Dear Honorable Members of the Board of Legislators:

Transmitted herewith for your review and approval please find the following:

Land Purchase and Conveyance. An Act (the “Land Acquisition Act”) to authorize the purchase and subsequent conveyance of approximately +/- 0.4 acres of real property located at 305 and 309 Warburton Avenue and 254 Woodworth Avenue (the “Property”) in the City of Yonkers (the “City”) to Conifer Realty LLC, its successors, assigns or any entity created to carry out the purposes of the proposed transaction (the “Developer”), as part of the County’s program to support the construction of affordable senior rental housing units that affirmatively further fair housing (the “Affordable AFFH Units”). The Land Acquisition Act also authorizes the County to grant and accept any property rights necessary in furtherance thereof.

Acquisition Financing. A New Homes Land Acquisition Bond Act (the “NHLA Bond Act”), prepared by the firm of Hawkins Delafield & Wood LLP, to authorize the issuance of bonds of the County in a total amount not to exceed \$2,700,000 as a part of Capital Project BPL30 New Homes Land Acquisition II. The Department of Planning (“Planning”) has advised that subject to the approval of your Honorable Board, the proposed NHLA Bond Act will authorize an amount not to exceed \$2,700,000 to purchase the Property from the current owner to create ninety-four (94) Affordable AFFH Units for rental to seniors, including one superintendent’s unit and forty-nine (49) parking spaces for use by the residents (the “Development”). The Development will also include real property located at 317, 319 and 321 Warburton Avenue, 247, 248, 249, 250, 251, 253, 255, 262-A Woodworth Avenue and 32 Point Street to be conveyed by the Yonkers Industrial Development Agency (“YIDA”) to the Developer (the “YIDA Property”).

A Declaration of Restrictive Covenants will be filed against the Property and the YIDA Property in order to require that the Affordable AFFH Units be marketed and leased in accordance with an

approved affordable fair housing rental marketing plan to eligible households aged sixty-two (62) years of age and over earning at or below 30% and up to 80% of the Westchester County area median income.

The Affordable AFFH Units will remain affordable for a period of not less than fifty (50) years, noting that the income limits are subject to change based on the median income levels at the time of initial occupancy and subsequent occupancies, as established by the U.S. Department of Housing and Urban Development.

In accordance with the Land Acquisition Act, the County will subsequently convey the Property to the Developer for One (\$1.00) Dollar to construct the Development. Additionally, the YIDA has entered into a Land Disposition Agreement with the Developer for the conveyance of the YIDA Property for the construction of the Development.

Planning has further advised that additional funds for the Development are anticipated to be provided by federal low income housing tax credits allocated by New York State Homes and Community Renewal (“HCR”), an HCR Senior Housing subsidy loan, New York State Brownfield tax credits, HCR Clean Energy Initiative funding, City of Yonkers Purchase Money Note and Mortgage, City of Yonkers HOME funding, and a conventional first mortgage bank loan, for an estimated total development cost of approximately \$48.89 Million.

Planning has further advised that Section 167.131 of the County Charter mandates that a Capital Budget Amendment that introduces a new capital project or changes the location, size or character of an existing capital project be accompanied by a report of the Westchester County Planning Board (“Planning Board”) with respect to the physical planning aspects of the project. Accordingly, Resolution No. 23-14 adopted by the Planning Board on September 6, 2023 that recommends funding for the purchase and conveyance of the Property pursuant to Capital Project BPL30 is annexed hereto. In addition, the report of the Commissioner of Planning is annexed pursuant to Section 191.41 of the County Charter.

Based on the importance of creating more affordable housing units that affirmatively further fair housing in the County, your favorable action on the annexed Acts is respectfully requested.

Sincerely,

George Latimer
County Executive

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the County Executive recommending the enactment of the following:

Land Purchase and Conveyance. An Act (the “Land Acquisition Act”) to authorize the purchase and subsequent conveyance of approximately +/- 0.4 acres of real property located at 305 and 309 Warburton Avenue and 254 Woodworth Avenue (the “Property”) in the City of Yonkers (the “City”) to Conifer Realty LLC, its successors, assigns or any entity created to carry out the purposes of the proposed transaction (the “Developer”), as part of the County’s program to support the creation of affordable senior rental housing units that affirmatively further fair housing (the “Affordable AFFH Units”). The Land Acquisition Act also authorizes the County to grant and accept any property rights necessary in furtherance thereof.

