JOURABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER

Your Committee is in receipt of a communication from the County Executive recommending the approval of an Act which would authorize the County of Westchester ("County"), acting by and through the Westchester County Youth Bureau ("Youth Bureau"), to enter into inter-municipal agreements ("IMAs") with the cities of Mount Vernon, New Rochelle, Ossining, Peekskill, Port Chester, Yonkers and White Plains, through their respective youth bureaus, and the Town of Greenburgh, acting by and through its community center ("Municipalities"), pursuant to which the Municipalities will provide summer youth employment and training services to eligible Westchester youth for a term commencing retroactively on July 1, 2023 and continuing through September 30, 2023 in a total aggregate not-to-exceed amount of \$129,176.00, payable as invoiced and in accordance with an approved budget. It is anticipated that the County will pay each municipality an amount not to exceed \$16,147.00 under their respective IMAs.

Your Committee is advised that the Youth Bureau has been awarded a grant in the amount of \$150,000.00 from New York Presbyterian Hospital ("NYP") to provide eligible Westchester youth from the Municipalities with an opportunity to explore career paths, increase their employability skills, and earn income that may contribute to their basic needs such as food, clothing, and school supplies ("Program"). The objective of the Program is to provide youth between the ages 16-24 from families with low to moderate incomes, with a six-week comprehensive program that will provide initial introductions to the workplace and help youth to acquire and enhance transferable, employability skills.

Your Committee notes that in addition to the IMAs, the County will also enter into a contract with the Boys and Girls Club of Northern Westchester ("BGCNW") pursuant to which BGCNW will provide summer youth employment and training services funded by the balance of the NYP grant. Approval for the BGCNW contract and for the grant agreement will be requested for authorization from the County's Board of Acquisition & Contract.

Your Committee further notes that the Youth Bureau plans to use the balance of the grant funds received to hold a County-wide event for the Youth participating in the Summer Youth Employment Programs.

The procurement of Program is exempt from the requirements of the Westchester County Procurement Policy and Procedures pursuant to Section 3(a) xviii of said Policy.

The Planning Department has advised that the proposed action does not meet the definition of an "action" under the State Environmental Quality Review Act ("SEQR"), and its implementing regulations, 6 NYCRR, Part 617. Please refer to the Memorandum from the Department of Planning dated January 12, 2023, which is on file with the clerk of your Honorable Board. Therefore, no environmental review is required. Your Committee concurs with this recommendation.

Your Committee has been advised that the passage of the attached Act requires an affirmative vote of a majority of the members of your Honorable Board.

Your Committee has been advised that adoption of the proposed legislation is necessary to effectively carry out this worthwhile program. Accordingly, after due consideration, your Committee recommends adoption of the annexed legislation.

INTERMUNICIPAL AGREEMENT

THIS	INTER	MUNICIPAL	AGREEMENT	("Agreement"),	made	the	·	day	of
	, 20_	, by and bety	ween:						

THE COUNTY OF WESTCHESTER, a municipal corporation of the State of New York, having an office and place of business in the Michaelian Office Building, 148 Martine Avenue, White Plains, New York 10601, (hereinafter referred to as the "County"),

MUNICIPALITY, a municipal corporation of the State of New York, having an office and place of business at address (hereinafter referred to as the "Municipality").

WITNESSETH:

WHEREAS, the County, through the Youth Bureau, has been awarded a grant from The New York and Presbyterian Hospital (the "Hospital") to provide a summer youth employment and training program for eligible youth from Westchester County; and

WHEREAS, the County desires to enter into a contract with the Municipality to provide said services; and

WHEREAS, the Municipality desires to provide such services.

