

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester ("County") of a bond act ("Bond Act") in the amount of \$354,000 to finance capital project WCC88 – Maintenance Building Infrastructure Upgrade ("WCC88"). The Bond Act, which was prepared by the law firm Harris Beach, PLLC, will finance the County's 50% share of the cost of the Maintenance Building Infrastructure Upgrade Project at the Westchester Community College ("College") campus, including caulking of windows and chimney repairs, replacing the boiler and combustion air and ventilation system and insulation for the hot water piping, and updates to the fire alarm system and lighting.

The College has advised that the total amount appropriated for WCC88 is \$708,000. This bond request in the amount of \$354,000, represents the County's 50% share of WCC88. The remaining 50% will be funded by New York State. The College has further advised that the Maintenance Building was formerly used as a residence for the Site Superintendent but is now used as storage space, and that the College's Master Plan calls for the house to be renovated for full storage space.

Following bonding authorization, design will be scheduled and is anticipated to take twelve months to complete. It is anticipated that the design work will be completed by consultants. It is estimated that construction will take eighteen months to complete and will begin after award and execution of the construction contracts.

The Planning Department has advised your Committee that based on its review, WCC88 has been classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
