HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER, NEW YORK

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester ("County") of a bond act ("Bond Act") in the total amount of \$1,100,000, to finance a component of capital project P0024 – Bronx River Parkway Rehabilitation Program ("P0024").

The Bond Act, which was prepared by the law firm of Hawkins Delafield & Wood, LLP, will finance the cost of design, construction management, and construction associated with the upgrade of the existing "cobra head" and "teardrop" lighting fixtures to LED lighting fixtures along the Bronx River Parkway. Also included in the project is the replacement of any missing or damaged light poles, arms, bases, and associated work.

The Department of Public Works & Transportation ("Department") has advised that this capital project was created to provide various rehabilitation projects along the Bronx River Parkway. Previous components have included roadway resurfacing, guiderail replacement, concrete curb replacement, drainage improvements, new vehicle detection sensors, new pavement markings and related work. The current request will provide for the replacement of the existing roadway lighting fixtures with new energy efficient LED lighting fixtures.

Following bonding authorization, design will be scheduled and is anticipated to take three (3) months to complete and will be performed by consultants. It is estimated that construction will take nine (9) months to complete and will begin after award and execution of the construction contracts.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project has been classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee has carefully considered the proposed Bond Act and most respectfully recommends approval of same.
