## HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER, NEW YORK

Your Committee is in receipt of a bond act (the "Bond Act") in the total amount of \$7,000,000, which, if adopted by your Honorable Board, would authorize the County of Westchester ("County"), to finance Capital Project SLI04 - Mamaroneck WRRF BNR Media and Aeration Equipment Replacement ("SLI04") for 2021. The Bond Act, which was prepared by the law firm of Norton Rose Fulbright US, LLP, will fund the staged purchase of integrated fixed film activated sludge ("IFAS") media for all 6 aeration tanks and the installation of the media in Tank Nos. 2 and 5, including modifications to the tank walls and sieves in Tank Nos. 2 and 5 in order to prevent damage to the media.

The Department of Environmental Facilities (the "Department") has advised your Committee that this equipment is vital to removing biological nitrogen from the Long Island Sound, which the Department is required to do under U.S. Environmental Protection Agency Consent Order No. CO -20080730-65.

Your Committee is advised that in a departure from the County's past practice, the County Budget Department is submitting this Bond Act to your Honorable Board simultaneously with the proposed 2021 Capital Budget. It is the County's goal to submit this Bond Act now so that the referenced project will be ready to proceed without delay in early 2021

Your Committee is advised that design is currently underway using consultants and is scheduled to be completed in January 2021. Construction is estimated to take 18 months and will begin after award and execution of construction contracts.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project has been classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