NOW, THEREFORE, in consideration of the terms and conditions herein contained, the parties do agree as follows:

FIRST: The Municipality shall operate a summer youth employment and training program for eligible Westchester youth between the ages 16-24 from families with low to moderate incomes, as more particularly described in Schedule "A", which is attached hereto and made a part hereof (hereinafter the "Work"). The Municipality shall ensure that the Work and all services provided for hereunder shall conform in every respect to all applicable Federal, State and local laws, rules, regulations and ordinances and shall be performed to the complete satisfaction of the Executive Director of the Westchester County Youth Bureau (the "Executive Director").

SECOND: The term of this Agreement shall commence on July 1, 2023 and shall continue through September 30, 2023 unless terminated earlier pursuant to the provisions of this Agreement.

The Municipality shall report to the County on its progress toward completing the Work, as the Westchester County Youth Bureau Executive Director or his/her duly authorized designee (the "Director") may request, and shall immediately inform the Director in writing of any cause for delay in the performance of its obligations under this Agreement.

THIRD: For the Work to be performed pursuant to Paragraph "FIRST", the Municipality shall be paid an amount not to exceed Sixteen Thousand One Hundred Forty-Seven Dollars (\$16,147.00), payable quarterly, pursuant to the budget attached hereto and made a part hereof as Schedule "B,". Except as otherwise expressly stated in this Agreement, no payment shall be made by the County to the Municipality for out-of-pocket expenses or disbursements made in connection with the Work to be performed hereunder.

Payment under this Agreement shall be made after submission by the Municipality of an invoice, which shall be uniquely numbered, and paid only after approval of the invoice by the Director. In no event shall payment be made to the Municipality prior to completion of all Work and the approval of same by the Director.

The Municipality shall, at no additional charge, furnish all labor, services, materials, tools, equipment and other appliances necessary to complete the Work, unless specific additional charges are expressly permitted under this Agreement. It is recognized and understood that even if specific additional charges are expressly permitted under this Agreement, in no event shall total payment to the Municipality exceed the not-to-exceed amount set forth above.

The Municipality expressly represents that the Budget lists true and anticipated costs of personnel and other costs of service to be rendered by the Municipality in performing the Work. In the event that actual operating expenses may exceed anticipated expenses detailed in the Budget, the Municipality will submit a written request for budget modification and the County will respond in writing to such request within sixty (60) days. Such budget modification request must be approved and authorized prior to expenditure by the Municipality. Nothing herein shall be construed as requiring the County to approve a budget modification request or as consent to the Municipality's reduction of services if such consent is not granted. The Municipality is solely responsible for any over-expenditure or improper expenditure relating to this Agreement and the County assumes no responsibility for any over-expenditure or improper expenditure of the money provided to the Municipality hereunder.

Conversely, in the event that actual operating expenses may be less than the anticipated expenses detailed in the Budget, the Municipality shall submit a written request for budget modification and the County will respond in writing to such request within sixty (60) days. If the County determines that the unneeded funds may be utilized by the Municipality for other approved reimbursable Work purposes, the County shall consider a budget modification to reallocate the unneeded funds to other Work purposes. Nothing herein shall be construed as requiring the County to approve a budget modification request or as consent to the Municipality's reallocation of funds to other Work purposes if such consent is not expressly granted. Such budget modification request must be approved and authorized prior to expenditure by the Municipality.

FOURTH: The Municipality agrees to procure and maintain insurance naming the County as additional insured, as provided and described in Schedule "C," entitled "Standard Insurance Provisions," which is attached hereto and made a part hereof. In addition to, and not in limitation of the insurance provisions contained in Schedule "C," the Municipality agrees:

- (a) that except for the amount, if any, of damage contributed to, caused by, or resulting from the sole negligence of the County, the Municipality shall indemnify and hold harmless the County, its officers, employees and agents from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorney's fees or loss arising directly or indirectly out of the performance or failure to perform hereunder by the Municipality or third parties under the direction or control of the Municipality; and
- (b) to provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of this Agreement and to bear all other costs and expenses related thereto; and
- (c) in the event the Municipality does not provide the above defense and indemnification to the County, and such refusal or denial to provide the above defense and indemnification is found to be in breach of this provision, then the Municipality shall reimburse the County's reasonable attorney's fees incurred in connection with enforcing this provision of the Agreement.
- **<u>FIFTH</u>**: (a) The County reserves the right to cancel this Agreement upon thirty (30) days prior written notice to the Municipality when it deems it to be in its best interests to do so. In such

event, the Municipality shall be compensated and the County shall be liable only for payment for services already rendered under this Agreement prior to the effective date of termination at the rates specified in Schedule "B."

