**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval of a bond act (the “Bond Act”) in the total aggregate amount of \$7,865,000 to authorize the County of Westchester (the “County”) to finance the following eight capital projects for 2022:

- BDA02 – Information Technology (2020-2024),
- BIT6D – Purchase of Computer Equipment (2021-2025),
- BIT3C – Desk Systems (2017-2021),
- BIT45 – Building Access Control and Video Surveillance Systems Upgrade,
- BIT47 – Network and Security Infrastructure Upgrades (2020-2024),
- BIT49 – Police Record Management System Upgrade,
- BIT53 – Business Continuity and Disaster Recovery, and
- BIT54 – Critical Communication Logging System Replacement 2021-2025.

The Bond Act, in the total amount of \$7,865,000, was prepared by the law firm Harris Beach and would authorize the County to issue bonds to finance the acquisition of equipment and furnishings for various departments for the above-referenced capital projects.

It should be noted that the County Budget Department is submitting this Bond Act to your Honorable Board simultaneously with the proposed 2022 Capital Budget. It is the County’s goal to submit this Bond Act now so that the referenced projects will be ready to proceed without delay in early 2022. In addition, please note that the proposed Bond Act authorizes financing for like objects or purposes in connection with multiple capital projects. It is hoped that by combining projects that have the same objects and purposes into a single bond act, the County can dramatically reduce the amount of bond legislation that your Honorable Board would be required to review, thereby expediting the approval process and avoiding backlogs.

The Planning Department has advised your Committee that based on its review, the above-referenced capital projects have been classified as Type "II" actions pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
