Board”) to alter or change the sewer districts. However, the Board may only alter or change the districts after a public hearing is held thereon by the Board, upon notice thereof given by publication in such manner and for such time as the Board shall direct. Therefore, attached hereto is a Resolution which will authorize Legal Notice for the public hearing as required by the Administrative Code.

Your Committee is advised that the removal of the Parcels would constitute an Unlisted Action under Article 8 of the Environmental Conservation Law, which requires an appropriate environmental review. Your Committee has carefully considered the proposed legislation. It has reviewed the attached Short Environmental Assessment Form (EAF) and the criteria contained in Section 617.7 of Title 6 of the New York State Code of Rules and Regulations, the SEQR regulations, to identify the relevant areas of environmental concern. For the reasons set forth in the attached EAF, your Committee believes that the proposed action will not have any significant adverse impact on the environment and urges your Honorable Board to adopt the annexed resolution by which this Board would issue a Negative Declaration for this proposed action.

Based on the above facts, the Feasibility Report prepared by the Department of Environmental Facilities and the review by the Planning Department, your Committee concurs with the recommendation of the County Executive and recommends your Honorable Board adopt the annexed Resolution which will authorize Legal Notice for the public hearing which is required by the Administrative Code in such matters, and, after such hearing, urges your Honorable Board to adopt the annexed Act which accomplishes the removal of said Parcels from the District. It should be noted that a vote of not less than a majority of the voting strength of the Board of Legislators is required to pass this Act.

THE REMOVAL OF CERTAIN PARCELS  
IN THE  
MAMARONECK VALLEY SANITARY SEWER DISTRICT  
TOWN OF HARRISON

(CJG)

---

Vincent Kopicki, P.E.  
Commissioner  
Environmental Facilities

The Town of Harrison has petitioned that eight (8) properties currently included in the Mamaroneck Valley Sanitary Sewer District be removed from the Mamaroneck Valley Sewer District.

A. The identification of the properties presently within the Mamaroneck Valley Sanitary Sewer District and to be removed are contained in the attached Town Resolutions of the Town of Harrison, as prepared by the Harrison Town Clerk. The properties to be removed are listed in Section C. Table of Properties to be Removed.

**B. EFFECT ON SEWER DISTRICT TAX RATE:**

Full Equalized Valuations, which are assessed values adjusted for equalization rates, form the basis on which the sewer district tax levies are apportioned by the County Board of Legislators. The following are the full equalized valuations in the 2022 levy pertinent to the subject parcels:

D. Summary and Recommendations

The proposal to remove certain parcels in the Mamaroneck Valley Sanitary Sewer Districts is feasible because:

1. The proposed changes were requested by the Town of Harrison.
2. The subject changes require no engineering modifications to the district facilities and there is no impact on the County facilities because these parcels were never connected to the sewerage system.
3. The subject changes remove from ad valorem taxation properties that have not benefited and foreseeably will not benefit from connection to District facilities based on information received from the Town of Harrison.
4. The subject changes free reserve capacity at the District treatment plant for future enlargement of the District from surrounding areas without the capital costs of expanding treatment facilities.
5. The subject parcels once removed from the district will be required to petition the County to re-enter the district. The County is not obligated to reserve any capacity for these parcels once they have been removed.
6. The subject parcels were reviewed by the Westchester County Health Department.

**RESOLUTION NO. 2023 - \_\_\_\_\_**

**WHEREAS**, there is pending before this Honorable Board an Act to authorize the County to modify the Mamaroneck Valley Sanitary Sewer District (the “District”) by removing eight (8) parcels of property located in the Town of Harrison from the District, which parcels are not currently connected to the County sewer system; and

**WHEREAS**, this Honorable Board has determined that the proposed removal would constitute an action under Article 8 of the Environmental Conservation Law, known as the State Environmental Quality Review Act (“SEQR”); and

**WHEREAS**, pursuant to SEQR and its implementing regulations (6 NYCRR Part 617), this project is classified as an “Unlisted” action, which requires this Honorable Board to make a determination as to whether the proposed action will have a significant impact on the environment; and

**WHEREAS**, the County of Westchester is the only involved agency for this action and, therefore, is assuming the role of Lead Agency; and

**WHEREAS**, in accordance with SEQR and its implementing regulations, a Short Environmental Assessment Form has been prepared to assist this Honorable Board in its environmental assessment of this proposed action; and

**WHEREAS**, this Honorable Board has carefully considered the proposed action and has reviewed the attached Short Environmental Assessment Form and the criteria set forth in Section 617.7 of the implementing regulations and has identified the relevant areas of environmental concern, as described in the attached Short Environmental Assessment Form, to determine if this proposed action will have a significant adverse impact on the environment.

