

ACT 217 - 2025
(BOND) ACT 218 - 2025

Reference SY009

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester ("County") of an act, which, if adopted, will amend the County's current-year capital budget ("Capital Budget Amendment"), as well as adoption of a related bond act (the "Bond Act"), in the amount of \$70,000,000, to finance a component of capital project SY009 – Yonkers Joint Treatment Plant Odor Control and HVAC Upgrades ("SY009").

Your Committee is advised that the proposed Capital Budget Amendment will amend the County's current-year capital budget by increasing the amount of County shares for SY009 by \$51,603,000 and by reducing the amount of non-County shares by \$6,203,000, for a total net increase in appropriations for SY009 of \$45,400,000. The Department of Environmental Facilities (the "Department") has advised that the Capital Budget Amendment is necessary to fund Phase IVB construction, as the cost estimate has exceeded its original amount due to the Department now having a clearer understanding of the necessary effort required to adequately address odor control issues and minimize impact to the extent possible to the surrounding community.

The Bond Act, prepared by the law firm of Norton Rose Fulbright, in the total amount of \$70,000,000, would fund construction and construction management associated with Phase IVB of the Yonkers Joint Water Resource Recovery Facility ("YJWRRF") Odor Control and HVAC Upgrades project. Work under Phase IVB will include, but not be limited to, influent screening improvements by replacing the existing influent bar screens with screens that have smaller spacing between bars and replacement of the screening conveyor, installation of new energy efficient magnetic turbo blowers, replacement of the existing digester waste gas flare with a new high efficiency flare, and additional odor control for the primary tanks.

The Department has advised your Committee that prior HVAC and odor control studies of the YJWRRF recommended replacement and upgrade of various HVAC and odor control equipment and related systems which were installed in 1979 and have been operated beyond their useful life.

Your Committee is advised that following bonding authorization, construction will be scheduled and is estimated to take twenty-four (24) months to complete and will begin after award and execution of the construction contracts.

Your Committee notes that your Honorable Board has previously authorized bonding in connection with prior phases of SY009 as set forth in the attached fact sheet.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

As your Honorable Board may know, Section 167.131 of the Laws of Westchester County mandates that a capital budget amendment that introduces a new capital project or changes the location, size or character of an existing capital project be accompanied to the Board of Legislators by a report of the Westchester County Planning Board (the “Planning Board”) with respect to the physical planning aspects of the project. The Planning Department has advised that the Planning Board has previously reviewed this project and issued a report, and that since there is no change in the scope of the work and this is simply a change in the financing plan, no further action by the Planning Board is necessary at this time.

Your Committee has carefully considered the proposed Capital Budget Amendment, as well as the related Bond Act, and recommends approval of both of the proposed Acts, noting that the Bond Act may only be enacted following adoption of the Capital Budget Amendment. It should also be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to amend the County’s Capital Budget and to adopt the Bond Act.

ACT No. 217 - 2025

An Act amending the 2025 County
Capital Budget Appropriations for
Capital Project SY009 YONKERS
JOINT TREATMENT PLANT ODOR
CONTROL AND HVAC UPGRADES

BE IT ENACTED by the Board of Legislators of the County of Westchester as follows:

Section 1. The Capital section of the 2025 County Budget is hereby amended as follows:

	Previous 2025 Appropriation	Change	Revised 2025 Appropriation
I. Appropriation	\$78,685,000	\$45,400,000	\$124,085,000

Section 2. The estimated method of financing in the Capital Section of the 2025 Westchester County Capital Budget is amended as follows:

II. METHOD OF
FINANCING

Bonds and/or Notes	\$72,482,000	\$51,603,000	\$124,085,000
Non County Shares	\$6,203,000	-\$6,203,000	\$0
Cash	\$0		\$0
Total	\$78,685,000	\$45,400,000	\$124,085,000

Section 3. The ACT shall take effect immediately.

ACT NO. 218 - 2025

BOND ACT DATED October 20, 2025.

A BOND ACT AUTHORIZING THE ISSUANCE OF \$70,000,000 BONDS OF THE COUNTY OF WESTCHESTER, NEW YORK, TO PAY THE CONSTRUCTION MANAGEMENT AND CONSTRUCTION COSTS OF REPLACEMENT OF THE HEATING, VENTILATION, AND AIR CONDITIONING EQUIPMENT AND ODOR CONTROL EQUIPMENT AND GAS FLARING SYSTEMS AT THE YONKERS JOINT WATER RESOURCE RECOVERY FACILITY, FOR THE BENEFIT OF THE COUNTY'S SOUTH YONKERS, BRONX VALLEY, CENTRAL YONKERS, HUTCHINSON VALLEY, NORTH YONKERS, SAW MILL AND UPPER BRONX SANITARY SEWER DISTRICTS.

