

BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER

Your Committee is in receipt of a proposed Act which, if enacted by your Board, would authorize the County of Westchester (the "County") to compromise its claim to be reimbursed for healthcare and wage benefits paid to or on behalf of a County employee, identified as "K.O." Consistent with prior practice in similar cases, the County Attorney has deleted the name of the employee to protect the individual's privacy. The name, of course, will be disclosed to the Board of Legislators if that is desired.

On June 11, 2019, K.O., an employee in the Westchester County Department of Parks, Recreation and Conservation (the "Department") fell down some steps at the Westchester Hills Golf Course located at 401 Ridgeway, White Plains, NY 10605. As a result of the accident, K.O. sustained injuries to her left hip and left leg and missed six weeks of work. She is currently back at work in full capacity.

K.O. filed a claim for her injury with the NYS Workers' Compensation Board, which was uncontroverted. On a parallel track to her Workers' Compensation claim, K.O. retained counsel in advance of commencing a personal injury action against Westchester Hills Golf Club, Inc. K.O.'s counsel is Kenneth A. Pryor, Esq. of THE PRYOR LAW FIRM, LLC, 666 Old County Road, Suite 305, Garden City, NY 11530.

On or about February 12, 2021, K.O. agreed in principle to settle her personal injury claim before litigation for one hundred twenty-five thousand and 00/100 dollars (\$125,000.00), pending the consent of the County. In connection with the proposed settlement, K.O.'s counsel notified this Office that he is waiving his costs and disbursements and that his legal fee totals forty-one thousand six hundred sixty-two and 50/100 dollars (\$41,662.50).

Between the date of the accident and the date of the proposed settlement, the County expended medical benefits pursuant to the NYS Workers' Compensation Law ("WCL") to or on K.O.'s behalf in the amount of fifteen thousand eight hundred twelve and 02/100 dollars (\$15,812.02) and indemnity (lost wage) benefits in the amount of sixteen thousand six hundred fifty-four and 68/100 dollars (\$16,654.68) for a total expenditure of thirty-two thousand four hundred sixty-six and 70/100 dollars (\$32,466.70).

Based upon a review of the facts and circumstances of this matter, this Office seeks the authority to compromise the County's claim for reimbursement by reducing its lien by 33.33%, equaling a dollar reduction of ten thousand eight hundred twenty-one and 15/100 dollars (\$10,821.15). The County would thereafter accept in satisfaction of its present lien a total of twenty-one thousand six hundred forty-five and 55/100 dollars (\$21,645.55). After the County is reimbursed and counsel fees are paid, K.O. would receive sixty-one thousand six hundred ninety-one and 95/100 (\$61,691.95).

Your Committee has carefully considered the matter and recommends authorizing the County Attorney, pursuant to Section 158.11 of the Westchester County Charter, to compromise the County's right to be reimbursed for health care and wage benefits paid to or on behalf of K.O. from the settlement of her legal action against a third-party tortfeasor. An affirmative vote of a majority of the Board is required to pass this legislation.
