**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the Chair of the Board of Legislators recommending the adoption of an Act which, if approved by your Honorable Board, would authorize the County of Westchester (the "County") to enter into an inter-municipal agreement ("IMA") with the Village of Port Chester (the "Municipality"), acting by and through its Police Department (the "PD"), pursuant to which the Municipality will provide its National Night Out program (the "Program") within the period from January 1, 2023 through December 31, 2023.

The County will pay the Municipality a total amount not to exceed One Thousand (\$1,000.00) Dollars, payable in full after submission by the Municipality of an invoice within thirty (30) days of full execution of the Agreement, pursuant to an approved budget.

In consideration, the PD will provide the Program on or about Tuesday, August 1, 2023. The Program is a community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make neighborhoods safer, more caring places. The Program enhances the relationship between the residents of the Municipality and the PD, all while creating a sense of community. Furthermore, the Program provides an opportunity to bring the PD and the community together in a positive setting.

Under said Program, the Municipality shall provide a variety of activities that allow the community to come out and meet the PD's officers and interact with the PD in a positive environment. The Program shall also provide food and beverages and youth / children themed activities such as inflatable bouncy house and slides.

Your Committee has determined that there is a clear and overwhelming need for the Program. Accordingly, your Committee recommends authorizing the County to enter into the IMA.

The Department of Planning has advised that the proposed IMA does not meet the definition of an "action" under the State Environmental Quality Review Act ("SEQRA"), and its implementing regulations, 6 NYCRR, Part 617. Please refer to the Memorandum from the Department of Planning dated January 12, 2023, which is on file with the clerk of your Honorable Board. Therefore, no environmental review is required. Your Committee concurs with this recommendation.

Your Committee has been advised that passage of the attached Act requires an affirmative vote of a majority of the members of your Honorable Board. Your Committee has carefully considered this proposed legislation authorizing the above-mentioned inter-municipal agreement and recommends its approval.

FOURTH: The Municipality shall, at no additional charge, furnish all labor, services, materials, tools, equipment and other appliances necessary to complete the services contracted for under this Agreement. It is recognized and understood that in no event shall total payment to the Municipality exceed the not-to-exceed amount set forth above.

FIFTH: The Municipality shall report to the County on its progress toward completing the Services, as the Chair of the Westchester County Board of Legislators or his/her duly authorized designee (the "Chair") may request, and shall immediately inform the Chair in writing of any cause for delay in the performance of its obligations under this Agreement.

No later than thirty (30) days after the end of the term of the Agreement, the Municipality shall submit to the Chair, a written performance measurement report which shall provide details about the Program, including the number of participants in each activity.

In addition to any general audit rights to which the County may be entitled hereunder, the County also reserves the right to audit the Municipality's performance under this Agreement. Such audit may include requests for documentation, reports or other information which the Chair may, in the Chair's discretion, deem necessary and appropriate. The County may also make site visits to the location/s where the services to be provided under this Agreement are performed in order to review Municipality's records, observe the performance of services and/or to conduct interviews of staff and patrons, where appropriate and not otherwise prohibited by law.

SIXTH: The parties recognize and acknowledge that the obligations of the County under this Agreement are subject to annual appropriations by its Board of Legislators pursuant to the Laws of Westchester County. Therefore, this Agreement shall be deemed executory only to the extent of the monies appropriated and available. The County shall have no liability under this Agreement beyond funds appropriated and available for payment pursuant to this Agreement. The parties understand and intend that the obligation of the County hereunder shall constitute a current expense of the County and shall not in any way be construed to be a debt of the County in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the County, nor shall anything contained in this Agreement constitute a pledge of the general tax revenues, funds or moneys of the County. The County shall pay amounts due under this Agreement exclusively from legally available funds

appropriated for this purpose. The County shall retain the right, upon the occurrence of the adoption of any County Budget by its Board of Legislators during the term of this Agreement or any amendments thereto, and for a reasonable period of time after such adoption(s), to conduct an analysis of the impacts of any such County Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates set forth herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

This Agreement is also subject to further financial analysis of the impact of any New York State Budget (the "State Budget") proposed and adopted during the term of this Agreement. The County shall retain the right, upon the occurrence of any release by the Governor of a proposed State Budget and/or the adoption of a State Budget or any amendments thereto, and for a reasonable period of time after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

SEVENTH: (a) The County, upon ten (10) days' notice to the Municipality, may terminate this Agreement in whole or in part when the County deems it to be in its best interest. Upon receipt of notice that the County is terminating this Agreement in its best interests, the Municipality shall stop Services immediately and incur no further costs in furtherance of this Agreement without the express approval of the Chair, and the Municipality shall direct any approved subcontractors to do the same.