Acquisition Financing. A New Homes Land Acquisition Bond Act (the “NHLA Bond Act”), prepared by the firm of Hawkins Delafield & Wood LLP, to authorize the issuance of bonds of the County in a total amount not to exceed \$2,700,000 as a part of Capital Project BPL30 New Homes Land Acquisition II. The Department of Planning (“Planning”) has advised that subject to the approval of your Honorable Board, the proposed NHLA Bond Act will authorize an amount not to exceed \$2,700,000 to purchase the Property from the current owner to create ninety-four (94) Affordable AFFH Units for rental to seniors, including one superintendent’s unit and forty-nine (49) parking spaces for use by the residents (the “Development”). The Development will also include real property located at 317, 319 and 321 Warburton Avenue, 247, 248, 249, 250, 251, 253, 255, 262-A Woodworth Avenue and 32 Point Street to be conveyed by the Yonkers Industrial Development Agency (“YIDA”) to the Developer (the “YIDA Property”)

A Declaration of Restrictive Covenants will be filed against the Property and the YIDA Property in order to require that the Affordable AFFH Units be marketed and leased in accordance with an approved affordable fair housing rental marketing plan to households aged sixty-two (62) years old and over earning at or below 30% and up to 80% of the Westchester

County area median income. The Affordable AFFH Units will remain affordable for a period of not less than fifty (50) years, noting that the income limits are subject to change based on the median income levels at the time of initial occupancy and subsequent occupancies, as established by the U.S. Department of Housing and Urban Development.

Your Committee has been advised that in accordance with the Land Acquisition Act, the County will subsequently convey the Property to the Developer for One (\$1.00) Dollar to construct the Development. Additionally, the YIDA has entered into a Land Disposition Agreement with the Developer for the conveyance of the YIDA Property for the construction of the Development.

Your Committee has been further advised that additional funds for the Development are anticipated to be provided by federal low income housing tax credits allocated by New York State Homes and Community Renewal (“HCR”), an HCR Senior Housing subsidy loan, Brownfield tax credits, HCR Clean Energy Initiative funding, City of Yonkers Purchase Money Note and Mortgage, City of Yonkers HOME funding, an a conventional first mortgage bank loan, for an estimated total development cost of approximately \$48.89 Million.

As your Honorable Board is aware, no action may be taken with regard to the proposed legislation until the requirements of the State Environmental Quality Review (“SEQR”) Act have been met. Planning has advised City of Yonkers Planning Board (“City Planning Board”) classified the proposed Development as an Unlisted action. On June 10, 2022, the City Planning Board sent out a notice of intent to serve as lead agency along with Part 1 of a Full Environmental Assessment Form. On September 7, 2022, the City Planning Board issued a Negative Declaration for the Development. Since the City undertook coordinated review pursuant to SEQR and the County was included in the coordinated review process, then, in accordance with Section 617.6(b)(3) of the SEQR regulations, no further environmental review is required by the County. Your Committee has reviewed the attached memorandum prepared by Planning and concurs with this conclusion.

Planning has further advised that Section 167.131 of the County Charter mandates that a

Capital Budget Amendment that introduces a new capital project or changes the location, size or character of an existing capital project be accompanied by a report of the Westchester County Planning Board (“Planning Board”) with respect to the physical planning aspects of the project. Accordingly, Resolution No. 23-14 adopted by the Planning Board on September 6, 2023 that recommends funding for the purchase and conveyance of the Property pursuant to Capital Project BPL30 is annexed hereto. In addition, the report of the Commissioner of Planning is annexed pursuant to Section 191.41 of the County Charter.

Based upon the foregoing and the importance of creating more affordable housing units that affirmatively further fair housing in the County, your Committee believes that the Acts are in the best interest of the County and therefore recommends their adoption, noting that both Acts require the affirmative vote of two-thirds of the members of your Honorable Board.

