Re: An Act authorizing the County of Westchester (the "County") to compromise its claim to be reimbursed for health care expenditures and wage benefits paid to or on behalf of a County employee from a settlement of her legal action against a third-party tortfeasor.

Dear Honorable Members of the Board:

Attached for your consideration is an Act which, if approved, would authorize the County of Westchester (the "County") to compromise its claim to be reimbursed for health care expenditures and wage benefits paid to or on behalf of a County employee, identified as "D.O.," from the settlement of her legal action against a third-party tortfeasor. Consistent with prior practice in similar cases, I have deleted the name of the employee to protect the individual's privacy. The name, of course, will be disclosed to the Board of Legislators if that is desired.

When an individual is injured in the course of his or her employment, the County's self-insured Workers' Compensation program, administered by Triad Group, LLC, provides medical and lost wage benefits in accordance with NYS Workers' Compensation Law. If the individual is injured as a result of some alleged tortious act or omission of a third party, the County pays for the immediate health care for the insured, subject to the right to be reimbursed if the insured recovers in a settlement with or legal action against a third party. The employee is entitled to compensation and medical benefits under the NYS Workers' Compensation Law. Section 29 of the NYS Workers' Compensation Law entitles the County to a lien against the proceeds of any recovery from the third party liable for the injury, after the deduction of the reasonable and necessary expenditures—including attorney's fees incurred in effecting such recovery—to the extent of the amount of compensation and medical benefits awarded or provided under NYS Workers' Compensation Law.

Accordingly, I seek authorization to compromise the following claim:

On July 2, 2018, D.O., an employee in the Westchester County Department of Social Services (the "Department") with the title of Supervisor of Case Work, was on foot as a pedestrian traversing the intersection of Martin Luther King Jr. Blvd. and Quarropas Street in White Plains, New York when she was struck by motor vehicle that was operated by Brian T. Connolly, an independent contractor employed by the City of White Plains. As a result of the accident, D.O. sustained injuries to neck, both wrists, both shoulders, left hip, right knee, and back. D.O. also sustained a concussion, post-traumatic stress disorder, and pain disorder. Said injuries required surgery for an ACL reconstruction with lateral meniscectomy, synovectomy, and chondroplasty on D.O.'s right knee. D.O. was out of work for thirty-five (35) weeks and six (6) days.

D.O. filed a claim for her injury with the NYS Workers' Compensation Board, which was uncontroverted. On a parallel track to her Workers' Compensation claim, D.O. retained counsel and commenced a personal injury action against The City of White Plains and Brian T. Connolly. D.O.'s counsel is Matthew A. Schroeder of BERNSTONE AND GRIECO, LLP. located at 295 Madison Avenue, 25th Floor, New York, NY 10017.

On or about October 13, 2022, D.O. agreed in principle to settle her personal injury claim after commencement of litigation for one million two hundred thousand and 00/100 dollars (\$1,200,000.00), pending the consent of the County. In connection with the proposed settlement, D.O.'s counsel notified this Office that his costs and disbursements and legal fee totals four hundred eighteen thousand nine hundred forty-five and 56/100 dollars (\$418,945.56).

Between the date of the accident and the date of the proposed settlement, the County expended medical benefits pursuant to the NYS Workers' Compensation Law ("WCL") to or on D.O.'s behalf in the amount of eighty-nine thousand twenty-six and 01/100 dollars (\$89,026.01) and indemnity (lost wage) benefits in the amount of thirty-two thousand ninety-one and 84/100 dollars (\$32,091.84) for a total expenditure of one hundred twenty-one thousand one hundred seventeen and 85/100 dollars (\$121,117.85). However, because D.O.'s injury was sustained in an automobile accident, the County's lien must be reduced by fifty thousand and 00/100 dollars (\$50,000.00) in lieu of first party no-fault benefits. Accordingly, the County's net lien for compensation and medical benefits in this matter is seventy-one thousand one hundred seven and 85/100 dollars (\$71,117.85)

Based upon a review of the facts and circumstances of this matter, this Office seeks the authority to compromise the County's claim for reimbursement by reducing its lien by 34.92%, equaling a dollar reduction of twenty-four thousand eight hundred thirty-four and 35/100 dollars (\$24,834.35). The County would thereafter accept in satisfaction of its present lien a total of forty-six thousand two hundred eighty-three and 50/100 dollars (\$46,283.50). After the County is reimbursed and counsel fees are paid, D.O. would receive seven hundred thirty-four thousand seven hundred seventy and 94/100 dollars (\$734,770.94).