WHEREAS, the capital project hereinafter described has been duly approved in the adopted capital budget for the current fiscal year; and

WHEREAS, the plan for the financing of the estimated maximum cost of such capital project, as hereinafter set forth in this Bond Act, is in conformity with such capital budget; and

WHEREAS, all conditions precedent to the financing of the capital project hereinafter described, including compliance with the provisions of the State Environmental Quality Review Act to the extent required, have been performed; and

WHEREAS, it is now desired to authorize the financing of the cost of such capital project;
NOW, THEREFORE,

BE IT ENACTED, by the Board of Legislators of the County of Westchester, New York, by the affirmative vote of not less than two thirds of the entire voting strength thereof, as follows:

Section 1. For paying construction and construction management costs of the replacement of heating, ventilation and air conditioning equipment, odor control equipment and gas flaring systems at the Yonkers Joint Water Resource Recovery Facility, including incidental expenses in connection therewith (constituting Phase IVB), a class of objects or purposes, for the benefit of the County's South Yonkers, Bronx Valley, Central Yonkers, Hutchinson Valley, North Yonkers, Saw Mill and Upper Bronx Sanitary Sewer Districts, in and for the County of Westchester,

New York, there are hereby authorized to be issued \$70,000,000 bonds of said County pursuant to the provisions of the Local Finance Law. To the extent that the details of the aforesaid class of objects or purposes set forth in this act are inconsistent with any details set forth in the current Capital Budget of the County, such Budget shall be deemed and is hereby amended to the extent inconsistent herewith.

Section 2. It is hereby determined that the estimated maximum cost of the aforesaid class of objects or purposes is \$70,000,000, and that the plan for the financing thereof is by the issuance of the \$70,000,000 bonds of said County authorized to be issued pursuant to this Bond Act. If grant monies are received for the aforesaid class of objects or purposes (currently expected in the amount of \$6,203,000), the same may be expended in lieu of the proceeds of obligations authorized hereunder and the amount of the bonds to be issued shall be reduced accordingly. The aggregate amount to be expended for the aforesaid class of objects or purposes shall not exceed the estimated maximum cost thereof, as the same may be amended from time to time.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid class of objects or purposes is thirty years pursuant to subdivision four of paragraph a of Section 11.00 of the Local Finance Law.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Commissioner of Finance, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Commissioner of Finance, consistent with the provisions of the Local Finance Law.

Section 5. The faith and credit of the County of Westchester, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. To

the extent not paid from the assessment of properties assessable for this purpose in the County's South Yonkers, Bronx Valley, Central Yonkers, Hutchinson Valley, North Yonkers, Saw Mill and Upper Bronx Sanitary Sewer Districts, or other sources, there shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 6. Such bonds shall be in fully registered form and shall be signed in the name of the County of Westchester, New York, by the manual or facsimile signature of the Commissioner of Finance and a facsimile of the corporate seal shall be imprinted or impressed thereon and may be attested by the manual or facsimile signature of the County Clerk.

Section 7. The powers and duties of advertising such bonds for sale, conducting the sale and awarding the bonds, are hereby delegated to the Commissioner of Finance, who shall advertise such bonds for sale, conduct the sale, and award the bonds in such manner as said Commissioner of Finance shall deem best for the interests of the County; including, but not limited to, the power to sell said bonds to the New York State Environmental Facilities Corporation; provided, however, that in the exercise of these delegated powers, the Commissioner of Finance shall comply fully with the provisions of the Local Finance Law and any order or rule of the State Comptroller applicable to the sale of municipal bonds. The receipt of the Commissioner of Finance shall be a full acquittance to the purchaser of such bonds, who shall not be obliged to see to the application of the purchase money.

Section 8. The Commissioner of Finance is hereby further delegated the power to authorize the sale and issuance of the bonds authorized pursuant to this Bond Act (a) at a discount in the manner authorized by paragraphs e and f of Section 57.00 of the Local Finance Law, (b) at private sale pursuant to the applicable provisions of the Local Finance Law and any regulations of the New York State Comptroller appertaining thereto, including the private sale of bonds at a premium, (c) as capital appreciation bonds or term bonds at public sale or private sale pursuant to the applicable provisions of the Local Finance Law and any regulations of the New York State

Comptroller appertaining thereto, and (d) at a variable rate of interest in the manner authorized by Section 54.90 of the Local Finance Law, including notes issued in anticipation thereof. The Commissioner of Finance is hereby authorized to enter into such agreements as said Commissioner of Finance shall determine reasonable and necessary to facilitate the issuance, sale, resale and, or repurchase of such bonds or notes pursuant to the provisions of Section 54.90 of the Local Finance Law. Such bonds and, or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Commissioner of Finance.

