Stephanie Keegan Bio

Stephanie Keegan is a former educator in an Allternative HS Program, healthcare insurance expert, and veterans advocate who has traveled extensively and worked closely with members of Congress on behalf of veterans since the 2016 passing of her veteran son, Daniel.

A two time candidate for local office and an outspoken advocate for all members of society who are struggling to receive support and assistance Stephanie has taken her desire to improve circumstances for those who are unable to advocate for themselves to communities across the US, both independently and as a part of many veterans organizations and political campaigns.

Mother of three sons, (two surviving), married to her husband Andy for 37 years, and proud resident of Somers in Westchester County, it is with great pride that she works for all in need of assistance and drives a car with the license plate "HELPER" so that she is easier to find by those in need!
