

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of an amended bond act (“Amended Bond Act”) in the total amount of \$14,352,000 which includes \$11,686,000 in previously authorized bonds of the County of Westchester (“County”) to finance Capital Project RMF02 – Reconstruction of Memorial Field Mt. Vernon (“RMF02”) for 2021. The Amended Bond Act, which was prepared by the law firm Hawkins, Delafield & Wood, is required to finance all or a portion of the costs of the construction of recreational improvements at the Memorial Field recreation facility in the city of Mount Vernon (“Memorial Field”), including the installation of tennis courts, the installation of a skate park, the installation of an eight lane running track and bleacher seating with a capacity of approximately 3,900 spectators, and the installation of a multi-purpose synthetic turf field.

The Budget Department (“Department”) has advised that proposed 2021 Capital Budget amends the financing plan of RMF02 project to remove the cash transfer from the general fund and to finance that portion of the project with debt proceeds. This request would authorize the additional debt associated with the proposed financing change, resulting in no change to the total County share of \$19,750,000.

The project has begun construction and is anticipated to be completed in April, 2022.

It should be noted that your Honorable Board has previously authorized the County to issue bonds to finance components of RMF02 as indicated in the annexed fact sheet and as follows:

(i) Bond Act No. 43-2020 in the amount of \$365,000 to finance installation of tennis courts at Memorial Field;

(ii) Bond Act No. 44-2020 in the amount of \$525,000 to finance the cost of the installation of a skate park at Memorial Field;

(iii) Bond Act No. 45-2020 in the amount of \$5,398,000 to finance a portion of the cost of the installation of an eight lane running track and bleacher seating with a capacity of approximately 3,900 spectators at Memorial Field; and

(iv) Bond Act No. 46-2020 in the amount of \$5,398,000 to finance a portion of the cost of the installation of a multi-purpose synthetic turf field at Memorial Field.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project has been classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Amended Bond Act. Your Committee recommends the adoption of the proposed Amended Bond Act.
