

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$350,000 to finance capital project T0056 – Bus Stop Improvements II (“T0056”). The Bond Act, which was prepared by the law firm Hawkins, Delafield & Wood, will finance a portion of the cost of construction of bus stop improvements throughout the County, including the rehabilitation of curbs, sidewalks, and pads at bus stops for the Department of Public Works and Transportation (“Department”).

The Department has advised that many bus stops serving the Bee-Line bus system are in need of enhancement and/or updates. The Department anticipates receiving an additional \$400,000 in Federal Transit Administration funds in connection with T0056, for a total anticipated project cost of \$750,000.

Following bonding authorization, design will be scheduled and is anticipated to take six months to complete. It is anticipated that the design work will be completed by consultants. It is estimated that construction will take six months to complete and will begin after award and execution of the construction contracts.

It should be noted that the County Budget Department is submitting this Bond Act to your Honorable Board simultaneously with the proposed 2022 Capital Budget. It is the County’s goal to submit this Bond Act now so that the referenced projects will be ready to proceed without delay in early 2022.

The Planning Department has advised your Committee that based on its review, T0056 has been classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.

(Adopted 12/07, 2021)

BE IT ENACTED BY THE COUNTY BOARD OF LEGISLATORS OF THE COUNTY OF WESTCHESTER, NEW YORK (by the affirmative vote of not less than two-thirds of the voting strength of said Board), AS FOLLOWS:

Section 1. Pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (the "Law"), the Westchester County Administrative Code, being Chapter 852 of the Laws of 1948, as amended, and to the provisions of other laws applicable thereto; \$350,000 bonds of the County, or so much thereof as may be necessary, are hereby authorized to be issued to finance a portion of the cost of the construction of bus stop improvements throughout the County, including the rehabilitation of curbs, sidewalks, and pads at bus stops for the Department of Transportation, all as set forth in the County's Current Year Capital Budget, as amended. To the extent that the details set forth in this act are inconsistent with any details set forth in the Current Year Capital Budget of the County,

such Budget shall be deemed and is hereby amended. The estimated total cost of said class of objects or purposes, including preliminary costs and costs incidental thereto and the financing thereof is \$750,000. The plan of financing includes the expenditure of \$400,000 in grant funds expected to be received from the United States of America and the issuance of \$350,000 bonds herein authorized; and any bond anticipation notes issued in anticipation of the sale of such bonds and the levy of a tax to pay the principal of and interest on said bonds and notes.

Section 2. The period of probable usefulness of the class of objects or purposes for which said \$350,000 bonds authorized by this Act are to be issued, within the limitations of Section 11.00 a.24 of the Law, is ten (10) years;

Section 3. Current funds are not required to be provided as a down payment pursuant to Section 107.00 d. 9. of the Law prior to issuance of the bonds authorized herein, or any bond anticipation notes issued in anticipation of the sale of such bonds. The County intends to finance, on an interim basis, the costs or a portion of the costs of said improvements for which bonds are herein authorized, which costs are reasonably expected to be reimbursed with the proceeds of debt to be incurred by the County, pursuant to this Act, in the total amount of \$350,000. This Act is a declaration of official intent adopted pursuant to the requirements of Treasury Regulation Section 1.150-2.

Section 4. The estimate of \$750,000 as the estimated total cost of the aforesaid class of objects or purposes is hereby approved.

Section 5. Subject to the provisions of this Act and of the Law, and pursuant to the provisions of §30.00 relative to the authorization of the issuance of bond anticipation notes or the renewals thereof, and of §§50.00, 56.00 to 60.00 and 168.00 of said Law, the powers and duties of the County Board of Legislators relative to authorizing the issuance of any notes in anticipation

of the sale of the bonds herein authorized, or the renewals thereof, relative to providing for substantially level or declining annual debt service, relative to prescribing the terms, form and contents and as to the sale and issuance of the respective amounts of bonds herein authorized, and of any notes issued in anticipation of the sale of said bonds or the renewals of said notes, and relative to executing agreements for credit enhancement, are hereby delegated to the Commissioner of Finance of the County, as the chief fiscal officer of the County.

Section 6. Each of the bonds authorized by this Act and any bond anticipation notes issued in anticipation of the sale thereof shall contain the recital of validity prescribed by §52.00 of said Local Finance Law and said bonds and any notes issued in anticipation of said bonds shall be general obligations of the County of Westchester, payable as to both principal and interest by general tax upon all the taxable real property within the County. The faith and credit of the County are hereby irrevocably pledged to the punctual payment of the principal of and interest on said bonds and any notes issued in anticipation of the sale of said bonds or the renewals of said notes, and provision shall be made annually in the budgets of the County by appropriation for (a) the amortization and redemption of the notes and bonds to mature in such year and (b) the payment of interest to be due and payable in such year.

Section 7. The validity of the bonds authorized by this Act and of any notes issued in anticipation of the sale of said bonds, may be contested only if:

(a) such obligations are authorized for an object or purpose for which the County is not authorized to expend money, or

(b) the provisions of law which should be complied with at the date of the publication of this Act or a summary hereof, are not substantially complied with,

and an action, suit or proceeding contesting such validity, is commenced within twenty days after the date of such publication, or

(c) such obligations are authorized in violation of the provisions of the Constitution.

Section 8. This Act shall take effect not earlier than January 1, 2022 and in accordance with Section 107.71 of the Westchester County Charter.
