

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the County Executive recommending approval of an Act which, if approved, would authorize the County of Westchester (“County”) acting by and through its Department of Emergency Services (the “Department”) to enter into an intermunicipal agreement (“IMA”) with Fairview Fire District (“Fire District”), pursuant to which the County will grant a lease to the Fire District to use the County’s Weapons of Mass Destruction (“WMD”) Squad vehicle (the “WMD Vehicle”) to respond to hazardous material incidents pursuant to the County’s Fire Mutual Aid Plan (the “Plan”).

The term of the proposed IMA is five (5) years, commencing retroactively on January 1, 2025 and expiring on December 31, 2029, with either party having the right to terminate the IMA on thirty (30) days prior written notice.

The Fire District participates in WMD Squad 6 as part of the Plan. The WMD Squad 6 serves as an additional hazardous materials response resource in Westchester County.

In consideration for being permitted to use the WMD Vehicle, the Fire District will agree to pay the County the sum of (\$1.00) dollar per annum. In addition, the Fire District will agree to use the WMD Vehicle in connection with responding to hazardous materials incidents pursuant to the Plan in Westchester County.

The Fire District shall only be permitted to use the WMD Vehicle for training exercises and in responding to mutual aid requests involving hazardous materials pursuant to the terms of the Plan.

The Fire District shall ensure that only qualified and certified firefighters, who are properly trained and licensed, operate and utilize the WMD Vehicle. In addition, each firefighter who

operates the WMD Vehicle shall be pre-cleared by the County Office of Risk Management as a qualified motor vehicle operator prior to the firefighter operating the WMD Vehicle. Also, each firefighter who operates the WMD Vehicle shall complete all forms and provide all information required by the County Office of Risk Management.

When not in use, the Fire District shall store the WMD Vehicle at one of its two fire houses located at 19 Rosemont Boulevard, White Plains, New York 10607 and / or 290 Worthington Road, White Plains, New York 10607.

The WMD Vehicle must be made immediately available to the County in the event of an emergency as determined by the Department's Commissioner in her/his sole discretion.

The goals and objectives of this proposed IMA is to enable the Department to respond to hazardous material incidents thereby helping the County and the Fire District better respond to mutual aid events involving hazardous materials.

The Department has further advised that the County shall retain ownership of the WMD Vehicle, and shall be responsible for the maintenance and repair of the WMD Vehicle.

The proposed IMA does not meet the definition of an action under New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617. (b) The Fire District shall use the WMD Vehicle for training exercises and in responding to mutual aid requests involving hazardous materials pursuant to the terms of the Plan. No other authorized use of the WMD Vehicle is permitted, absent any further written notice by the Commissioner of the Department, or his/her authorized designee (the "Commissioner").

(collectively, the "Properties").

The Fire District shall protect the WMD Vehicle from weather and like elements by housing it inside one of the fire houses bays located at one of the Properties. The County understands that the Fire District, from time to time, may need to park the WMD Vehicle outside the fire house bays located on one of the Properties, however, the Fire District will use best efforts to limit the amount of time that the WMD Vehicle is parked outside.

(c) Under the supervision of the County, the Fire District shall relocate the hazardous materials decontamination equipment currently located in a trailer at the Fairview Fire District Station 2, into the WMD Vehicle. The Parties acknowledge that the Parties will be entering into a separate agreement regarding the hazardous materials decontamination equipment, which shall include an inventory of said equipment that will be stored in the WMD Vehicle, subject to receiving all necessary legal approvals.

(d) The County makes no warranties of any kind, either directly or indirectly, express or implied, as to the condition of the WMD Vehicle or any part thereof, including but not limited to, the WMD Vehicle durability, merchantability or fitness for any particular purpose, except that the County warrants that it has title to the WMD Vehicle. The WMD Vehicle shall be tendered and accepted in its present "as is" condition.

(e) The Fire District agrees and shall ensure that only qualified and certified firefighters, who are properly trained and licensed, operate and utilize the WMD Vehicle (collectively, the "Firefighter Operators" and individually the "Firefighter Operator"), in accordance with the terms of this Agreement and all applicable requirements and laws.

(f) Each Firefighter Operator shall be pre-cleared by the County Office of Risk Management as a qualified motor vehicle operator prior to the Firefighter Operator being authorized by the County to operate the WMD Vehicle, and shall comply with all requirements established by the County's Director of Risk Management. The Fire District shall provide each Firefighter Operator with a copy of the Manual, and a copy of the Manual shall remain in the WMD Vehicle at all times.

