

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval of a bond act ("Bond Act") in the amount of \$2,100,000, to authorize the County of Westchester ("County") to finance capital project A0142 – U.S. Customs and Border Protection Facility and West Side Deicing Ramp ("A0142") for 2024.

Your Committee is advised that the Bond Act, prepared by the law firm of Hawkins Delafield & Wood, LLP, would fund design and environmental planning associated with an independent U.S. Customs and Border Protection ("CBP") General Aviation Facility ("GAF") that meets Federal standards and a deicing ramp on the west side of the County Airport (the "Airport").

The Department of Public Works and Transportation has advised that the GAF will increase security and improve operations for both the Airport and CBP. The deicing ramp will centralize west side deicing operations in order to increase environmental stewardship and minimize the County exceeding the limitations of its State Pollutant Discharge Elimination System permit.

Following bonding authorization, design and environmental planning will be scheduled and is anticipated to take 12-15 months to complete and will be performed by a consultant. Construction is estimated to be phased and may take up to five (5) years and will begin after award and execution of the construction contracts, subject to your Honorable Board's further approval of construction funding.

Your Committee is advised that that the County Budget Department is submitting this Bond Act to your Honorable Board simultaneously with the proposed 2024 Capital Budget. It is the County's goal to submit this Bond Act now so that the referenced project will be ready to proceed without delay in early 2024.

The Planning Department has advised your Committee that based on its review, the above referenced capital project may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no

environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of this Honorable Board is required in order to adopt the Bond Act.

Your Committee has carefully considered the proposed Bond Act, and recommends approval of same.
