

BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER

Your Committee is in receipt of a proposed Act which, if enacted by your Board, would authorize the County of Westchester (the “County”) to compromise its claim to be reimbursed for healthcare and wage benefits paid to or on behalf of a County employee, identified as “L.C.” Consistent with prior practice in similar cases, the County Attorney has deleted the name of the employee to protect the individual’s privacy. The name, of course, will be disclosed to the Board of Legislators if that is desired.

On February 17, 2021, L.C.—a Senior Social Case Worker in the Westchester County Department of Social Services (“DSS”)—conducted a home visit in Mount Kisco. After completing the visit, at around noon, he fell down the home’s front steps. In his fall, L.C. injured the left side of his back.

L.C. filed a claim for his injury with the NYS Workers’ Compensation Board, which was uncontroverted. On a parallel track to his Workers’ Compensation claim, L.C. retained counsel and commenced a personal injury action against the owners of the property where he fell (the “Property Owners”). L.C. is represented in that action by LAW OFFICES OF MICHAEL S. LAMONSOFF, P.L.L.C., Financial Square at 32 Old Slip – 8th Floor, New York, NY 10005. The Property Owners are represented by MIRANDA SLONE SKLARIN VERVENIOTIS LLP, 570 Taxter Road, Suite 695, Elmsford, NY 10523.

On or about February 10, 2023, L.C. agreed in principle to settle his personal injury claim after commencement of litigation for thirty-three thousand nine hundred one and 27/100 dollars (\$33,901.27), pending the consent of the County. In connection with the proposed settlement, L.C.’s counsel notified this Office that his costs, disbursements, and legal fee total eleven thousand eight hundred six and 37/100 dollars (\$11,806.37).

Between the date of the accident and the date of the proposed settlement, the County expended medical benefits pursuant to the NYS Workers' Compensation Law ("WCL") to or on L.C.'s behalf in the amount of five thousand nine hundred eighty-six and 30/100 dollars (\$5,986.30). No indemnity payments were made.

Based upon a review of the facts and circumstances of this matter, this Office seeks the authority to compromise the County's claim for reimbursement by reducing its lien by 34.83%, equaling a dollar reduction of two thousand eighty-five and 03/100 dollars (\$2,085.03). The County would thereafter accept in satisfaction of its present lien a total of three thousand nine hundred one and 27/100 dollars (\$3,901.27). After the County is reimbursed and counsel fees are paid, L.C. would receive eighteen thousand one hundred ninety-three and 63/100 dollars (\$18,193.63).

Your Committee has carefully considered the matter and recommends authorizing the County Attorney, pursuant to Section 158.11 of the Westchester County Charter, to compromise the County's right to be reimbursed for health care and wage benefits paid to or on behalf of L.C. from the settlement of his legal action against a third-party tortfeasor. An affirmative vote of a majority of the Board is required to pass this legislation.
