

ACT 3 - 2026

HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER

Your Committee is in receipt of a transmittal from the County Executive in which the County Executive states that the Commissioner of Environmental Facilities has advised him that the Town of Somers (the "Town") has requested, pursuant to the attached resolution of the Town, that the Peekskill Sanitary Sewer District (the "District") be modified to add two (2) parcels of property more particularly described as 0 Route 6, Sec. 4.20, Block 1, Lot 12; and Sec. 15.08, Block 1, Lot 4 (hereinafter the "Parcels"), which Parcels are not currently in any County Sanitary Sewer District and have never been in any County Sewer District in the past.

Your Committee is informed that the feasibility report prepared by the Department of Environmental Facilities (the "Department") dated September 15, 2025 and attached hereto (the "Feasibility Report"), indicates that the proposed addition of the Parcels represents an increase of 0.75% to the Equalized Full Value of the District. Therefore, the addition of the Parcels will not cause significant changes in the tax rate of the District.

According to the Department, the proposal to add the Parcels is feasible because: 1) the matter was requested by the Town; 2) the facilities necessary to connect the Parcels to County facilities (i.e., gravity sewers) will be constructed at the total expense of the Town; 3) maintenance of the completed facilities will be the responsibility of the Town and not the District; 4) the Peekskill Water Resource Recovery Facility (the "Facility") has a design flow of 10 MGD and the present average daily flow is 6.1 MGD. The average daily flow the Parcels will generate after inclusion is 25,200 GPD. Therefore, the Facility and the County Trunk Sewer have sufficient capacity to accommodate the Parcels; 5) the subject expansion will not result in any significant effect on the tax structure of the District; and 6) the Parcels proposed to be added to

the District are not now in any County sewer district and will be required to pay a surcharge over a ten year period.

Your Committee notes that Section 237.131 of the Laws of Westchester County (“LWC”) authorizes the alteration or change of a sewer district. However, your Honorable Board may only alter or change the district after it has held a public hearing after notice has been given by publication in such manner and for such time as the Board shall direct. Therefore, attached hereto is a Resolution, which, if adopted by your Honorable Board, would authorize the date and time of the public hearing. Your Committee recommends adoption of said Resolution.

Furthermore, LWC Sections 237.131 and 237.141 confer authority to determine what charges, if any, will be assessed against the Parcels. Your Committee has been informed that the Department recommends that an aggregate surcharge of \$401,827.00 to be paid in each of ten equal annual installments of \$40,182.70, be assessed against the Parcels. This surcharge reflects capital costs incurred by the District from 1970 through 2025. This formula has been used in past legislation for parcels added to a sanitary sewer district.

The Planning Department has advised that the request to be included in the District is a component of a residential townhouse development project, known as Trailside Estates. Pursuant to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (“SEQR”), the Town Planning Board classified the overall development project as a Type I action, served as lead agency, conducted coordinated review and issued a Negative Declaration for the project on February 13, 2025. Since the County was included as an involved agency in the coordinated review process, then, in accordance with Section 617.6(b)(3), no further environmental review is required by the County for the proposed sewer district modification.

Your Committee has reviewed the attached SEQR documentation prepared by the Planning Department and concurs with this conclusion.

It should be noted that a vote of not less than a majority of the voting strength of the Board of Legislators is required to pass this Act.

Based on the above facts and the Feasibility Report prepared by the Department, your Committee concurs with the recommendation of the County Executive and recommends that your Honorable Board adopt the annexed Resolution which will authorize publication of the Legal Notice for the public hearing as required by the Laws of Westchester County in such matters, and, after such hearing, urges your Honorable Board to adopt the annexed Act which accomplishes the addition of the Parcels to the District.

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR PEEKSKILL
SANITARY SEWER DISTRICT EXPANSION – 0 ROUTE 6, SOMERS**

In response to your request, the Planning Department has reviewed the above referenced action with respect to the State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617 (SEQR).

The proposed expansion of the County's Peekskill Sanitary Sewer District to add two parcels located in the Town of Somers (Tax Map ID 4.20-1-12 and 15.08-1-4) is a component of a residential townhouse development project, known as Trailside Estates.

Pursuant to SEQR, the Town of Somers Town Board classified the overall project as a Type I action, served as lead agency, conducted coordinated review and issued a Negative Declaration for the project on February 13, 2025. Since the County was included as an involved agency in the coordinated review process, then, in accordance with section 617.6(b)(3), no further environmental review is required by the County for the proposed sewer district modification.

RESOLUTION

RESOLVED, that the Town Board does hereby authorize the Supervisor to execute and the submission of the petition be made to the Board of Legislators of the County of Westchester to consider the extension and enlargement of the Peekskill Hollow Sewer District to include the boundaries of the Parkview extension area as outlined in the petition pursuant to Article 5-A of the County Law.

I hereby certify that the foregoing copy of the resolution was unanimously adopted by the Town Board of the Town of Somers at a Work Session/Regular Meeting held on February 13, 2025.

FEASIBILITY REPORT
IN THE MATTER OF

THE ENLARGEMENT FOR A CERTAIN PROPERTY
IN THE
PEEKSKILL SANITARY SEWER DISTRICT
TOWN OF SOMERS

Vincent F. Kopicki, P.E.
Commissioner
Environmental Facilities

The Town of Somers has petitioned that two (2) properties currently not included in the Peekskill Sanitary Sewer District be added to the Peekskill Sanitary Sewer District.

