

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a bond act (the "Bond Act") in the amount of \$3,000,000, which, if approved, would authorize the County of Westchester ("County") to finance Capital Project SNY20 – Relocation of Hastings Forcemain, North Yonkers Sewer District ("SNY20"). The Bond Act, which was prepared by the law firm of Norton Rose Fulbright, is required to finance the cost of construction associated with the relocation of approximately 270 LF of 8" sewer force main that needs to be relocated west of its existing location near the Metro North train station in the Village of Hastings-on-Hudson, due to expansion of the train station platform over the existing forcemain.

The Department of Environmental Facilities (the "Department") has advised that Metro North Railroad has expanded their station platform adjacent to this forcemain and, as a result, the Department cannot reach this pipe in its present location to perform repairs, maintenance, or rehabilitation. The existing forcemain will remain in place and be used as a temporary bypass, if needed. The work will include excavation and trenching, milling and paving, backfilling, and the installation of new piping and valves.

Your Committee is advised that design is currently underway and is expected to be completed by the 3rd quarter of 2021. Construction is estimated to take six (6) months to complete and will begin after award and execution of the construction contracts. The design work is being completed by consultants.

It should be noted that your Honorable Board has previously authorized the County to issue bonds to finance a prior component of this project as detailed in the attached fact sheet.

The Planning Department has advised that, based on its review, the above capital project is a "Type II" action under the State Environmental Quality Review Act ("SEQRA"), and its implementing regulations, 6 NYCRR Part 617, which is an action determined not to have a significant effect on the environment and therefore does not require further environmental review. Your Committee has reviewed the annexed SEQRA documentation prepared by the Planning Department and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Amended Bond Act.

The Commissioner of Finance is hereby authorized to enter into such agreements as said

Commissioner of Finance shall determine reasonable and necessary to facilitate the issuance, sale, resale and, or repurchase of such bonds or notes pursuant to the provisions of Section 54.90 of the Local Finance Law. Such bonds and, or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Commissioner of Finance.

Section 9. Such notes shall be of such terms, form and contents as may be prescribed by said Commissioner of Finance consistent with the provisions of the Local Finance Law.

Section 11. The intent of this Bond Act is to give the Commissioner of Finance sufficient authority to execute those applications, agreements, instruments or to do any similar acts necessary to effect the issuance of the aforesaid serial bonds and, or notes without resorting to further action of this Board of Legislators.

Section 12. All other matters, except as provided herein relating to such bonds, including determining whether to issue such bonds having substantially level or declining annual debt service and all matters related thereto, prescribing whether manual or facsimile signatures shall appear on said bonds, prescribing the method for the recording of ownership of said bonds, appointing the fiscal agent or agents for said bonds, providing for the printing and delivery of said

It is hereby determined that it is to the financial advantage of the County not to impose and collect from registered owners of such bonds any charges for mailing, shipping and insuring bonds transferred or exchanged by the fiscal agent, and, accordingly, pursuant to paragraph c of Section 70.00 of the Local Finance Law, no such charges shall be so collected by the fiscal agent. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals in addition to those required by Section 52.00 of the Local Finance Law, as the Commissioner of Finance shall determine.