The Fire District shall notify all Firefighter Operators that use of the WMD Vehicle in violation of the terms and conditions of the Manual will result in the immediate suspension of such Firefighter Operator’s privilege to drive the WMD Vehicle and appropriate disciplinary action. In the event the Fire District learns of unauthorized use of the WMD Vehicle by its Firefighter Operator, the Fire District shall promptly take appropriate disciplinary action against such firefighter to enforce the Manual. Lack of timely enforcement of the Manual by the Fire District will be grounds for termination of this Agreement by the County.

(i) The Fire District shall verify that each Firefighter Operator has fulfilled all training requirements in accordance with all federal, state and County requirements, and applicable laws and regulations.

(j) The Fire District shall provide the Commissioner with a written list of Firefighter Operators who have complied with (f), (g) and (h) above and provide the Commissioner with any information or documentation that may be reasonably requested by the Commissioner (the “List”). 2. Emergency use by County: Notwithstanding anything herein to the contrary, the WMD Vehicle must be made immediately available to the County in the event of an emergency. The existence of an emergency shall be determined by the Commissioner in her sole discretion and shall include, but not be limited to, riots, floods and transportation strikes, natural disasters, wherever they may occur. In the event the Fire District is answering a call which requires the use of the WMD Vehicle and it is during the time the Commissioner has determined an emergency exists requiring the return of the WMD Vehicle to the County, the Fire District agrees to use its best efforts to return the WMD Vehicle to the County in a prompt and timely fashion and in so doing shall notify the Commissioner of the anticipated time of return.

3. Term: The term of this Agreement shall commence retroactively on January 1, 2025, and expire on December 31, 2029 (the "Term"), unless terminated sooner as hereinafter provided.

4. Termination: (a) In the event Fire District defaults in the performance of any term, condition or covenant herein contained, the County at its option and in addition to any other remedy it may have to seek damages, judicial enforcement or other lawful remedy, may terminate this Agreement upon ten (10) days written notice to the Fire District provided however, that the Fire District may defeat such termination notice by curing the default complained of within such notice period or, if not within such notice period, by promptly commencing to correct the default and diligently pursuing all necessary and appropriate action to

affect such cure. Upon a second default by Fire District, the County at its option and in addition to any other remedy it may have to seek damages, judicial enforcement or any other lawful remedy, may terminate this Agreement upon written notice to Fire District.

(b) Either Party shall have the right to terminate this Agreement, in whole or in part, upon thirty (30) days written notice to the other, when it deems termination to be in its best interest.

Immediately upon expiration or termination of this Agreement, the Fire District shall, at its sole cost and expense, at the request of the County, deliver possession of the WMD Vehicle to the County at any location within the County as the County may designate whereupon the Fire District shall affect such delivery within twenty-four (24) hours of receipt of such designation in writing from the County to the Fire District. For the purpose of delivering possession of the WMD Vehicle, in working condition and available for the County's use, to the County as above required, the Fire District shall, at its own expense and cost:

- (i) remove all of its own personal property from the WMD Vehicle, in a timely fashion, prior to the County taking possession. Any personal property of the Fire District, its officers, employees, agents, independent contractors and/or subcontractors, not removed by the Fire District upon expiration or termination or after notice by the County to so remove, shall be deemed to be abandoned and may be removed and disposed of by the County, at the sole cost of the Fire District, provided that the County shall have no affirmative obligation to remove such property; and

The County shall have the right to recover from the Fire District any damages and expenses in addition thereto, including reasonable attorneys' fees, which the County shall have sustained by reason of the breach of any covenant of this Agreement, and the Fire District waives all claims against the County with respect to such taking of possession.

5. Consideration: In consideration for the right to use the WMD Vehicle pursuant to this lease, the Fire District agrees to pay the County the sum of (\$1.00) dollar per annum of the Term. As additional consideration for this lease, the Fire District agrees to use the WMD Vehicle in connection to responding to hazardous materials incidents pursuant to the Plan. No payment shall be made by the County to the Fire District for out-of-pocket expenses or disbursements made in connection with this Agreement.

6. Title: The County will maintain all right, title and interest to the WMD Vehicle. The County shall cause the WMD Vehicle to be delivered to the Fire District within ten (10) days of execution of this Agreement. The Fire District agrees that it shall not transfer the WMD Vehicle.

Maintenance & Repair: (a) The Fire District, at its sole cost and expense, shall (i) keep the Properties and the fixtures and equipment thereon clean, safe and in good order, and (ii) make all repairs necessary to keep the Properties in a clean, safe and good condition. In addition, Fire District, at its sole cost and expense, shall be responsible to keep the area where the WMD Vehicle is located free of snow, ice, dirt, rubbish, and/or any other obstacles.