In the event of a dispute as to the value of the services rendered by the Municipality prior to the date of termination, it is understood and agreed that the County shall determine the value of such services rendered by the Municipality. Such reasonable and good faith determination shall be accepted by the Municipality as final.

(b) In the event the County determines that there has been a material breach by the Municipality of any of the terms of the Agreement and such breach remains uncured for ten (10) days after service on the Municipality of written notice thereof, the County, in addition to any other right or remedy it might have, may terminate this Agreement and the County shall have the right, power and authority to complete the services provided for in this Agreement, or contract for their completion, and any additional expense or cost of such completion shall be charged to and paid by the Municipality. Notice hereunder shall be effective on the date of receipt.

<u>SIXTH</u>: The Agreement shall not be enforceable unless signed by the parties and approved by the Office of the County Attorney.

SEVENTH: The parties recognize and acknowledge that the obligations of the County under this Agreement are subject to annual appropriations by its Board of Legislators pursuant to the Laws of Westchester County. Therefore, this Agreement shall be deemed executory only to the extent of the monies appropriated and available. The County shall have no liability under this Agreement beyond funds appropriated and available for payment pursuant to this Agreement. The parties understand and intend that the obligation of the County hereunder shall constitute a current expense of the County and shall not in any way be construed to be a debt of the County in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the County, nor shall anything contained in this Agreement constitute a pledge of the general tax revenues, funds or moneys of the County. The County shall pay amounts due under this Agreement exclusively from legally available funds appropriated for this purpose. The County shall retain the right, upon the occurrence of the adoption of any County Budget by its Board of Legislators during the term of this Agreement or any

amendments thereto, and for a reasonable period of time after such adoption(s), to conduct an analysis of the impacts of any such County Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates set forth herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

This Agreement is also subject to further financial analysis of the impact of any New York State Budget (the "State Budget") proposed and adopted during the term of this Agreement. The County shall retain the right, upon the occurrence of any release by the Governor of a proposed State Budget and/or the adoption of a State Budget or any amendments thereto, and for a reasonable period of time after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

It shall not be released, discharged, changed or modified except by an instrument in writing signed by a duly authorized representative of each of the parties.

<u>TENTH</u>: This Agreement is entered into solely between, and may be enforced only by, the County and the Municipality and shall not be deemed to create any rights in third parties, or to create any obligations of a party to any such third parties.

ELEVENTH: The Municipality shall not delegate any duties or assign any of its rights under this Agreement without the prior express written consent of the County. The Municipality shall not subcontract any part of the Work without the express written consent of the County, subject to any necessary legal approvals. Any purported delegation of duties, assignment of rights or subcontracting of Work under this Agreement without the prior express written consent of the County is void. All subcontracts that have received such prior written consent shall provide that subcontractors are subject to all terms and conditions set forth in this Agreement. TWELVETH: The Municipality expressly agrees that neither it nor any contractor, subcontractor, employee, or any other person acting on its behalf shall discriminate against or intimidate any employee or other individual on the basis of race, creed, religion, color, gender, age, national origin, ethnicity, alienage or citizenship status, disability, marital status, sexual orientation, familial status, genetic predisposition or carrier status during the term of or in connection with this

Agreement, as those terms may be defined in Chapter 700 of the Laws of Westchester County. The Municipality acknowledges and understands that the County maintains a zero tolerance policy prohibiting all forms of harassment or discrimination against its employees by co-workers, supervisors, vendors, contractors, or others.
