Westchester County Board of Legislators  
800 Michaelian Office Building  
White Plains, New York 10601

Honorable Members of the Board of Legislators:

Transmitted herewith for your consideration and approval is an Act which, if adopted, would: 1) authorize the County of Westchester ("County") to submit an application to the United States Department of Housing and Urban Development ("HUD") for approximately \$5,525,000 in grant funds from three (3) federal sources: the Community Development Block Grant ("CDBG") Program, the HOME Investment Partnerships Program ("HOME") and the Emergency Solutions Grants Program ("ESG") (together the "Programs"); 2) authorize the County to submit to HUD an amendment to the Fiscal Years 2019-2023 Consolidated Plan ("Consolidated Plan") to include an Action Plan for Fiscal Year 2023; and 3) authorize the County to accept and receive the aforesaid grant funds for the purpose of the housing and community development program. A copy of the amendment to the Consolidated Plan to include the Fiscal Year 2023 Action Plan and a separate listing of projects and locations is annexed hereto for your Honorable Board's review.

Your Honorable Board will recall that Act Nos. 2018-86 and 2021-114 authorized the County to enter into cooperation agreements with any and all Westchester County communities for the purpose of a housing and community development program pursuant to the Housing and Community Development Act of 1974, as amended ("Agreements"). These Agreements qualified the participating municipalities to receive funds from the aforementioned Programs during Fiscal Years 2019-2021 (commencing May 1, 2019 and ending May 1, 2021) and Fiscal Years 2022-2024 (commencing May 1, 2022 and ending April 30, 2025), respectively.

I have been advised that prior to the submission of project applications to the County for Fiscal Year 2023, each local municipality held hearings for public comment. These applications were then reviewed in detail, and the Plan was developed by the County, in consultation with members of the County Planning Board, the Westchester Urban County Council and the Community Development Advisory Group.

The Federal award will provide approximately \$4,100,000 from CDBG, \$1,100,000 from HOME and \$325,000 from ESG, subject to the approval of a 2023 appropriations bill by the U.S. Congress.

I have been further advised that the County Planning Board, by Resolution No. 23-2, adopted on February 7, 2023, has recommended approval of the amendment to the Consolidated Plan to include the Fiscal Year 2023 Action Plan. A copy of Resolution No. 23-2 is annexed for your Honorable Board's information.

As your Honorable Board is aware, no action may be taken with regard to the proposed legislation until the requirements of the New York State Environmental Quality Review ("SEQR") Act, which requires your Honorable Board to comply with the regulations promulgated thereunder (6 NYCRR Part 617) have been met. The Department of Planning ("Planning") has advised that, based on its review, these actions may be classified as Type II actions pursuant to Sections 617.5(c)(2), and 617.5(c)(26). Therefore, no further action is required by your Honorable Board. As you know, your Honorable Board may use such expert advice to make its own conclusion.

I have been further advised that in past years, the County has received a total of approximately \$246 million of non-repayable federal funding for the housing and community development program to assist with projects such as housing rehabilitation, neighborhood preservation, public improvements in designated target areas, and a complete array of community development activities on behalf of the municipalities participating in these Programs.

Based upon the importance of the housing and community development program, I respectfully request your Honorable Board's approval of the annexed Act.

Sincerely,

A handwritten signature in cursive script, appearing to read "George Latimer".

Therefore, no additional action is required of your Honorable Board. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.
