

(BOND) ACTS 96, 97, 98 - 2026

Reference RG111 (Unique ID# 3163)

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester ("County") of the following three acts, which were prepared by the law firm Hawkins, Delafield & Wood LLP, in connection with capital project RG111 (3163) General Infrastructure-Parks Dams ("RG111"):

(1) an act, which, if adopted, would authorize the County of Westchester ("County") to rescind, in part, prior Bond Act No. 94-2011, which authorized financing in the amount of \$500,000.00 for design of improvements to the dam at Woodlands Lake at V.E. Macy Park in Irvington ("94-2011 Rescinding Bond Act"). The 94-2011 Rescinding Bond Act is required to rescind \$5,380.64 in unencumbered and unissued RG111 funds, which are deemed repealed pursuant to Local Finance Law Section 41.00(3)(b). The 94-2011 Rescinding Bond Act will leave intact the remaining \$494,619.36 in previously encumbered funds, which will be re-authorized through a separate bond act to continue the project;

(2) an act, which, if adopted, would authorize the County to rescind, in part, prior Bond Act No. 196-2014, which authorized financing in the amount of \$300,000.00 for design of improvements to various dams in Westchester ("196-2014 Rescinding Bond Act"). The 196-2014 Rescinding Bond Act is required to rescind \$17.00 in unencumbered and unissued RG111 funds, which are deemed repealed pursuant to Local Finance Law Section 41.00(3)(b). The 196-2014 Rescinding Bond Act will leave intact the remaining \$299,983.00 in previously encumbered funds, which will be re-authorized through a separate bond act to continue the project; and

(3) a bond act authorizing the issuance of bonds in the amount of \$1,194,602.36 to finance the cost of design in connection with improvements to various dams in the County park system ("Consolidated Bond Act"). This proposed Consolidated Bond Act includes, (i) the \$494,619.36 encumbered funds for RG111 authorized by Bond Act No. 94-2011, (ii) the \$299,983.00 encumbered funds authorized by Bond Act No. 196-2014, and (iii) \$400,000.00 in additional design funding, bringing the total amount authorized for RG111 to \$1,194,602.36.

The Consolidated Bond Act is necessary to consolidate the previously encumbered funds for RG111 with the additional \$400,000.00 in design funding, thereby preserving the availability of such funds and giving the County the ability to amend the Consolidated Bond Act at the time of construction financing to secure a longer period of probable usefulness and amortization period for the project as a whole.

The Department of Parks, Recreation and Conservation (the "Department") has advised that RG111 provides funding to repair and reconstruct existing dams and structures throughout the park system. Maintaining dams is essential to protecting downstream properties. The operation and maintenance of the County's dams is the Department's responsibility. Accordingly, the Department must comply with all applicable rules, regulations, and guidelines of the New York State Department of Environmental Conservation and RG111 is essential to maintaining such compliance.

Following bonding authorization, design will be scheduled and it is estimated that design will take twelve months to complete. It is anticipated that the design work will be completed by a consultant. It is estimated that construction will take twelve months to complete and will begin after award and execution of the construction contracts.

It should be noted that your Honorable Board has previously authorized the County to issue bonds to finance RG111 as indicated in the annexed fact sheet.

The Planning Department has advised your Committee that based on its review, RG111 may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

Your Committee has carefully considered the proposed 94-2011 Rescinding Bond Act and 196-2014 Rescinding Bond Act, as well as the related Consolidated Bond Act, and recommends approval of all the proposed acts.

It should be further noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to amend the County's Capital Budget and to adopt the Amending Bond Act and Consolidated Bond Act.