In the event of a dispute as to the value of the Services rendered by the Municipality prior to the date of termination, it is understood and agreed that the Chair shall determine the value of such Work rendered by the Municipality. The Municipality shall accept such reasonable and good faith determination as final.

(b) In the event the County determines that there has been a material breach by the Municipality of any of the terms of the Agreement and such breach remains uncured for forty-

eight (48) hours after service on the Municipality of written notice thereof, the County, in addition to any other right or remedy it might have, may terminate this Agreement and the County shall have the right, power and authority to complete the Services provided for in this Agreement, or contract for its completion, and any additional expense or cost of such completion shall be charged to and paid by the Municipality. Without limiting the foregoing, upon written notice to the Municipality, repeated breaches by the Municipality of duties or obligations under this Agreement shall be deemed a material breach of this Agreement justifying termination for cause hereunder without requirement for further opportunity to cure.

EIGHTH: INSURANCE AND INDEMNIFICATION: The Municipality shall provide proof of insurance as set forth in the insurance requirements of Schedule "C" of this Agreement. Notwithstanding the foregoing, if the Municipality is self-insured for all or a portion of the insurance required by Schedule "C", it may provide proof of such self-insurance in a form acceptable to the County's Director of Risk Management. However, to the extent the Municipality is self-insured and carries excess liability, the County shall be named as an additional insured to that policy.

In addition to, and not in limitation of the insurance requirements set forth in this Agreement, the Municipality agrees to procure and maintain insurance naming the County as additional insured, as provided and described in Schedule "C," entitled "Standard Insurance Provisions," which is attached hereto and made a part hereof. In addition to, and not in limitation of the insurance provisions contained in Schedule "C," the Municipality agrees:

(a) that except for the amount, if any, of damage contributed to, caused by, or resulting from the sole negligence of the County, the Municipality shall indemnify and hold harmless the County, its officers, employees, agents, and elected officials from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorney's fees or loss arising directly or indirectly out of the performance or failure to perform hereunder by the Municipality or third parties under the direction or control of the Municipality; and

(b) to provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of this Agreement and to bear all other costs and expenses related thereto; and

(c) in the event the Municipality does not provide the above defense and indemnification to the County, and such refusal or denial to provide the above defense and indemnification is found to be in breach of this provision, then the Municipality shall reimburse the County's reasonable attorney's fees incurred in connection with the defense of any action, and in connection with enforcing this provision of the Agreement.

NINTH: The Municipality expressly agrees that neither it nor any contractor, subcontractor, employee, or any other person acting on its behalf shall discriminate against or intimidate any employee or other individual on the basis of race, creed, religion, color, gender, age, national origin, ethnicity, alienage or citizenship status, disability, marital status, sexual orientation, familial status, genetic predisposition or carrier status during the term of or in connection with this Agreement, as those terms may be defined in Chapter 700 of the Laws of Westchester County. The Municipality acknowledges and understands that the County maintains a zero tolerance policy prohibiting all forms of harassment or discrimination against its employees by co-workers, supervisors, vendors, contractors, or others.

TENTH: The Municipality shall comply, at its own expense, with the provisions of all applicable local, state and federal laws, rules and regulations, including, but not limited to, those applicable to the Municipality as an employer of labor. The Municipality shall further comply, at its own expense, with all applicable rules, regulations and licensing requirements pertaining to its professional status and that of its employees, partners, associates, subcontractors and others employed to render the Services hereunder.

ELEVENTH: All records or recorded data of any kind compiled by the Municipality in completing the Services described in this Agreement, including but not limited to written reports, studies, drawings, computer printouts, plans, specifications and all other similar recorded data, shall become and remain the property of the County. The Municipality may retain copies of such records for its own use and shall not disclose any such information without the express written consent of the Chair. The County shall have the right to reproduce and publish such records, if it so desires, at no additional cost to the County.

