

RESOLUTION NO. 2023 - _____

WHEREAS, there is pending before this Honorable Board an Act to authorize the County to modify the Saw Mill Valley Sanitary Sewer District (the “District”) by removing four (4) parcels of property from the District, two of which are located in the Town of Mt. Pleasant and two (2) of which are located in the Town of New Castle, which parcels are not currently connected to the County sewer system; and

WHEREAS, this Honorable Board has determined that the proposed removal would constitute an action under Article 8 of the Environmental Conservation Law, known as the State Environmental Quality Review Act (“SEQR”); and

WHEREAS, pursuant to SEQR and its implementing regulations (6 NYCRR Part 617), this project is classified as an “Unlisted” action, which requires this Honorable Board to make a determination as to whether the proposed action will have a significant impact on the environment; and

WHEREAS, the County of Westchester is the only involved agency for this action and, therefore, is assuming the role of Lead Agency; and

WHEREAS, in accordance with SEQR and its implementing regulations, a Short Environmental Assessment Form has been prepared to assist this Honorable Board in its environmental assessment of this proposed action; and

WHEREAS, this Honorable Board has carefully considered the proposed action and has reviewed the attached Short Environmental Assessment Form and the criteria set forth in Section 617.7 of the implementing regulations and has identified the relevant areas of environmental concern, as described in the attached Short Environmental Assessment Form, to determine if this proposed action will have a significant adverse impact on the environment.

NOW, THEREFORE, be it resolved by the County Board of Legislators of the County of Westchester, State of New York, as follows:

RESOLVED, that based upon this Honorable Board’s review of the Short Environmental Assessment Form and the reasons set forth therein, this Board finds that

there will be no significant adverse impact on the environment from the removal of the four (4) parcels of property from the Saw Mill Valley Sanitary Sewer District; and be it further

RESOLVED, the Clerk of the Board of Legislators is authorized and directed to sign the Determination of Significance in the Short Environmental Assessment Form, which is attached and made a part hereof, as responsible officer in Lead Agency; to issue this "Negative Declaration" on behalf of this Board in satisfaction of SEQRA; and to immediately transmit same to the Commissioner of Planning to be filed, published and made available pursuant to the requirements of Part 617 of 6 NYCRR; and be it further

RESOLVED, that this Resolution shall take effect immediately.

TO: Vincent Kopicki, P.E., Commissioner
Department of Environmental Facilities

FROM: David S. Kvinge, AICP, RLA, CFM 
Assistant Commissioner

DATE: January 13, 2023

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR MODIFICATION
OF THE SAW MILL SANITARY SEWER DISTRICT TO REMOVE
4 PARCELS – TOWNS OF MOUNT PLEASANT AND NEW CASTLE**

In response to your request for an environmental review of the above referenced action, the Planning Department has prepared the attached documentation.

The proposed removal of four parcels—1 Bristol Place and 146 Hardscrabble Road in the Town of Mount Pleasant and 42 Pond Hill Road and 63 Brevoort Road in the Town of New Castle—from the County's Saw Mill Valley Sanitary Sewer District has been classified as an Unlisted action pursuant to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (SEQR). A Short Environmental Assessment Form has been prepared for consideration by the Board of Legislators.

Please contact me if you require any additional information regarding these documents.

Appendix B
Short Environmental Assessment Form

Instructions for Completing

Part 1 - Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 - Project and Sponsor Information			
Name of Action or Project: Removal of 4 Parcels from Saw Mill Sanitary Sewer District			
Project Location (describe, and attach a location map): 1 Bristol Place, 42 Pond Hill Road & 63 Brevoort Road, Chappaqua; 146 Hardscrabble Road, Briarcliff Manor; Westchester County, NY			
Brief Description of Proposed Action: Removal of 4 parcels from the Saw Mill Valley Sanitary Sewer District - 1 Bristol Place (99.6-2-4) and 146 Hardscrabble Road (99.17-2-28) are located in the Town of Mount Pleasant and 42 Pond Hill Road (92.18-1-10) and 63 Brevoort Road (100.8-3-27.1) are located in the Town of New Castle. At the request of the property owners, the Towns of Mount Pleasant and New Castle have petitioned the County to remove the subject parcels from the County sewer district on the basis that the parcels were never connected to the sewerage system and the respective Towns have no plans to extend local sewers to service these areas. The parcels are between 0.96 to 5.19 acres in size and each contain a single-family residence. The residences are served by on-site septic systems. The proposed district modification will remove from ad valorem taxation, a properties that have not, do not, nor are anticipated to receive district benefits.			
Name of Applicant or Sponsor: County of Westchester		Telephone: 914-995-4400 E-Mail: dsk2@westchestergov.com	
Address: 148 Martine Avenue			
City/PO: White Plains		State: NY	Zip Code: 10601
1. Does the proposed action only involve the legislative adoption of a plan, local law, ordinance, administrative rule, or regulation? If Yes, attach a narrative description of the intent of the proposed action and the environmental resources that may be affected in the municipality and proceed to Part 2. If no, continue to question 2.			NO <input type="checkbox"/>
			YES <input checked="" type="checkbox"/>
2. Does the proposed action require a permit, approval or funding from any other governmental Agency? If Yes, list agency(s) name and permit or approval:			NO <input type="checkbox"/>
			YES <input type="checkbox"/>
3.a. Total acreage of the site of the proposed action? _____ acres			
b. Total acreage to be physically disturbed? _____ acres			
c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor? _____ acres			
4. Check all land uses that occur on, adjoining and near the proposed action. <input type="checkbox"/> Urban <input type="checkbox"/> Rural (non-agriculture) <input type="checkbox"/> Industrial <input type="checkbox"/> Commercial <input type="checkbox"/> Residential (suburban) <input type="checkbox"/> Forest <input type="checkbox"/> Agriculture <input type="checkbox"/> Aquatic <input type="checkbox"/> Other (specify): _____ <input type="checkbox"/> Parkland			

18. Does the proposed action include construction or other activities that result in the impoundment of water or other liquids (e.g. retention pond, waste lagoon, dam)? If Yes, explain purpose and size: _____ _____	NO	YES
	<input type="checkbox"/>	<input type="checkbox"/>
19. Has the site of the proposed action or an adjoining property been the location of an active or closed solid waste management facility? If Yes, describe: _____ _____	NO	YES
	<input type="checkbox"/>	<input type="checkbox"/>
20. Has the site of the proposed action or an adjoining property been the subject of remediation (ongoing or completed) for hazardous waste? If Yes, describe: _____ _____	NO	YES
	<input type="checkbox"/>	<input type="checkbox"/>
I AFFIRM THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE BEST OF MY KNOWLEDGE

Part 2 - Impact Assessment. The Lead Agency is responsible for the completion of Part 2. Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. Will the proposed action result in a change in the use or intensity of use of land?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
3. Will the proposed action impair the character or quality of the existing community?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
7. Will the proposed action impact existing:	<input checked="" type="checkbox"/>	<input type="checkbox"/>
a. public / private water supplies?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. public / private wastewater treatment utilities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>

	No, or small impact may occur	Moderate to large impact may occur
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
11. Will the proposed action create a hazard to environmental resources or human health?	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Part 3 - Determination of significance. The Lead Agency is responsible for the completion of Part 3. For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The proposed action involves an act by the County Board of Legislators in order to modify a County-established sewer district, which is similar in nature to "the legislative adoption of a plan" in that there are no direct impacts to the environment because the action does not involve physical changes. The proposed action would remove from a district properties that are not receiving nor are anticipated to receive district services. Each of the parcels are already developed with a single-family residence that is served by a functioning on-site septic system. The Health Department has no record of septic problems or failures occurring at any of these sites within the past five years, which may otherwise warrant inclusion in the district. Additionally, the properties in the Town of Mount Pleasant are located in it's R-40 zoning district; as such, no new development is anticipated that would warrant a sewer connection. The properties in the Town of New Castle are located in it's R-1/2A and R-1A zoning district, which give them the potential to subdivide, but this is unlikely due to the existing development layout and environmental site limitations. The nearest local sewers are well over a hundred feet away in every case. Neither of the Towns have plans to extend it's local sewer lines to serve any of these properties. Since the properties were never connected to the sewer system, their removal from the district will have no physical impact on the County's sewer infrastructure.

- Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
- Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.
