

ACT 50 - 2022

TO: HONORABLE BOARD OF LEGISLATORS  
COUNTY OF WESTCHESTER

The Committee is in receipt of "AN ACT of the Westchester County Board of Legislators electing a cents per gallon rate of sales and compensating use taxes on motor fuel and diesel motor fuel, in lieu of the percentage rate of such taxes, pursuant to the authority of Article 29 of the Tax Law of the State of New York."

Your Committee is aware that gasoline prices have risen precipitously recently, due to a myriad of factors including both inflationary pressures and the war in Ukraine. The average price for a gallon of gas in the State of New York has been over \$4 a gallon for since early March. Due to these rapidly increased prices, the State of New York has suspended or reduced taxes on gasoline beginning on June 1st. The State has also authorized legislation to allow local governments to cap sales and use taxes on gasoline at a specific cents per gallon rate, instead of the variability of a percentage rate.

Your Committee is informed that the enclosed Act utilizes that authority to cap the sales tax on gasoline at a rate equal to the County's sales tax applied to a \$3.00 gallon of gasoline, or 12 cents per gallon, for the period of June 1<sup>st</sup> through August 31<sup>st</sup>. This will help mitigate the impact of high gasoline prices on our residents, who are dealing with high inflationary pressures throughout their lives.

Your Committee has also been informed that the County Executive will be waiving bus fares for the period of June 1<sup>st</sup> through September 6<sup>th</sup>, and that due to state and federal funds, this will have no impact on the County budget. Your Committee encourages this bus fare holiday as it will encourage

the use of public transportation and help out our residents who do not drive or prefer public transportation.

Your Committee is further informed that, in order to have this cap go into effect on June 1, 2022, the County is required to have certified copies of the Act delivered to the New York State Department of Taxation and Finance no later than Monday, May 2, 2022. As such, your Committee believes that it is appropriate to take immediate action on this legislation.

Your Committee is informed that the proposed legislation does not meet the definition of an action under New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617. Please refer to the memorandum from the Department of Planning dated January 14, 2022, which is on file with the Clerk of the Board of Legislators. Your Committee concurs in this conclusion.

Your Committee believes that passing this Act will provide needed relief to residents of Westchester County. The Committee, after careful consideration, recommends the adoption of this Act.