I therefore recommend passage of the accompanying Act.

Re: An Act authorizing the County of Westchester (the “County”) to compromise its claim to be reimbursed for health care expenditures and wage benefits paid to or on behalf of a County employee from a settlement of his legal action against a third-party tortfeasor.

Dear Honorable Members of the Board:

Attached for your consideration is an Act which, if approved, would authorize the County of Westchester (the “County”) to compromise its claim to be reimbursed for health care expenditures and wage benefits paid to or on behalf of a County employee, identified as “L.C.,” from the settlement of his legal action against a third-party tortfeasor. Consistent with prior practice in similar cases, I have deleted the name of the employee to protect the individual’s privacy. The name, of course, will be disclosed to the Board of Legislators if that is desired.

When an individual is injured in the course of his or her employment, the County’s self-insured Workers’ Compensation program, administered by Triad Group, LLC, provides medical and lost wage benefits in accordance with NYS Workers’ Compensation Law. If the individual is injured as a result of some alleged tortious act or omission of a third party, the County pays for the immediate health care for the insured, subject to the right to be reimbursed if the insured recovers in a settlement with or legal action against a third party. The employee is entitled to compensation and medical benefits under the NYS Workers’ Compensation Law. Section 29 of the NYS Workers’ Compensation Law entitles the County to a lien against the proceeds of any recovery from the third party liable for the injury, after the deduction of the reasonable and necessary expenditures—including attorney’s fees incurred in effecting such recovery—to the extent of the amount of compensation and medical benefits awarded or provided under NYS Workers’ Compensation Law.

Accordingly, I seek authorization to compromise the following claim:

On February 17, 2021, L.C.—a Senior Social Case Worker in the Westchester County Department of Social Services (“DSS”)—conducted a home visit in Mount Kisco. After completing the visit, at around noon, he fell down the home’s front steps. In his fall, L.C. injured the left side of his back.

L.C. filed a claim for his injury with the NYS Workers' Compensation Board, which was uncontroverted. On a parallel track to his Workers' Compensation claim, L.C. retained counsel and commenced a personal injury action against the owners of the property where he fell (the "Property Owners"). L.C. is represented in that action by LAW OFFICES OF MICHAEL S. LAMONSOFF, P.L.L.C., Financial Square at 32 Old Slip – 8th Floor, New York, NY 10005. The Property Owners are represented by Miranda Slone Sklarin Verveniotis LLP, 570 Taxter Road, Suite 695, Elmsford, NY 10523.

On or about February 10, 2023, L.C. agreed in principle to settle his personal injury claim after commencement of litigation for thirty-three thousand nine hundred one and 27/100 dollars (\$33,901.27), pending the consent of the County. In connection with the proposed settlement, L.C.'s counsel notified this Office that his costs, disbursements, and legal fee total eleven thousand eight hundred six and 37/100 dollars (\$11,806.37).

Between the date of the accident and the date of the proposed settlement, the County expended medical benefits pursuant to the NYS Workers' Compensation Law ("WCL") to or on L.C.'s behalf in the amount of five thousand nine hundred eighty-six and 30/100 dollars (\$5,986.30). No indemnity payments were made.

Based upon a review of the facts and circumstances of this matter, this Office seeks the authority to compromise the County's claim for reimbursement by reducing its lien by 34.83%, equaling a dollar reduction of two thousand eighty-five and 03/100 dollars (\$2,085.03). The County would thereafter accept in satisfaction of its present lien a total of three thousand nine hundred one and 27/100 dollars (\$3,901.27). After the County is reimbursed and counsel fees are paid, L.C. would receive eighteen thousand one hundred ninety-three and 63/100 dollars (\$18,193.63).
