

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a communication from the County Executive requesting that your Honorable Board authorize the County of Westchester (the "County") to enter into an intermunicipal agreement ("IMA") with the Village of Mount Kisco (the "Village") whereby the County, acting through its Department of Public Safety Services (the "Department"), will provide policing services to the Village for a term commencing retroactively on April 1, 2025 and expiring December 31, 2029.

Under the terms of the proposed IMA, the Department will provide, on a daily basis, policing services to the Village which shall include: 1.) Patrol services consisting of the assignment of seventeen (17) police officer full time equivalents ("FTEs) to patrol the Village in consultation and coordination with the Village, with at least two (2) police officers, each with a patrol car, at any given time; 2.) Investigative services consisting of three (3) detective FTEs assigned at such times as the Department shall deem appropriate, in consultation with the Village, in order to investigate matters that arise in the Village; and 3.) First-line police supervisors consisting of the assignment of five (5) police sergeant FTEs with one (1) police sergeant FTE provided with a patrol car at all times.

The Village will pay the County a sum (the "Annual Fee") equal to the County's costs, including but not limited to salary, overtime, holiday pay, shift differential, and fringe benefits. The Village will pay the Annual Fee in two (2) equal installments due July 1st and December 1st each year. The prorated Annual Fee for the 2025 year of the IMA (April 1, 2025 through December 31, 2025) is \$5,917,237.00. The County will give the Village a credit toward the cost of retiree healthcare included within the Annual Fee. Such credit will be equal to \$1,000.00 per month for each of the eleven (11) former Village employees hired by the County on June 1, 2015 for as long as such employee remains on County payroll for the provision of these services.

By October 1st of years 1 through 4 of the IMA, the County will notify the Village of the Annual Fee for the upcoming year. In the event that either the County or the Village determines that

the Annual Fee for any year of the IMA does not accurately reflect the cost to the County for providing the services, or that the policing services provided to the Village do not accurately reflect the scope of services contracted for herein or meet the needs of the Village, either party, on upon sixty (60) days written notice, may schedule a meeting to discuss whether adjustments to the Annual Fee or scope of additional policing services is warranted. The Village will make any additional payments based on this adjustment calculation for the previous year in two (2) equal installments, payable on or before July 1st and December 1st of the upcoming year of the IMA. If a credit is due, the Village may deduct the amount of such credit from the next payment due to the County. For the final year of the IMA, any credit due to the Village, or additional charge owed by the Village, will be made within thirty (30) days of the expiration of the IMA by the appropriate party.

Your Committee has been advised that the proposed IMA does not meet the definition of an action under the New York State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Please refer to the memorandum from the Department of Planning dated January 14, 2025, which is on file with the Clerk of your Honorable Board.

Your Committee has been advised that the County has been providing police services to the Village pursuant to various IMAs since 2015 under substantially the same terms, and the most recent IMA for these services expired on March 31, 2025.

It should be noted that approval of the Act authorizing the County to enter into the IMA requires the affirmative vote of a majority of the voting strength of your Honorable Board.

Your Committee believes that this IMA is in the best interest of the County. Therefore, your Committee recommends adoption of the proposed attached Act.

**§5.** This Act shall take effect immediately.

This **AGREEMENT** made this \_\_\_\_\_ day of \_\_\_\_\_, 2025 by and between:

**THE COUNTY OF WESTCHESTER**, a municipal corporation of the State of New York, having an office and place of business in the Michaelian Office Building, 148 Martine Avenue, White Plains, New York 10601 (hereafter the "County"),

and

**THE VILLAGE OF MOUNT KISCO**, a municipal corporation of the State of New York, having an office and place of business located at 104 Main Street, Mount Kisco, New York 10549 (hereafter the "Village"),

(The County and the Village shall be referred to each as a "Party" and collectively as the "Parties").

**W I T N E S S E T H:**

**WHEREAS**, the Village desires to obtain policing services from the County, acting through its Department of Public Safety (the "Department"); and

**WHEREAS**, the Parties have successfully concluded negotiations and have agreed on the relevant terms and conditions pursuant to which such policing services will be provided; and

**WHEREAS**, Article 5-G of the General Municipal Law authorizes municipal corporations to enter into, amend, cancel and terminate agreements for the performance among themselves or one for the other of their respective functions, powers and duties on a cooperative or contract basis; and

**WHEREAS**, the Village and County intend to provide cost-effective policing services to the Village; and

**WHEREAS**, no rights of the Village or its officers shall be deemed curtailed, transferred or abolished pursuant to or by virtue of this Agreement; and;

**WHEREAS**, the Village has duly adopted a Resolution authorizing its Mayor to execute an agreement with the County whereby the County will provide policing services to the Village for the compensation and upon the terms described below; and

**WHEREAS**, the County is authorized to enter into this agreement to provide such policing services to the Village for the compensation and upon the terms described below.

