Dear Honorable Members of the Board of Legislators:

Transmitted herewith for your review and approval is a bond act ("Bond Act") which, if adopted, would authorize the County of Westchester ("County") to issue bonds in the amount of \$3,500,000.00 to finance the following capital project:

SPC16 (2819) – Port Chester WRRF Secondary Clarifier and Sludge Thickener Equipment Replacement ("SPC16").

The Bond Act, in the amount of \$3,500,000.00, would finance the cost of a study and initiation of design associated with upgrades to the primary settling tanks, secondary clarifiers, sludge thickeners, sludge storage facilities and plant effluent pumps, including all mechanical, plumbing, HVAC, odor control, instrumentation, electrical, controls, structural, architectural systems, and all necessary appurtenances, at the Port Chester Water Resource Recovery Facility ("WRRF").

The Department of Environmental Facilities ("Department") has advised that the Port Chester WRRF has experienced increased flow demand and is nearing the capacity limits for the facility. This project will evaluate future growth projections, determine the needs to meet the anticipated increase in flow demand, and design the project accordingly.

Following bonding authorization, the study and initiation of design will begin and are expected to be completed by December 2027.

Based on the importance of this project to the County, favorable action on the proposed Bond Act is respectfully requested.

Sincerely,

The Department of Environmental Facilities (“Department”) has advised that the Port Chester WRRF has experienced increased flow demand and is nearing the capacity limits for the facility. This project will evaluate future growth projections, determine the needs to meet the anticipated increase in flow demand, and design the project accordingly.

Following bonding authorization, the study and initiation of design will begin and are expected to be completed by December 2027.

The Commissioner of Finance is hereby authorized to enter into such agreements as said Commissioner of Finance shall determine reasonable and necessary to facilitate the issuance, sale, resale and, or repurchase of such bonds or notes pursuant to the provisions of Section 54.90 of the Local Finance Law. Such bonds and, or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Commissioner of Finance.

Section 11. The intent of this Bond Act is to give the Commissioner of Finance sufficient authority to execute those applications, agreements, instruments or to do any similar acts necessary to effect the issuance of the aforesaid bonds and, or notes without resorting to further action of this Board of Legislators.

Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals in addition to those required by Section 52.00 of the Local Finance Law, as the Commissioner of Finance shall determine.
