Dear Honorable Members of the Board of Legislators:

Transmitted herewith for your review and approval is a bond act ("Bond Act") which, if adopted, would authorize the County of Westchester ("County") to issue bonds in the amount of \$1,091,000, to finance the following capital project:

BDA03 – Information Technology (2025-2029) ("BDA03").

The Bond Act, in the amount of \$1,091,000, would fund the purchase, upgrade and maintenance of equipment, software and systems to support the technology needs of the District Attorney's Office at various locations throughout the county.

As the chief law enforcement officer of Westchester County, the Westchester County District Attorney is responsible for the investigation and prosecution of all crimes and offenses committed in the County. This project will enable the District Attorney's Office to carry out this mandate by continuing to allow for the purchase, upgrade and maintenance of equipment, software and systems to support the various District Attorney's Office locations throughout the County. This project includes, but is not limited to, the upgrade of hardware and software for forensics, surveillance, security systems, server and storage equipment, networking equipment, desktops systems, off the shelf and proprietary software applications, peripherals and hand-held devices.

Based on the importance of this project to the County, favorable action on the proposed Bond Act is respectfully requested.

Sincerely,

Kenneth W. Jenkins
Westchester County Executive
