

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$750,000 to finance capital project T0074 – White Plains TransCenter III (“T0074”). The Bond Act, which was prepared by the law firm Harris Beach, will finance the cost of planning for the improvements to the White Plains TransCenter.

The Department of Public Works and Transportation (“Department”) has advised that the White Plains TransCenter is a major BeeLine bus hub adjacent to the White Plains Metro North train station. The facility is in need of updating and improvements.

Following bonding authorization, design will be scheduled and is anticipated to take twelve months to complete. It is anticipated that the design work will be completed by consultants. It is estimated that construction will take twelve to eighteen months to complete and will begin after award and execution of the construction contracts.

The Planning Department has advised your Committee that based on its review, T0074 may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
