

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$1,000,000 to finance capital project RGP13 – General Infrastructure – Equipment Acquisition (2021 – 2025) (“RGP13”). The Bond Act, which was prepared by the law firm Hawkins Delafield & Wood, LLP, will fund the purchase and installation of senior fitness equipment at various County parks.

The Department of Parks, Recreation & Conservation (the “Department”) has advised that for the mature adult population, active aging is a tremendously important key to continued physical and emotional health. Outdoor fitness equipment can offer a wide range of activities that help seniors regain lost agility and increase strength and flexibility. In addition, multiple workout stations can promote socialization and increase motivation.

Upon bonding authorization, the Department will evaluate potential locations and work with consultants to determine the equipment that fits the needs of the park users. Once the final determination regarding the location and specific fitness equipment is made, the fitness equipment will be purchased and installed in a phased approach.

Your Honorable Board has previously authorized the County to issue bonds for a prior component of this project as described in the annexed fact sheet.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project has been classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.

(b) the provisions of law which should be complied with at the date of the publication of this Act or a summary hereof, are not substantially complied with, and an action, suit or proceeding contesting such validity, is commenced within twenty days after the date of such publication, or

(c) such obligations are authorized in violation of the provisions of the Constitution.

Section 8. This Act shall take effect in accordance with Section 107.71 of the Westchester County Charter.
