

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$500,000 to finance capital project T0072 – Cerrato Bus Garage – Infrastructure and Site Improvements, Valhalla (2024-2028) (“T0072”). The Bond Act, which was prepared by the law firm Harris Beach, will finance the cost of planning for infrastructure and site improvements to the County’s Cerrato Bus Garage in Valhalla, including removal of underground gas, oil, anti-freeze storage tanks and rehabilitation to the parking lot, including drainage, lighting and upgrade of detention ponds.

The Department of Public Works and Transportation (“Department”) has advised that the above noted equipment and facilities are approaching the end of their useful life and are in need of replacement.

Following bonding authorization, design will be scheduled and is anticipated to take four to six months to complete. It is anticipated that the design work will be completed by consultants. It is estimated that construction will take four to six months to complete and will begin after award and execution of the construction contracts.

The Planning Department has advised your Committee that based on its review, T0072 may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