A. The identification of the property not currently within the boundaries of the Peekskill Sanitary Sewer District and to be added is contained in the attached Resolution prepared by the Town Clerk, Town of Somers. Said properties are not currently in any County Sanitary Sewer District, and has never been in any County Sewer District in the past. The properties are known as 0 Route 6, designated as Section 4.20, Block 1, Lot 12, and Section 15.08, Block 1, Lot 4.

B. EFFECT ON SEWER DISTRICT TAX RATE:

Full Equalized Valuations, which are assessed values adjusted for equalization rates, form the basis on which the sewer district tax levies are apportioned by the County Board of Legislators. The following are the full equalized valuations in the 2025 tax levy pertinent to the subject property:

Full Value of District

<u>CITIES/TOWNS</u>	<u>ASSESSED VALUE</u>	<u>EQ. PERCENT</u>	<u>FULL VALUE</u>
Cortlandt	\$ 15,089,194	1.18%	\$1,278,745,254
Peekskill	123,943,198	2.37	5,229,670,801
Somers	34,606,268	9.78	353,847,321
Yorktown	52,874,476	1.77	2,987,258,531
Total			\$ 9,849,521,908
(Town of Somers) Total Value of the parcel to be added			+ <u>74,150,000</u>
Total Full Value of District as Amended:			\$ 9,923,671,908

* represents a 0.75% increase in the FEV of the District

C. The Surcharge Calculation for the properties which is not now in a County Sewer District and is proposed for inclusion in the Peekskill Sanitary Sewer District is as follows:

If: e = added area's share in District equity or surcharge amount;

A = added area's f.e.v., 2025 Rolls

D = District f.e.v., 2025 rolls, before proposed additions

and E = District equity in existing facilities or the total of debt service and advances from district levies to pay the capital costs of those facilities, for the period 1970 through 2025.

Then:
$$e = \frac{A}{D+A} \times E$$

$$e = \frac{74,150,000}{9,849,521,908 + 74,150,000} \times 53,577,052$$

$$e = \frac{74,150,000}{9,923,671,908} \times 53,577,052$$

$$e = 0.0075 \times \$53,577,052$$

$$e = \$401,827.89 \text{ (rounded to } \$401,827.00)$$

and: in each of 10 annual installments, a total surcharge of \$40,182.70 is to be collected from the added property and credited to the remaining properties of all Municipalities in the District, in each of the ten years.

D. Summary and Recommendations.

The proposed Peekskill Sanitary Sewer District Addition is feasible because:

1. The matter was requested by the Town of Somers.
2. The facilities necessary to connect the property to County facilities (i.e. Gravity Sewers) will be constructed at the total expense of the Town of Somers.
3. Maintenance of the completed facilities will be the responsibility of the Town of Somers but not the Peekskill Sanitary Sewer District.
4. The Peekskill Water Resource Recovery Facility has a design flow of 10 MGD and the present average daily flow is 6.1 MGD. The average daily flow the parcel will generate is 25,200 gallons per day. The Facility and the County Trunk Sewer have sufficient capacity to accommodate this property.
5. The subject expansion will not result in any significant effect on the tax structure of the district.
6. The Territory proposed to be added to the Peekskill Sanitary Sewer District is not now in any County Sewer District and will be required to pay a surcharge over a ten year period.

ACT NO. 2026 - 3

AN ACT to Modify the Peekskill Sanitary Sewer District by the Addition of two (2) Parcels of Property Located in the Town of Somers.

BE IT ENACTED by the County Board of the County of Westchester as follows:

Section 1. The following properties known and designated as 0 Route 6, Sec. 4.20, Block 1, Lot 12; and Sec. 15.08, Block 1, Lot 4 (the "Parcels") on the assessment maps of the Town of Somers (the "Town") are hereby added to the Peekskill Sanitary Sewer District (the "District").

§ 2. Pursuant to the provisions of Chapter 237 of the Laws of Westchester County, the Board levies and assesses against the Parcels the aggregate sum of Four Hundred One Thousand Eight Hundred Twenty-Seven and 00/100 (\$401,827.00) Dollars which amount shall be payable in ten equal annual installments of Forty Thousand One Hundred Eighty-Two and 70/100 (\$40,182.70) Dollars and shall be credited to the remaining portion of the District.

§ 3. This Act and the District and assessment areas as so altered, changed, modified, reduced and/or enlarged hereby, shall become effective immediately and the assessment rolls filed after the next taxable status date shall show County sewer district assessments and taxes on the basis of such revised District, and taxes levied on such rolls shall be based thereon, but any sewer district tax or assessment levied on any valid assessment rolls in effect prior to the next taxable status date, on any parcel affected by the revisions made by this Act, shall continue valid as such or as a tax lien, until paid and the amount paid shall be credited to the sewer district in which such parcel was assessed on the role on which said tax is levied.

§ 4. The County Executive or his authorized designee be and hereby is authorized and empowered to execute any and all instruments and to take all action necessary and appropriate to accomplish the purposes hereof.

§ 5. This Act shall take effect immediately.

STATE OF NEW YORK)
)
WESTCHESTER COUNTY) ss.

I HEREBY CERTIFY that I have compared the foregoing Act, Act No. 3 - 2026, with the original on file in my office, and that the same is a correct transcript therefrom, and of the whole, of the said original Act, which was duly adopted by the County Board of Legislators, of the County of Westchester on February 9, 2026, and approved by the County Executive on February 10, 2026.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Corporate Seal of said County Board of Legislators on this 12th day of February, 2026.

Malika Vanderberg

The Clerk of the Westchester County
Board of Legislators

County of Westchester, New York