**NOW, THEREFORE**, in consideration of the terms and conditions herein contained, the Parties agree as follows:

**FIRST:** The Department shall provide general policing services to the Village which shall include: 1) patrol services consisting of the assignment of seventeen (17) police officer full time equivalents ("FTE's) to patrol the Village in consultation and coordination with the Village, with at least two police officers, each with a patrol car, at any given time; 2) investigative services consisting of three detective FTE's assigned at such times as the Department shall deem appropriate, in consultation with the Village, in order to investigate matters requiring same that arise in the Village; and 3) first-line police supervisors consisting of the assignment of five police sergeant FTE's with one assigned, with a patrol car, at all times. The above described services to be provided to the Village shall be the primary job duties of such Department personnel when they are assigned to provide such services.

The scope of policing services to be provided to the Village is more particularly described in Schedule "A" attached hereto and made part hereof. Notwithstanding any other provision within this Agreement, the Village may upon not less than sixty (60) days written notice to the County, modify the aforementioned contract staffing to accommodate either the Village's budgetary constraints or additional policing needs.

**SECOND:** For the services rendered pursuant to Paragraph "FIRST", the Village shall pay the County a sum (the "Annual Fee") equal to the County's actual costs, including but not limited to salary, overtime, holiday pay, shift differential, fringe benefits, and additional communications personnel costs. The Village shall pay the Annual Fee in two equal installments due July 1<sup>st</sup> and December 1<sup>st</sup>. The Annual Fee for the 2025 year of the Agreement (April, 2025

through December, 2025) is \$5,914,398.00. Attached hereto and made a part hereof as Schedule "B" is a budget upon which the Annual Fee for the 2025 year of the Agreement is based, as well as a projected budget for each subsequent year of the Agreement. The Parties acknowledge and agree that this Annual Fee may require adjustment based on salary and benefit increases required under applicable collective bargaining agreements and as provided in Paragraph FIRST. The County shall give the Village a credit toward the cost of retiree healthcare included within the Annual Fee. Such credit shall be equal to \$1,000.00 per month for each of the twenty-five (25) former Village employees hired by the County on June 1, 2015 for as long as such employee remains on the County payroll for the provision of services outlined in Paragraph "FIRST" of this Agreement. As of the execution date of this agreement, there are eleven (11) such former Village employees on the County payroll.

On or about October 1<sup>st</sup> of years 1 through 4 of this Agreement, the County shall notify the Village of the Annual Fee for the upcoming year. The County shall also provide the Village with a budget in support of the Annual Fee for each of the remaining years of the Agreement.

Subject to the provisions set forth above, in the event that either the County or the Village determines that the Annual Fee for any year of the Agreement does not accurately reflect the cost to the County for providing the services, or that the policing services provided to the Village does not accurately reflect the scope of services contracted for herein or meet the needs of the Village, either Party, on upon sixty (60) days written notice, may schedule a meeting to discuss whether adjustments to the Annual Fee or scope of policing services is warranted. Any requested adjustment(s) shall be supported by documentation sufficiently detailing the basis for the requested adjustment. If any such notice seeks to modify any prospective Annual Fee, such notice shall be provided at least One Hundred and Twenty (120) days before the beginning of the fiscal year for which the Annual Fee is being adjusted. The Village shall make any additional payments based on this adjustment calculation for the previous year in two equal installments, payable on or before July 1<sup>st</sup> and December 1<sup>st</sup> of the upcoming year of this Agreement. If a credit is due, the Village may deduct the amount of such credit from the next payment due to the County. For the final year of this Agreement, any credit due to the Village, or additional charge owed by the Village, shall be made within thirty (30) days of the expiration of this Agreement by the appropriate Party.

Notwithstanding anything herein to the contrary, the Parties agree that in computing the actual cost of providing police services to the Village, the County shall calculate such figures or true up the costs not less than annually and shall contemporaneously provide copies of such figures to the Village to insure that all Parties are fully familiar with the actual cost of the policing services, as compared to projected costs. Should these figures substantially deviate from the proposed Annual Fee, the Village shall have the right to renegotiate the scope of services provided in Schedule "A" to avoid any potential for cost overruns. In addition, the County agrees to provide monthly reports to the Village on overtime spending. The Parties do hereby further agree that any adjustments to a single year's Annual Fee (truing up) shall not result in a truing up cost to exceed One Hundred Thousand Dollars (\$100,000.00) annually without such number having been properly reflected, disclosed or trended in the aforementioned monthly reports and duly consented to by the Village.

Similarly, no prospectively proposed increase in any given year's projected Annual Fee (as set forth in Schedule B), shall exceed two percent (2%) of such projected number unless the number is presented and documented as soon as practicable to the Village by the County.

