TO THE HONORABLE BOARD OF LEGISLATORS COUNTY OF WESTCHESTER, NEW YORK

Your Committee is in receipt of a Resolution authorizing the transfer of appropriations within various departments in the amount of \$25,677,608. These transfers are required to fund expenses in several departments, primarily for a higher than anticipated Disproportionate Share Medicaid transfer to Westchester Medical Center, and increased Employee Health Insurance costs. These transfers are fully funded by expenditure savings within each department.

Pursuant to Section 167.121 of the Laws of Westchester County, only Committee approval is required for transfers within the same department.

Your Committee is informed that the proposed act does not meet the definition of an action under New York State Environmental Quality Review Act ("SEQRA") and its implementing regulations 6 NYCRR Part 617. Please refer to the memorandum from the Department of Planning, dated January 14, 2025, which is on file with the Clerk of the Board of Legislators. Your Committee concurs in this conclusion.

Therefore, the Committee on Budget and Appropriation approves the attached Resolution in the amount of \$25,677,608 for the 2024 County Budget.
