**RESOLUTION**

On motion of Trustee Fleisig, seconded by Trustee Merton the following Resolution was duly adopted:

**24:26 RESOLUTION IN SUPPORT OF COUNTYWIDE ACTION ON GASOLINE-POWERED LEAF BLOWERS**

**WHEREAS,** gasoline-powered leaf blowers contribute to air pollution, noise pollution, and public-health impacts affecting residents and landscaping workers; and

**WHEREAS,** thirty-three of the forty-seven municipalities in Westchester County currently restrict the use of gasoline-powered leaf blowers during the summer months; and

**WHEREAS,** enforcement of municipal restrictions has proven challenging, and the existing patchwork of local regulations creates confusion for residents and landscaping companies operating across multiple jurisdictions; and

**WHEREAS,** effective countywide action on this issue requires clear and explicit municipal support due to New York State's home-rule framework; and

**WHEREAS,** a coordinated countywide approach would strengthen enforcement, simplify compliance for landscapers, reduce environmental and public-health impacts, and improve quality of life for Westchester residents; now, therefore, be it

**RESOLVED,** that the Village Board of Trustees of the Village of Hastings-on-Hudson expresses its support for Westchester County to adopt a **countywide summer ban on gasoline-powered leaf blowers as a minimum standard**; and be it further

**RESOLVED,** that such a countywide standard should **explicitly preserve the authority of municipalities** to enact and enforce stricter local regulations if they choose; and be it further

**RESOLVED,** that the Village Clerk is authorized to transmit this resolution, or a letter reflecting this position, to Westchester County officials and any relevant county departments.
