Re: Acceptance of a Gift from The Friends of Muscoot, Inc., valued at approximately \$35,725.00.

Please be advised that, in accordance with Chapter 209.101(11) of the Laws of Westchester County, I have accepted a gift from The Friends of Muscoot, Inc. consisting of two (2) accessible hayride wagons, together with ancillary equipment necessary for their operation, and three (3) sets of steps, valued at approximately \$35,725.00, as further described in the letter provided by The Friends of Muscoot, Inc. A copy of the letter, along with a copy of my written consent to accept the gift, is on file with the Clerk of the County Board. These donations will be used by the County to help make Muscoot Farm more accessible for those with mobility issues and to enhance the accessibility of programs offered at the Farm.

Acceptance of these gifts requires no expenditure of County capital or non-recurring funds to house or make these items operative.
