

(BOND) ACT 31 - 2026

Reference A0143

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$25,000,000 to finance capital project A0143 (3120) – Building 1 Upgrades and Rehabilitation (“A0143”). The Bond Act, which was prepared by the law firm Hawkins Delafield & Wood LLP, to finance the will finance the cost of the construction and construction management of improvements to Building 1 at Westchester County Airport (“Airport”).

The Department of Public Works and Transportation (“Department”) has advised that project A0143 will restore Building 1 at the Airport to a safe and functional condition through comprehensive critical system upgrades. These improvements include roof and exterior repairs; replacement of heating, plumbing, electrical, and lighting systems; and the installation of modern fire protection and security systems. Building 1 currently houses the Westchester County Police Airport Precinct, as well as revenue-generating tenants that support aeronautical activities. Rehabilitation of the facility will provide safer, more efficient working conditions for existing occupants and create additional usable space to support other operational needs.

Design is currently in process by an outside consultant, and is expected to be completed by the end of the second quarter of 2026. It is estimated that construction will take twenty-four (24) months to complete and will begin after award and execution of the construction contracts.

The Department of Planning has advised your Committee that based on its review, the authorization of this capital project, A0143, may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (“SEQR”). Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
