HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER, NEW YORK

Your Committee is in receipt of an amended bond act ("Amended Bond Act") of the County of Westchester ("County") authorizing amendment to prior Bond Act No. 219-2021 to remove a \$50,000 portion of the authorization allocable to components of Capital Project RCC17 – County Center Facility Improvements ("RCC17"), and to decrease the authorization of said Bond Act No. 219-2021 attributable to RCC17 by \$50,000, to a new total decreased authorization of \$13,650,000.

The Department of Parks, Recreation and Conservation ("Department") has advised your Committee that the County Center roof is in poor condition and in need of replacement. The existing roof is leaking in several places and has exceeded its life expectancy. RCC17 will fund the complete roof replacement and underlayment including roof deck repairs, waterproofing, stucco wall repairs, eaves, gutters and downspouts, and all other associated building renovations. The Department has advised that this infrastructure repair is critical to the safe operation of the park facility.

Design is currently being undertaken by in-house staff and is expected to be completed by the first quarter of 2024. It is estimated that construction will take twelve months to complete and will begin after award and execution of the construction contracts.

It should be noted that your Honorable Board has authorized the County to issue bonds in connection with RCC17 as indicated in the annexed fact sheet and as follows: Bond Act No. 219-2021, in relevant part, authorized the County to issue bonds to finance design and construction management for restoration and modification of the County Center. These bonds have not been sold. Accordingly, it is now requested that Bond Act No. 219-2021 be amended to decrease the amount authorized and attributable to RCC17 by \$50,000, for a total authorized amount, as amended, of \$13,650,000.

A separate, concurrent requests seeks approval of a Bond Act to authorize the County to issue bonds to finance design and construction for RCC17 in the total amount of \$10,050,000, which includes the \$50,000 authorization proposed to be removed from Bond Act No. 219-2021.

Your Committee is advised that as was initiated last year, the County Budget Department is submitting this Design and Construction to your Honorable Board simultaneously with the proposed 2024 Capital Budget. It is the County's goal to submit this Amended Bond Act now so that the referenced projects will be ready to proceed without delay in early 2024.

The Planning Department has advised your Committee that based on its review, RCC17 may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

Your Committee has carefully considered the Amended Bond Act, and recommends approval of the Amended Bond Act. It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Amended Bond Act.
