

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a bond act (the “Bond Act”) in the amount of \$470,000, which, if approved, would authorize the County of Westchester (the “County”), to finance a component of Capital Project BSS21 - Infrastructure Improvements to Shelter Facilities - Coachman Family Center (2025 - 2029).

Your Committee is advised that this project funds a multi-year cycle of infrastructure improvements at the Coachman Family Center in White Plains. The Bond Act, prepared by the law firm of Hawkins Delafield & Wood, LLP, would finance the cost of design of new boilers for the building.

The Department of Social Services (the “Department”) has advised that the existing boilers at the Coachman are past their useful life and are in need of replacement. The new boilers will be more energy efficient, thus reducing operating costs.

Your Committee is advised that following bonding authorization, design will be scheduled and is estimated to take three (3) months to complete and will be performed by outside consultants and in house staff. Construction is estimated to take six (6) months to complete and will begin after award and execution of construction contracts, subject to your Honorable Board’s approval of construction funding.

Your Committee notes that your Honorable Board has previously authorized bonding in connection with prior components of project BSS21 as described on the attached fact sheet.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act.

For the reasons set forth above, your Committee most respectfully recommends the adoption of the proposed Bond Act.