SUBJECT: Acquisition of Real Property - 305, 309 Warburton Avenue and 254
Woodworth Avenue-City of Yonkers

Pursuant to Section 191.41 of the County Charter, submitted herewith is the required report of the Acting Commissioner of Planning on the proposed acquisition and subsequent conveyance of +/- 0.4 acres of real property located at 305, 309 Warburton Avenue and 254 Woodworth Avenue in the City of Yonkers, identified on the City tax maps as Section 2: Block 2116; Lots: 18, 28 & 32 (the "Property") for the purpose of creating 94 affordable housing units (the "Affordable AFFH Units"), including one superintendent's unit that will affirmatively further fair housing ("AFFH"). The development will also provide approximately 49 parking spaces for residents. The Development will also include real property located at 317, 319 and 321 Warburton Avenue, 247, 248, 249, 250, 251, 253, 255, 262-A Woodworth Avenue and 32 Point Street to be conveyed by the Yonkers Industrial Development Agency ("YIDA") to the Developer (the "YIDA Property").

The County of Westchester (the "County") intends to finance the purchase of the Property from the current owner in an amount not to exceed \$2,700,000 as a part of Capital Project BPL30 New Homes Land Acquisition II. Upon acquisition of the Property, the County will file a Declaration of Restrictive Covenants covering both the Property and the YIDA Property, to require that the Affordable AFFH Units are marketed and leased in accordance with an approved affirmative fair housing marketing plan and will remain available to eligible households for a period of not less than 50 years. The County will then convey ownership of the Property to Conifer Realty LLC (the "Developer"), its successors or assigns, for One (\$1.00) Dollar. YIDA will convey the YIDA Property to the Developer pursuant to a Land Disposition Agreement.

The Developer proposes to construct one new six-story building on the Property and YIDA Property, combined, that will include a mix of affordable studio, one and two-bedroom rental apartments that will be leased to households aged 62 years of age and over who earn at or below 30% and up to 80% of the area median income (collectively the "Development").

I recommend funding for acquisition and conveyance of the Property for the following reasons:

1. The acquisition of this Property will advance the County's efforts to provide fair and affordable housing;
2. The acquisition and subsequent conveyance of the Property to develop fair and affordable housing is consistent with development policies adopted by the County Planning Board as set forth in *Westchester 2025 - Context for County and Municipal Planning in Westchester County and Policies to Guide County Planning*, adopted May 6, 2008, and amended January 5, 2010, and the recommended strategies set forth in *Patterns for Westchester: The Land and the People*, adopted December 5, 1995;
3. The Development is proposed to include green technology, such as energy efficient appliances, lighting and heating systems and water-conserving fixtures to reduce operating and maintenance costs, minimize energy consumption and conserve natural resources. A solar array will be installed on the roof to meet some of the electric needs of the building. The Development is designed to meet the Passive House green building standards;
4. The Development is consistent with the land use policies and regulations of the City of Yonkers; and
5. On September 6, 2023, the County Planning Board adopted a resolution to recommend County financing towards the purchase the Property to support the Development.

321 WARBURTON AVENUE, YONKERS**

Pursuant to your request, Environmental Planning staff has reviewed the above referenced project with respect to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (SEQR).

The action involves the provision of County funding under capital project BPL30 - New Homes Land Acquisition II (Fact Sheet ID 2385) - to facilitate the development of affordable housing at 305 - 321 Warburton Avenue, 248 - 262-A Woodworth Avenue and 32 Point Street (collectively referred to as 321 Warburton Avenue) in the City of Yonkers. County funds will be applied towards the purchase of a portion of the 1.17 acres of property, which will be transferred to a developer, who will create approximately 94 units of affordable senior rental housing. Known as the James Linburgh Senior Apartments, the project will include the construction of a new 6-story building, with residential amenities and approximately 49 parking spaces, a portion of which will be on a separate lot across the street.

In accordance with SEQR, the City of Yonkers Planning Board classified this project as an Unlisted action. Overall Project Description

This is a continuation of project BPL10 New Homes Land Acquisition Fund (NHLA). NHLA provides funds to acquire property for the construction of fair and affordable housing. The purpose of the Fund is to increase the inventory of available properties for fair and affordable housing development. In addition to the acquisition cost of properties, other costs associated with, and often required for, site acquisition may be considered eligible costs to be funded through the NHLA program. Such associated costs may include, but are not limited to, closing costs, appraisals, property surveys, environmental assessments, hazardous materials reports and demolition of existing structures. Demolition may be particularly critical in the County's urban areas where existing structures need to be removed to allow construction of fair and affordable units. Funds can be used in all municipalities. This is a general fund, specific projects are subject to a Capital Budget Amendment.