TWELFTH: The Municipality shall not delegate any duties or assign any of its rights under this Agreement without the prior express written consent of the County. Any purported delegation of duties, assignment of rights or subcontracting of Services under this Agreement without the prior express written consent of the County is void. All subcontracts that have received such prior written consent shall provide that subcontractors are subject to all terms and conditions set forth in this Agreement. It is recognized and understood by the Municipality that for the purposes of this Agreement, all Services performed by a County-approved subcontractor shall be deemed Services performed by the Municipality and the Municipality shall insure that such subcontracted work is subject to the material terms and conditions of this Agreement. All subcontracts for the Services shall expressly reference the subcontractor's duty to comply with the material terms and conditions of this Agreement and shall attach a copy of the County's contract with the Municipality. The Municipality shall obtain a written acknowledgement from the owner and/or chief executive of subcontractor or his/her duly authorized representative that the subcontractor has received a copy of the County's contract, read it and is familiar with the material terms and conditions thereof. The Municipality shall include provisions in its subcontracts designed to ensure that the Municipality and/or its auditor has the right to examine all relevant books, records, documents or electronic data of the subcontractor necessary to review the subcontractor's compliance with the material terms and conditions of this Agreement. For each and every year for which this Agreement continues, the Municipality shall submit to the Chair a letter signed by the owner and/or chief executive officer of the Municipality or his/her duly authorized representative certifying that each and every approved subcontractor is in compliance with the material terms and conditions of the Agreement.

THIRTEENTH: The Municipality and the County agree that the Municipality and its officers, employees, agents, contractors and/or subcontractors are independent contractors and not employees of the County or any department, agency or unit thereof. In accordance with their status as independent contractors, the Municipality covenants and agrees that neither the Municipality nor any of its officers, employees, agents, contractors and/or subcontractors will hold themselves out as, or claim to be, officers or employees of the County or any department, agency or unit thereof.

FOURTEENTH: Failure of the County to insist, in any one or more instances, upon strict performance of any term or condition herein contained shall not be deemed a waiver or relinquishment of such term or condition, but the same shall remain in full force and effect. Acceptance by the County of any Services or the payment of any fee or reimbursement due hereunder with knowledge of a breach of any term or condition hereof, shall not be deemed a waiver of any such breach and no waiver by the County of any provision hereof shall be implied.

FIFTEENTH: All notices of any nature referred to in this Agreement shall be in writing and either sent by registered or certified mail postage pre-paid, or delivered by hand or overnight courier, or sent by facsimile (with acknowledgment received and a copy of the notice sent by registered or certified mail postage pre-paid), as set forth below or to such other addresses as the respective parties hereto may designate in writing. SIXTEENTH: This Agreement and its attachments constitute the entire Agreement between the parties with respect to the subject matter hereof and shall supersede all previous

negotiations, commitments and writings. It shall not be released, discharged, changed or modified except by an instrument in writing signed by a duly authorized representative of each of the parties.

In the event of any conflict between the terms of this Agreement and the terms of any schedule or attachment hereto, it is understood that the terms of this Agreement shall be controlling with respect to any interpretation of the meaning and intent of the parties.

SEVENTEENTH: Nothing herein is intended or shall be construed to confer upon or give to any third party or its successors and assigns any rights, remedies or basis for reliance upon, under or by reason of this Agreement, except in the event that specific third party rights are expressly granted herein.

EIGHTEENTH: The Municipality recognizes that this Agreement does not grant the Municipality the exclusive right to perform the Services for the County and that the County may enter into similar agreements with other Municipalities on an “as needed” basis.

NINETEENTH: VENDOR DIRECT PAYMENT: All payments made by the County to the Municipality will be made by electronic funds transfer (“EFT”) pursuant to the County’s Vendor Direct Program. If the Municipality is not already enrolled in the Vendor Direct Program, the Municipality shall fill out and submit an EFT Authorization Form attached hereto as Schedule “D”. If the Municipality is already enrolled in the Vendor Direct Program, the Municipality hereby agrees to immediately notify the County’s Finance Department in writing if the EFT Authorization Form on file must be changed, and provide an updated version of the document.

TWENTIETH: The Municipality shall use all reasonable means to avoid any conflict of interest with the County and shall immediately notify the County in the event of a conflict of interest. The Municipality shall also use all reasonable means to avoid any appearance of impropriety.

TWENTY-FIRST: This Agreement may be executed simultaneously in several counterparts, each of which shall be an original and all of which shall constitute but one and the

same instrument. This Agreement shall be construed and enforced in accordance with the laws of the State of New York. In addition, the parties hereby agree that any cause of action arising out of this Agreement shall be brought in the County of Westchester.

If any term or provision of this Agreement is held by a court of competent jurisdiction to be invalid or void or unenforceable, the remainder of the terms and provisions of this Agreement shall in no way be affected, impaired, or invalidated, and to the extent permitted by applicable law, any such term, or provision shall be restricted in applicability or reformed to the minimum extent required for such to be enforceable. This provision shall be interpreted and enforced to give effect to the original written intent of the parties prior to the determination of such invalidity or unenforceability.

TWENTY-SECOND: This Agreement shall not be enforceable until signed by both parties and approved by the Office of the County Attorney.