**NOW, THEREFORE**, be it resolved by the County Board of Legislators of the County of Westchester, State of New York, as follows:

**RESOLVED**, that based upon this Honorable Board’s review of the Short Environmental Assessment Form and the reasons set forth therein, this Board finds that

there will be no significant adverse impact on the environment from the removal of the eight (8) parcels of property from the Mamaroneck Valley Sanitary Sewer District; and be it further

**RESOLVED**, the Clerk of the Board of Legislators is authorized and directed to sign the Determination of Significance in the Short Environmental Assessment Form, which is attached and made a part hereof, as responsible officer in Lead Agency; to issue this “Negative Declaration” on behalf of this Board in satisfaction of SEQRA; and to immediately transmit same to the Commissioner of Planning to be filed, published and made available pursuant to the requirements of Part 617 of 6 NYCRR; and be it further

**RESOLVED**, that this Resolution shall take effect immediately.

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR MODIFICATION  
OF THE MAMARONECK SANITARY SEWER DISTRICT TO REMOVE  
8 PARCELS IN THE TOWN/VILLAGE OF HARRISON**

---

In response to your request for an environmental review of the above referenced action, the Planning Department has prepared the attached documentation.

The proposed removal of 8 parcels—located at 10 Kenilworth Lane, 33 Century Ridge Road, 246 Old Lake Street and 5, 8, 9, 12 and 15 Oak Valley Lane within the Town/Village of Harrison—from the County's Mamaroneck Valley Sanitary Sewer District has been classified as an Unlisted action pursuant to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (SEQR). A Short Environmental Assessment Form has been prepared for consideration by the Board of Legislators.

### Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The proposed action involves an act by the County Board of Legislators in order to modify a County-established sewer district, which is similar in nature to "the legislative adoption of a plan" in that there are no direct impacts to the environment because the action does not involve physical changes. The proposed action would remove from a district properties that are not receiving nor are anticipated to receive district services. Each parcel is already developed with a single-family residence that is served by a functioning on-site septic system. The Health Department has no record of septic problems or failures occurring at these sites within the past five years, which may otherwise warrant inclusion in the district. Additionally, the properties are located in the Town's R-1 and R-2 residential zoning districts; as such, no new development is anticipated that would warrant a sewer connection. The nearest local sewers are located over 200 feet or more away. The Town does not have any plans to extend its local sewer lines to serve these properties. Since the properties were never connected to the sewer system, their removal from the district will have no physical impact on the County's sewer infrastructure.

ACT NO. 2023 - \_\_\_\_\_

AN ACT to Modify the Mamaroneck Valley Sanitary Sewer District by the Removal of eight (8) Parcels of Property located in the Town of Harrison from the District.

BE IT ENACTED by the County Board of Legislators of the County of Westchester as follows:

Section 1. The properties located in the Town of Harrison, more particularly described as: 10 Kenilworth Lane, Block 592, Lot 34; 33 Century Ridge Road, Block 691, Lot 86; 246 Old Lake Street, Block 982, Lot 6; 5 Oak Valley Lane, Block 981, Lot 57; 8 Oak Valley Lane, Block 981, Lot 60; 9 Oak Valley Lane, Block 981, Lot 58; 12 Oak Valley Lane, Block 981, Lot 59; and 15 Oak Valley Lane, Block 981, Lot 28 (the "Parcels"), are hereby removed from the Mamaroneck Valley Sanitary Sewer District (the "District").

§2. The Parcels are to be forgiven their obligation for future debt service requirement and are to relinquish their equity in existing sewage facilities in the District, and in return the District is relieved of its responsibility to provide sanitary sewer service and sewerage facilities to the Parcels.

§3. This Act, and the assessment area of the District as so altered, changed, modified, reduced and/or enlarged hereby, shall become effective immediately and the assessment rolls filed after the next taxable status date shall show County sewer district assessments and taxes on the basis of such revised District, and taxes levied on such roles shall be based thereon, but any sewer district tax or assessment levied on any valid assessment rolls in effect prior to the next taxable status date, on any parcel affected by the revisions made by this Act shall continue valid as such or as a tax lien, until paid and the amount paid shall be credited to the sewer district in which such parcels were assessed on the roll on which said tax is levied.

§4. The County Executive or his authorized designee be and hereby is authorized and empowered to execute instruments and to take any and all action necessary and appropriate to accomplish the purposes hereof.

§5. This Act shall take effect immediately.