A New Homes Land Acquisition Bond Act (the “NHLA Bond Act”), prepared by the firm of Hawkins Delafield & Wood LLP, to authorize the issuance of bonds of the County in a total amount not to exceed \$3,000,000 as a part of Capital Project BPL30 New Homes Land Acquisition II. The Department of Planning (“Planning”) has advised that subject to the receipt of approval of your Honorable Board, the proposed NHLA Bond Act will authorize an amount not to exceed \$3,000,000 to purchase the Property from the current owner to create seventy-four (74) Affordable AFFH Units for rent including one superintendent’s unit.

Upon acquisition, the County will file a Declaration of Restrictive Covenants against the Property, to require that the proposed Affordable AFFH Units be marketed and leased in accordance with an approved affordable fair housing marketing plan to households aged 62 years old and over earning at or below 40% and up to 60% of the Westchester County area median income and will remain affordable for a period of not less than fifty (50) years noting that the income limits are subject to change based on the median income levels at the time of initial occupancy and subsequent occupancies, as established by the U.S. Department of Housing and Urban Development.

In accordance with the Land Acquisition Act, the County will subsequently convey the Property to the Developer for ONE (\$1.00) DOLLAR to construct the seventy-four (74) Affordable AFFH Units for rent including one superintendent's unit. The Developer will then construct a new four-story building containing the affordable AFFH Units and will also construct seventy-nine (79) parking spaces for use by the residents.

Your Committee has been advised that additional funds for the Development are anticipated to be provided from Tax Exempt Bonds issued by the Westchester County Industrial Development Agency, Federal Low Income Housing Tax Credits allocated by New York State, Westchester County Housing Flex Fund Subsidy, and Brownfield Tax Credits, for an estimated total development cost of approximately \$45.76 Million.

As your Honorable Board is aware, no action may be taken with regard to the proposed legislation until the requirements of the State Environmental Quality Review ("SEQR") Act have been met. Planning has advised that the Village classified the proposed Development as a Unlisted action pursuant to 6 NYCRR 617.6(b)(3) of the SEQR implementing regulations, acted as lead agency and issued a Negative Declaration for the Development on March 31, 2022. Your Committee has been advised that because the Village undertook a coordinated review pursuant to SEQR and the County was included in the process, no further environmental review is required by the County. Your Committee has reviewed the attached analysis prepared by Planning and concurs with this conclusion.

Your Committee has been further advised that on August 1, 2023, the Westchester County Planning Board (the "Planning Board") adopted Resolution No. 23-11 that recommends funding for the purchase and conveyance of the Property. In addition, Section 167.131 of the County Charter mandates that a Capital Budget Amendment that introduces a new capital project or changes the location, size or character of an existing capital project be accompanied by a report of the Planning Board with respect to the physical planning aspects of the project. Accordingly, the necessary Planning Board report for BPL30 has been annexed. In addition, the report of the Commissioner of Planning is annexed pursuant to Section 191.41 of the Westchester County Charter.

Based on the importance of creating more affordable housing units that affirmatively further fair housing in the County, your favorable action on the annexed Acts is respectfully requested, noting that the Land Acquisition Act and the NHLA Bond Act require the affirmative vote of two-thirds of the members of your Honorable Board.

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR
BPL30 NEW HOMES LAND ACQUISITION II
136 CROTON AVENUE, OSSINING**

Pursuant to your request, Environmental Planning staff has reviewed the above referenced project with respect to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (SEQR).

The action involves the provision of County funding under capital project BPL30 - New Homes Land Acquisition II (Fact Sheet ID #2323) - to facilitate the development of affordable senior rental housing at 136-140 Croton Avenue (collectively referred to as 136 Croton Avenue) in the Village of Ossining. County funds will be applied toward the purchase of approximately 0.8 acre of property, which will be transferred to a developer, who will create approximately 74 dwelling units, of which 73 will be affordable and affirmatively further fair housing, with one unit reserved for a superintendent. The project will include the construction of a new 3- to 4-story building, with residential amenities as well as ground-floor commercial space, and approximately 79 internal parking spaces.

In accordance with SEQR, the Village of Ossining Planning Board classified this project as an Unlisted action. On October 28, 2021, the Village sent out a notice of intent for the Village Planning Board to serve as lead agency, along with Part 1 of a Full Environmental Assessment Form. On March 31, 2022, the Village Planning Board issued a Negative Declaration for the project. Since the Village undertook coordinated review and the County of Westchester was included in the coordinated review process, then, in accordance with section 617.6(b)(3), no further environmental review is required by the County.