**THIRD:** The Village agrees that for so long as this Agreement is effective, the Department shall have joint use of the Village police facility at 40 Green Street, Mount Kisco, New York for purposes of conducting policing services for the Village at no charge to the County. The Village will provide a clearly delineated amount of space in the existing police facility limited to furnished office space for three detectives, space for reporting writing and interviews, a locker room and bathroom facilities for officers assigned to the Village patrol force, and a prisoner detention facility consisting of at least one regular prisoner cell and one temporary prisoner holding cell or cage. The Village shall, during all such times, continue to maintain the police facility, including the provision of utilities and janitorial services at no cost to the County.

The Village also agrees that for so long as this Agreement is effective, the County, its employees, agents and contractors shall have access to the Village's radio communications tower for the purpose of maintaining radio equipment for police communications and also allowing for the installation of such additional equipment as may be necessary or desirable for the maintenance or enhancement of police communications.

**FOURTH:** The term of this Agreement shall commence retroactively on April 1, 2025 (“Effective Date”) and shall expire on December 31, 2029 (“Expiration Date”), unless sooner terminated in accordance with the provisions of this Agreement. Should such termination occur, the Village shall be responsible to the County for the Annual Fee on a per diem basis.

**FIFTH:** (a) Either Party, upon one (1) year’s notice to the other Party, may terminate this Agreement when the terminating Party deems it to be in its best interest.

(b) In the event that there has been a material breach by either Party of any of the terms of the Agreement and such breach remains uncured for thirty (30) days after service on the breaching Party of written notice thereof, or in the event that such breach is not susceptible of being cured within such thirty (30) days, such cure has not been commenced within such period and diligently pursued and completed within a reasonable time thereafter, the non-breaching Party, in addition to any other right or remedy it might have, may terminate this Agreement. Notice hereunder shall be effective on the date of receipt.

Upon termination or expiration of this Agreement, the County shall reimburse the Village for any advance payments made by the Village prior to such termination or expiration. The Village shall satisfy any and all arrears to the County. Any such adjustments shall be made by the responsible Party within thirty days of termination or expiration of this Agreement. In the event of a dispute as to the value of the services rendered by the County prior to the date of termination, it is understood and agreed that the Commissioner of Public Safety (“Commissioner”) shall determine the value of such services rendered by the County. Subject to the provisions set forth above, the Village shall accept such reasonable and good faith determination, which will be supported by documentation provided to the Village, as final. Upon termination or expiration of this Agreement, the County shall deliver all relevant records to the Village and shall deliver the police facility to the Village within a mutually agreed upon reasonable time in order to allow the County sufficient time to produce records and to remove its equipment and items.

**SIXTH:** In addition to, and not in limitation of the insurance requirements contained in Schedule “C” entitled “Standard Insurance Provisions”, attached hereto and made a part hereof, the Village agrees:

(a) that except for the amount, if any, of damage contributed to, caused by, or resulting from the sole negligence of the County, the Village shall indemnify and hold harmless the County, its officers, employees and agents from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorneys' fees or loss arising directly or indirectly out of the acts or omissions hereunder by the Village or third parties under the direction or control of the Village; and

(b) to provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of the acts or omissions hereunder by the Village or third parties under the direction or control of the Village and to bear all other costs and expenses related thereto.

(c) In the event the Village does not provide the above defense and indemnification to the County, and such refusal or denial to provide the above defense and indemnification is found to be in breach of this provision, then the Village shall reimburse the County's reasonable attorney's fees incurred in connection with the defense of any action, and in connection with enforcing this provision of the Agreement.

**SEVENTH:** The County agrees to self-insure all liability for bodily injury and death and/or property damage under the County's self-insurance program in accordance with Local Law 6-1986 and Chapter 295 of the Laws of Westchester County. Such self-insurance shall insure against all costs, damages, expenses and/or any payment of any and all claims, accidents and injuries, and all damages whatsoever caused to any person or any property. Attached hereto as Schedule "D", is a written assurance from the County of its decision to self-insure. In addition to, and not in limitation of the above, the County agrees:

(a) that except for the amount, if any, of damage contributed to, caused by, or resulting from the sole negligence of the Village, the County shall indemnify and hold harmless the Village, its officers, employees and agents from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorneys' fees or loss arising directly or indirectly out of the acts or omissions hereunder by the County or third parties under the direction or control of the County; and

(b) to provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of the acts or omissions hereunder by the County or third parties under the direction or control of the County and to bear all other costs and expenses related thereto.

(c) In the event the County does not provide the above defense and indemnification to the Village, and such refusal or denial to provide the above defense and indemnification is found to be in breach of this provision, then the County shall reimburse the Village's reasonable attorney's fees incurred in connection with the defense of any action, and in connection with enforcing this provision of the Agreement.

**EIGHTH:** All notices of any nature referred to in this Agreement shall be in writing and sent by registered or certified mail, return receipt requested, postage pre-paid, or sent by hand or overnight delivery, or sent by facsimile (with acknowledgement received and a copy of the notice sent by overnight courier) to the respective addresses set forth below or to such other addresses as the respective Parties hereto may designate in writing:
