

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$650,000.00 to finance capital project RB04S – Roadway Culvert Rehabilitation and Replacement (“RB04S”). The Bond Act, which was prepared by the law firm Hawkins Delafield and Wood, LLP, will finance the cost of a study to inspect and evaluate the roadway culvert structures along County roads to determine if any maintenance, rehabilitation or replacement is required. The study will establish recommendations and a schedule based on priorities.

Following bonding authorization, the study will be scheduled and is anticipated to take twelve (12) months to complete and will be performed by a consultant.

The Department of Planning has advised your Committee that based on its review, the proposed capital project may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617.5 (“SEQR”). Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