Section 9. The power to issue and sell notes to the New York State Environmental Facilities Corporation pursuant to Section 169.00 of the Local Finance Law is hereby delegated to the Commissioner of Finance. Such notes shall be of such terms, form and contents as may be prescribed by said Commissioner of Finance consistent with the provisions of the Local Finance Law.

Section 10. The Commissioner of Finance is hereby further authorized, at the Commissioner's sole discretion, to execute a project financing and loan agreement, and any other agreements with the New York State Department of Environmental Conservation and/or the New York State Environmental Facilities Corporation, including amendments thereto, and including any instruments (or amendments thereto) in the effectuation thereof, in order to effect the financing or refinancing of the class of objects or purposes described in Section 1 hereof, or a portion thereof, by a bond, and, or note issue of said County in the event of the sale of same to the New York State Environmental Facilities Corporation.

Section 11. The intent of this Bond Act is to give the Commissioner of Finance sufficient authority to execute those applications, agreements, instruments or to do any similar acts necessary to effect the issuance of the aforesaid bonds and, or notes without resorting to further action of this Board of Legislators.

Section 12. All other matters, except as provided herein relating to such bonds, including determining whether to issue such bonds having substantially level or declining annual debt service and all matters related thereto, prescribing whether manual or facsimile signatures shall appear on

said bonds, prescribing the method for the recording of ownership of said bonds, appointing the fiscal agent or agents for said bonds, providing for the printing and delivery of said bonds (and if said bonds are to be executed in the name of the County by the facsimile signature of the Commissioner of Finance, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, denominations, maturities and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Commissioner of Finance. It is hereby determined that it is to the financial advantage of the County not to impose and collect from registered owners of such bonds any charges for mailing, shipping and insuring bonds transferred or exchanged by the fiscal agent, and, accordingly, pursuant to paragraph c of Section 70.00 of the Local Finance Law, no such charges shall be so collected by the fiscal agent. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals in addition to those required by Section 52.00 of the Local Finance Law, as the Commissioner of Finance shall determine.

Section 13. The validity of such bonds and bond anticipation notes may be contested only if:

- (1) Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- (2) The provisions of law which should be complied with at the date of publication of this Bond Act are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
- (3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 14. This Bond Act shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150 - 2. Other than as specified in this Bond Act, no monies are, or

are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 15. This Bond Act, which shall take effect immediately in accordance with the provisions of Section 33.10 of the Local Finance Law and as provided in Section 107.71 of the Westchester County Charter, shall be published in summary form in the official newspaper of said County for purposes of this Bond Act, together with a notice of the Clerk of the Board of Legislators in substantially the form provided in Section 81.00 of the Local Finance Law.

| ☐ County Staff | ☒ Consultant | ☐ Not Applicable |
|---------------------------------------|--|---|

Comments:

This bonding authorization request also includes a 2025 Capital Budget Amendment ("CBA") to reflect additional funds needed for Phase IVB, as well as to modify the Non-County shares of \$6.203 million for Phase IV currently underway.

The 2025 CBA is requested to fund the Phase IVB construction as the cost estimate has exceeded the original estimate due to a clearer understanding of the necessary effort required to adequately address odor control issues and minimize impact to the extent possible to the surrounding community. In order to properly mitigate odors from permeating, the proposed work consists of, Primary Sedimentation Tank odor control improvements, Headworks influent screening improvements, Process Air Blower system improvements, and Waste Gas Burner system improvements. An additional \$45.4 million is being requested as a 2025 CBA bringing the total bond act request to \$70 million.

The 2025 CBA request also removes previously programmed Non-County shares funding of \$6.203 million. These funds represent an anticipated grant from the New York State Environmental Facilities Corporation (NYS EFC) applicable to Phase 4 currently underway. It has since been determined that NYS EFC financing requirements dictate the grant recipient to secure upfront financing for the entire project cost, with the total grant amount reimbursed pending project completion. The grant portion will then be "bought in" to the project, with a CBA and amending bond act decreasing the County's share in the capital budget and reducing the bond act by \$6.203 million. The additional funds are shown in "Under Review."

Energy Efficiencies:

THE NEW AND UPGRADED EQUIPMENT IS EXPECTED TO PERFORM WITH IMPROVED ENERGY EFFICIENCY.
