WESTCHESTER
COUNTY

Overview of the Taxi and Limousine Commission

The Westchester County Taxi & Limousine Commission (WCTLC) is responsible for overseeing the licensing and regulation of the for-hire industry in Westchester County. Its mission is to ensure safe and quality livery services for the riding public. The Commission is comprised of 11 members appointed by the County Executive and the Board of Legislators. The Chairperson/Chief Executive Officer is responsible for overseeing day-to-day operations and managing support staff. The Commission issues for-hire permits to drivers, vehicle owners and base station owners who have satisfied the Commission's application requirements which include drug test screening and criminal and driving history background checks.

The Department of Public Safety (DPS) is responsible for carrying out the Commission's enforcement. DPS police officers conduct safety and compliance checks, investigate complaints, assist with applicant screening, conduct prom safety details and patrol the roadways to ensure compliance with the County's For-Hire Vehicle Law and the Commission's Rules and Regulations. One important component of WCTLC enforcement is combating unlicensed for-hire activity which poses a significant risk to the public because unlicensed operators have unknown criminal backgrounds and driving histories and often lack for-hire liability insurance which leaves passengers with no recourse through insurance in

the event of an accident. WCTLC tickets issued by DPS police officers are heard at the Commission's administrative tribunal where fines and other penalties can be assessed by Administrative Law Judges. DPS police officers also assist the Commission with the recovery of outstanding fines through the Commission's Immobilization Program which allows for the immobilization of vehicles operated in the County where the vehicle's owner or operator has failed to pay outstanding fines owed to the Commission.

During prom season, WCTLC partners with the Office of Drug Abuse Prevention & Stop-DWI, DPS enforcement staff and area schools in a joint effort to ensure that Westchester students travel to prom

safely. This annual initiative includes setting up prom safety checkpoints near some of the County's most popular event venues. These dual purpose checkpoints are staffed by DPS police officers and administrative staff who stop vehicles that are headed to prom to ensure that students are not in possession of alcohol or illegal substances. For prom rides that are arranged through a car service, DPS police officers

also inspect driver and vehicle credentials to ensure that both are licensed by the Commission or another appropriate regulatory body. These checkpoints help ensure the safety of prom students and also help to combat illegal car service operators who take business away from licensed companies.

The Commission has also partnered with local governments and municipalities that have taken advantage of WCTLG's shared-service process for the licensing of taxi drivers. Through this program, driver applicants who wish to operate vehicles licensed by a local municipality are required to obtain a driver permit from WCTLG instead of the municipality. Local benefits include cost savings, decreased liability and passenger safety. To date, municipal taxi driver licensing by the WCTLG is utilized in the following municipalities: Bedford, Croton-on-Hudson, Dobbs Ferry, Irvington, Mt. Pleasant, Pleasantville, Port Chester, Tarrytown and Tuckahoe. WCTLG also shares reciprocity with other New York State jurisdictions including, New York City, Nassau County and Suffolk County.