Please do not hesitate to contact me if you have any questions regarding this matter.

SUBJECT: Acquisition of Real Property – 136 Croton Avenue –Village of Ossining

Pursuant to Section 191.41 of the County Charter, submitted herewith is the required report of the Commissioner of Planning on the proposed acquisition and subsequent conveyance of +/- 0.8 acres of real property located at 136 Croton Avenue in the Village of Ossining, identified on the City tax maps as Section 89.16: Block 7; Lots: 79 & 80 (the “Property”) for the purpose of creating 74 affordable housing units (the “Affordable AFFH Units”), including one superintendent’s unit that will affirmatively further fair housing (“AFFH”). The development will also provide approximately 79 parking spaces for residents.

The County of Westchester (“the County”) intends to finance the purchase of the Property from the current owner in an amount not to exceed \$3,000,000 as a part of Capital Project BPL30 New Homes Land Acquisition II. Upon acquisition of the Property, the County will file a Declaration of Restrictive Covenants to require that the Affordable AFFH Units are marketed and leased in accordance with an approved affirmative fair housing marketing plan and will remain available to eligible households for a period of not less than 50 years. The County will then convey ownership of the Property to MacQuesten Development LLC (the “Developer”), its successors or assigns, for One (\$1.00) Dollar.

The Developer proposes to construct one new four-story building on the Property that will include a mix of affordable studio, one and two bedroom rental apartments that will be leased to households aged 62 years of age and over who earn at or below 40% and up to 60% of the area median income (collectively the “Development”).

I recommend funding for acquisition and conveyance of the Property for the following reasons:

1. The acquisition of this Property will advance the County’s efforts to provide fair and affordable housing;
2. The acquisition and subsequent conveyance of the Property to develop fair and affordable housing is consistent with development policies adopted by the County Planning Board as set forth in *Westchester 2025 - Context for County and Municipal Planning*

in Westchester County and Policies to Guide County Planning, adopted May 6, 2008, and amended January 5, 2010, and the recommended strategies set forth in *Patterns for Westchester: The Land and the People*, adopted December 5, 1995;

3. The Development is proposed to include green technology, such as energy efficient appliances, lighting and heating systems and water-conserving fixtures to reduce operating and maintenance costs, minimize energy consumption and conserve natural resources. A green roof will be installed to minimize runoff from rainfalls. The Development is designed to meet the requirements of Enterprise Green Communities 2020 program, Passive House Certification, Energy Star Multifamily New Construction, DOE Zero Energy Ready Home and EPA Indoor Air Plus;
4. The Development is consistent with the land use policies and regulations of the Village of Ossining; and
5. On August 1, 2023, the County Planning Board adopted a resolution to recommend County financing towards the purchase the Property to support the Development.

Overall Project Description

This is a continuation of project BPL10 New Homes Land Acquisition Fund (NHLA). NHLA provides funds to acquire property for the construction of fair and affordable housing. The purpose of the Fund is to increase the inventory of available properties for fair and affordable housing development. In addition to the acquisition cost of properties, other costs associated with, and often required for, site acquisition may be considered eligible costs to be funded through the NHLA program. Such associated costs may include, but are not limited to, closing costs, appraisals, property surveys, environmental assessments, hazardous materials reports and demolition of existing structures. Demolition may be particularly critical in the County's urban areas where existing structures need to be removed to allow construction of fair and affordable units. Funds can be used in all municipalities. This is a general fund, specific projects are subject to a Capital Budget Amendment.

Project Description

This is a continuation of project BPL10 New Homes Land Acquisition Fund (NHLA). NHLA provides funds to acquire property for the construction of fair and affordable housing. The purpose of the Fund is to increase the inventory of available properties for fair and affordable housing development. In addition to the acquisition cost of properties, other costs associated with, and often required for, site acquisition may be considered eligible costs to be funded through the NHLA program. Such associated costs may include, but are not limited to, closing costs, appraisals, property surveys, environmental assessments, hazardous materials reports and demolition of existing structures. Demolition may be particularly critical in the County's urban areas where existing structures need to be removed to allow construction of fair and affordable units. Funds can be used in all municipalities. This is a general fund, specific projects are subject to a Capital Budget Amendment.
