

RESOLUTION NO. -2023

RESOLVED, that this Board hold a public hearing pursuant to Section 209.141(4) of the Laws of Westchester County on Local Law Intro No. - 2023 entitled "A LOCAL LAW subject to a permissive referendum to provide for payments of increased compensation for officers appointed for a fixed term and an elective officer (the County Clerk) during their term of office.". The public hearing will be held at_ .m. on the day of ____ , 2023 in the Chambers of the Board of Legislators, 8th Floor, Michaelian Office Building, White Plains, N.Y. The Clerk of the Board shall cause notice of the time and date of such hearing to be published at least once in one or more newspapers published in the County of Westchester and selected by the Clerk of the Board for that purpose in the manner and time required by law.

TO: HONORABLE BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER.

Your Committee is in receipt of the attached "A LOCAL LAW subject to a permissive referendum to provide for payments of increased compensation for officers appointed for a fixed term and an elective officer (the County Clerk) during their term of office."

Your Committee notes that this Honorable Board has before it item number 2023-300, which is an Act amending the County's Pay Plan. Part of that amendment includes increases in salary for unrepresented employees and officers of the County, which includes an elected official (the County Clerk) and termed officers. This amendment does not provide a salary increase for the elected offices of County Executive or County Legislator. Pursuant to both the Laws of Westchester County and the New York Municipal Home Rule Law, these increases are subject to a permissive referendum as they increase the salaries of an elected official (the County Clerk) and termed officers during their term of office. The attached Local Law would set forth the basis for the permissive referendum, to allow those increases to go into effect.

Your Committee is informed that the attached legislation excludes the County Executive as he does not believe it to be appropriate to increase his salary during his term of office.

Your Committee is also informed that the proposed legislation does not meet the definition of an action under New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617. Please refer to the memorandum from the Department of Planning dated January 12, 2023, which is on file with the Clerk of the Board of Legislators. Your Committee concurs in this conclusion.

Your Committee, after careful consideration, recommends the adoption of this Local Law.