(b) The County shall be responsible for the maintenance and repair of the WMD Vehicle and its equipment provided the maintenance or repair arises out of the normal use of the WMD Vehicle and not as a result of the Fire District's misuse. In the event the maintenance or repair,

or alteration is due to the Fire District's misuse, as the reasonable and good faith determination of the Commissioner, the Fire District shall be responsible to perform the maintenance or repair of the WMD Vehicle and return it to a condition similar to that in which it was received by the Fire District at the commencement of this Agreement.

No work to the WMD Vehicle shall be authorized unless the Fire District provides written notice to the Commissioner and the Fire District receives written confirmation from the Commissioner approving the work to be undertaken.

In the event of a dispute regarding maintenance or alteration or repairs of the WMD Vehicle, the reasonable and good faith determination of the Commissioner shall be final.

(f) The County shall be responsible for the payments for any charges, inspection fees, or other costs, including gross receipts taxes, highway use taxes, or vehicle excise taxes imposed upon the WMD Vehicle or the operation thereof, whether such taxes, charges, fees or other costs are levied against the Fire District or the County. In addition, the County shall pay all expenses, including titling, in connection with the use and operation of the WMD Vehicle during the term

of this Agreement including, but not limited to, fuel, oil, grease, repairs, maintenance, or other expenses thereof. The Fire District shall schedule with the Commissioner and bring the WMD Vehicle to the County at a time and location designated by the Commissioner for inspection, repair, maintenance, and fueling.

The Fire District waives any and all claims against the County with respect to such taking of possession and agrees to remit to the County the cost of any repairs within thirty (30) days of receipt of a County claim therefor.

(n) Fire District shall not make any claims against the County whatsoever by reason of damage or loss of the WMD Vehicle or any part(s) thereof, or by reason of any interruption, from whatever cause, in the use, operation or possession of the WMD Vehicle or any part(s) thereof.

STANDARD INSURANCE PROVISIONS **(Fire District)**

1. Prior to commencing work, and throughout the term of the Agreement, the Fire District shall obtain at its own cost and expense the required insurance as delineated below from insurance companies licensed in the State of New York, carrying a Best's financial rating of A or better. The Fire District shall provide evidence of such insurance to the County of Westchester ("County"), either by providing a copy of policies and/or certificates as may be required and approved by the Director of Risk Management of the County ("Director"). The policies or certificates thereof shall provide that ten (10) days prior to cancellation or material change in the policy, notices of same shall be given to the Director either by overnight mail or personal delivery for all of the following stated insurance policies. All notices shall name the Fire District and identify the Agreement.

If at any time any of the policies required herein shall be or become unsatisfactory to the Director, as to form or substance, or if a company issuing any such policy shall be or become unsatisfactory to the Director, the Fire District shall upon notice to that effect from the County, promptly obtain a new policy, and submit the policy or the certificate as requested by the Director to the Office of Risk Management of the County for approval by the Director. Upon failure of the Fire District to furnish, deliver and maintain such insurance, the Agreement, at the election of the County, may be declared suspended, discontinued or terminated.

Failure of the Fire District to take out, maintain, or the taking out or maintenance of any required insurance, shall not relieve the Fire District from any liability under the Agreement, nor shall the insurance requirements be construed to conflict with or otherwise limit the contractual obligations of the Fire District concerning indemnification.

All property losses shall be made payable to the "County of Westchester" and adjusted with the appropriate County personnel.

In the event that claims, for which the County may be liable, in excess of the insured amounts provided herein are filed by reason of the Fire District's negligent acts or omissions under the Agreement or by virtue of the provisions of the labor law or other statute or any other reason, the amount of excess of such claims or any portion thereof, may be withheld from payment due or to become due the Fire District until such time as the Fire District shall furnish such additional security covering such claims in form satisfactory to the Director.

In the event of any loss, if the Fire District maintains broader coverage and/or higher limits than the minimums identified herein, the County shall be entitled to the broader coverage and/or higher limits maintained by the Fire District. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

2 The Fire District shall provide proof of the following coverage (if additional coverage is required for a specific agreement, those requirements will be described in the Agreement):

Location of operation shall be "All locations in Westchester County, New York."

Where an applicant claims to not be required to carry either a Workers' Compensation Policy or Disability Benefits Policy, or both, the employer must complete NYS form CE-200, available to download at: <http://www.wcb.ny.gov>.

If the employer is self-insured for Workers' Compensation, he/she should present a certificate from the New York State Worker's Compensation Board evidencing that fact (Either SI-12, Certificate of Workers' Compensation Self-Insurance, or GSI-105.2, Certificate of Participation in Workers' Compensation Group Self-Insurance).

- b) Commercial General Liability Insurance with a combined single limit of \$1,000,000 (c.s.l) per occurrence and a \$2,000,000 aggregate limit naming the "County of Westchester" as an additional insured on a primary and non-contributory basis. This insurance shall include the following coverages:
