Westchester County Board of Legislators  
800 Michaelian Office Building  
148 Martine Avenue  
White Plains, New York 10601

Dear Honorable Members of the Board of Legislators:

Transmitted herewith for your review and approval is an act (the "Act") which, if adopted by your Honorable Board, would authorize the County of Westchester (the "County"), acting by and through its Department of Senior Programs and Services (the "Department"), to enter into grant agreements (the "Grant Agreements") with the New York State Office for the Aging ("NYSOFA") to accept grant funds made available to the County under Titles III-B, III-C & the Nutrition Services Incentive Program ("NSIP"), III-D, and III-E of the Older Americans Act ("OAA"), in the total aggregate not-to-exceed amounts set forth below. The Grant Agreements will be for a term commencing retroactive to January 1, 2021 and continuing through December 31, 2021, except for the grant agreement for NSIP which will commence retroactive to October 1, 2020 and continue through September 30, 2021. Additionally, authority is requested for the County to enter into inter-municipal agreements ("IMAs") with the municipalities listed in Exhibit "A", attached to the Act (the "Municipalities"), for services to be funded with the grants received from NYSOFA under the Grant Agreements in the total aggregate not-to-exceed amounts set forth below, for terms corresponding to the term of each grant.

**Grant Amounts**

Title III-B	Title III-C & NSIP	Title III-D	Title III-E
\$1,069,441	\$2,050,995	\$63,246	\$549,167

**IMAs**

Title III-B	Title III-C & NSIP	Title III-D	Title III-E
\$290,486	\$1,463,874	\$0	\$0

The services to be provided under the IMAs with the funds received under the OAA for Titles III-B and III-C & NSIP are: (i) nutrition services, such as congregate and home delivered meals; and (ii) nutrition education; equipment; supplies; vehicle expenses; access services such as information and assistance and transportation services, to help seniors remain in their homes and community (the "Services"). It should be noted that no Services will be provided under IMAs with the funds received under the OAA for Titles III-D and III-E. Instead, this funding will be allocated for contracts with non-municipal agencies to provide various services to seniors.

Your Honorable Board is advised that the Department has complied with the Westchester County Procurement Policy and Procedures (the "Policy"), noting that the Grant Agreements with NYSOFA do not constitute a procurement, and that the IMAs are exempt from the Policy pursuant to section 3(a) iii thereof which exempts contracts with ". . . any State and any political subdivision, agency or instrumentality thereof." The IMAs are also exempt pursuant to section 3(a) xix of the Policy which exempts "any procurement for the purpose of entering into a contract with persons to provide direct services to senior citizens."

Notwithstanding that procurement for these services are exempt from the Policy, these Services are funded with Federal grant monies and as such are, pursuant to Section 13 of the Policy, subject to Federal procurement requirements. The Federal procurement regulations (2 CFR§ 200.320), require that contracts in amounts greater than \$10,000 and up to \$250,000, be procured by obtaining price or rate quotations from an adequate number of qualified sources, unless such contracts are deemed to be "non-competitive" procurements. In furtherance of the Federal procurement rules, on November 12, 2020, the Department issued a request for proposal ("RFP") for part of the Services, namely, information and assistance services. Two (2) proposals were received in response to the RFP from the City of New Rochelle and the City of Yonkers. After reviewing the proposals with reference to the evaluation criteria set forth in the RFP, authorization is being requested to award IMAs to both Municipalities for an initial term commencing on January 1, 2021 through December 31, 2021, with four (4) one-year renewal options, exercisable at the County's option. The Department will seek your Honorable Board's approval each year the County chooses to exercise its renewal option. It should be noted that because the remaining Services are being provided directly by the respective Municipalities using their own resources (i.e., senior centers, buses, food service providers, equipment, etc.), these Services constitute non-competitive procurements in accordance with 2 CFR§ 200.320 (f)(1), in that due to the nature and extent of the services being provided, the Services are only available from those single sources.

The Planning Department has advised that based on its review, the proposed agreements with NYSOFA and the proposed IMAs described above do not meet the definition of an "action" under the State Environmental Quality Review Act, 6 NYCRR part 617. Accordingly the Planning Department recommends that no further environmental review is required. As you know, your Honorable Board may use such expert advice to make its own conclusion.

The proposed Grant Agreements with NYSOFA and the proposed IMAs are intended to benefit the County by assisting in the provision of grant-funded services to County residents. Accordingly, I believe the proposed Grant Agreements with NYSOFA and the proposed IMAs are in the best interest of the County and, therefore, recommend your favorable action on the annexed proposed Act.

Sincerely,

  
George Latimer  
County Executive

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the County Executive recommending the approval of an act (the “Act”) which, if approved, would authorize the County of Westchester (the “County”), acting by and through its Department of Senior Programs and Services (the “Department”), to enter into grant agreements (the “Grant Agreements”) with the New York State Office for the Aging (“NYSOFA”) to accept grant funds made available to the County under Titles III-B, III-C & the Nutrition Services Incentive Program (“NSIP”), III-D and III-E of the Older Americans Act (“OAA”), in the total aggregate not-to-exceed amounts set forth below. The Grant Agreements will be for a term commencing retroactive to January 1, 2021 and continuing through December 31, 2021, except for the grant agreement for NSIP which will commence retroactive to October 1, 2020 and continue through September 30, 2021. Additionally, authority is requested for the County to enter into inter-municipal agreements (“IMAs”) with the municipalities listed in Exhibit “A”, attached to the Act (the “Municipalities”), for services to be funded with the grants received from NYSOFA under the Grant Agreements in the total aggregate not-to-exceed amounts set forth below, for terms corresponding to the term of each grant.

**Grant Amounts**

Title III-B	Title III-C & NSIP	Title III-D	Title III-E
\$1,069,441	\$2,050,995	\$63,246	\$549,167

**IMAs**

Title III-B	Title III-C & NSIP	Title III-D	Title III-E
\$290,486	\$1,463,874	\$0	\$0

Your Committee is advised that the services to be provided under the IMAs with the funds received from the OAA for Titles III-B and III-C & NSIP are: (i) nutrition services such as congregate and home delivered meals; and (ii) nutrition education; equipment; supplies; vehicle expenses; access services such as information and assistance and transportation services (the “Services”). Your Committee is further advised that a portion of the grant funds under Title III-B and Titles III-C & NSIP service programs will be used directly by the Department for Area Agency Administration and that no Services will be provided under IMAs with the funds received

under the OAA for Titles III-D and III-E. Instead, this funding will be allocated for contracts with non-municipal agencies to provide various services to seniors.

Your Committee is advised that the Department has complied with the Westchester County Procurement Policy and Procedures (the "Policy"), noting that the Grant Agreements with NYSOFA do not constitute a procurement, and that the IMAs are exempt from the Policy pursuant to section 3(a) iii thereof which exempts contracts with ". . . any State and any political subdivision, agency or instrumentality thereof." The IMAs are also exempt pursuant to section 3(a) xix of the Policy which exempts "any procurement for the purpose of entering into a contract with persons to provide direct services to senior citizens."

Notwithstanding that procurement for these services are exempt from the Policy, these Services are funded with Federal grant monies and as such are, pursuant to Section 13 of the Policy, subject to Federal procurement requirements. The Federal procurement regulations (2 CFR§ 200.320), require that contracts in amounts greater than \$10,000 and up to \$250,000, be procured by obtaining price or rate quotations from an adequate number of qualified sources, unless the such contracts are deemed to be "non-competitive" procurements. In furtherance of the Federal procurement rules, on November 12, 2020, the Department issued a request for proposal ("RFP") to procure part of the Services, namely, information and assistance services. Two (2) proposals were received in response to the RFP from the City of New Rochelle and the City of Yonkers. After reviewing the proposals with reference to the evaluation criteria set forth in the RFP, authorization is being requested to award IMAs to both municipalities for an initial term commencing on January 1, 2021 through December 31, 2021, with four (4) one-year renewal options, exercisable at the County's option. The Department will seek your Honorable Board's approval each year the County chooses to exercise its option. It should be noted that because the remaining Services are being provided directly by the respective Municipalities using their own resources (i.e., senior centers, buses, food service providers, equipment, etc.), these Services constitute non-competitive procurements in accordance with 2 CFR§ 200.320 (f)(1), in that due to the nature and extent of the services being provided by each municipality, the services are only available from those single sources.

The Planning Department has advised that based on its review, the proposed agreements with NYSOFA and the proposed IMAs do not meet the definition of an “action” under the State Environmental Quality Review Act, 6 NYCRR part 617. Accordingly the Planning Department recommends that no further environmental review is required. Your Committee has reviewed the annexed SEQRA documentation and concurs with this conclusion.

Your Committee has been advised that the passage of the attached Act requires an affirmative vote of a majority of the members of your Honorable Board.

Your Committee believes that adoption of the proposed Act is necessary to effectively carry out this worthwhile program. Accordingly, after due consideration, your Committee recommends adoption of the annexed Act.

and

\_\_\_\_\_ a non-for-profit corporation organized under the laws of the State of New York, having an office and principal place of business at \_\_\_\_\_

\_\_\_\_\_ (hereinafter referred to as the “Contractor”)

**WITNESSETH:**

**WHEREAS**, the County, acting by its Department of Senior Programs and Services (“Department”), has been awarded a grant by the New York State Office for the Aging (“NYSOFA”) pursuant to Titles III-C1, III-C2 and Nutrition Services Incentive Program (“NSIP”) of the Older Americans Act to provide various social and nutrition services to elderly residents of the County (the “Programs”); and

**WHEREAS**, the Contractor desires to conduct the Programs upon the terms and conditions hereinafter set forth, and the County desires the Contractor to provide the Programs upon such terms and conditions.

**WHEREAS**, the County has been authorized by the Westchester County Board of Acquisition and Contract to enter into the Agreement with the Contractor for the provision of the Programs.

**NOW, THEREFORE**, in consideration of the terms, conditions, covenants, and agreements contained herein, the parties agree as follows:

1. The Contractor shall provide the Programs, as more particularly described in Schedule “C” (the “Services”). All Services must be performed in accordance with the terms of the Standard Assurances in Schedule “C” and the Standard Assurances in the approved Four Year Plan and/or

Annual Update to the Four Year Plan (collectively the "Plan") attached hereto and made a part hereof in the form of Schedule "O." It is expressly understood and agreed by the parties hereto that all schedules to this Agreement applicable to the New York State Office for the Aging ("NYSOFA") and all schedules applicable to the County are subject to the approval of and modification of each, as necessary.

**Vendor Document Repository (applicable to Not-for-Profit Contractors only)**- The Contractor understands and acknowledges that the County currently maintains a Vendor Document Repository at <http://www.westchestergov.com/vendorportal> (the "Repository") into which the Contractor may upload a scanned image of one or more of the schedules and/or supporting documents that the Contractor is required to provide to the County for this Agreement (the "Required Documents").

The Contractor further understands and acknowledges that if the Contractor chooses to use the Repository to provide to the County one or more of the Required Documents (each document so provided, a "Repository Document"):

- a.) The Contractor is doing so voluntarily, as required by New York State Technology Law Sections 305 and 309;
- b.) The Contractor represents and warrants that any and all information in each Repository Document is complete and accurate in all respects;
- c.) In the event that any information in a Repository Document must be changed, the Contractor shall upload an updated version of such document for this Agreement within ten (10) business days of the need for such change arising; and
- d.) Notwithstanding any other provision of this Agreement, the Contractor must, at a minimum, update each Repository Document at least once per calendar year.

2. Payment for the Services to be provided for Title III-C1 shall be made for expenses actually incurred and paid by the Contractor at the rate set forth in Schedule "B." Payment for the Services to be provided for Title III-C2 shall be made for expenses actually incurred and paid by the Contractor at the rate set forth in Schedule "B." The total aggregate amount to be paid for

the Services rendered by the Contractor under this Agreement shall not exceed \$ \_\_\_\_\_, subject to appropriation, payable on a monthly basis, in accordance with Schedule "B" that is either, a.) attached hereto and made a part hereof, or b.) a Repository Document, and hereby incorporated by reference. Payment shall be made for actual services provided as data entered in NYSOFA Client Statewide Data System ("PeerPlace") or other NYSOFA approved electronic reporting system, after the County has received approval from NYSOFA and the County has received any and all supporting documentation the County may require and the same has been approved by the Department's Commissioner or her duly authorized designee (the "Commissioner").

The County may, in its discretion, if it shall deem such payment to be required in furtherance of the Program, pay the Contractor prior to receipt of payment or approval therefore by NYSOFA, provided that, in the event NYSOFA subsequently fails or refuses to pay the County, or if such expense is not a proper expenditure under the Program, the Contractor shall reimburse the County for such payment made to the Contractor, or, the County, in its discretion, may deduct such amount from future payments due and owing the Contractor under this Agreement.

The Contractor shall contribute an aggregate amount of \$ \_\_\_\_\_, as a match for the III-C1 and/or III-C2 Programs.

Any and all requests for payment to be made, including any requests for partial payment made in proportion to the Services completed, shall be submitted by the Contractor on properly executed payment vouchers of the County and paid only after approval by the Commissioner. All payment vouchers must be accompanied by a numbered invoice and/or the appropriate required back-up documentation approved by the Department of Senior Programs and Services. All invoices submitted during each calendar year shall utilize consecutive numbering and be non-repeating. In no event shall final payment be made to the Contractor prior to the completion of all Services, the submission of reports and the approval of same by the Commissioner.

The Contractor shall, at no additional charge, furnish all labor, services, materials, goods, equipment and any other things necessary to complete the Services, unless specific additional charges are expressly permitted under this Agreement. It is recognized and understood that even if specific additional charges are expressly permitted under this Agreement; in no event shall total

payment to the Contractor exceed the not-to-exceed amount set forth above.

Except as otherwise expressly stated in this Agreement, no payment shall be made by the County to the Contractor for out of pocket expenses or disbursements made in connection with the Services rendered or the Services to be performed hereunder.

3. Prior to the making of any payments hereunder, the County may, at its option, audit such books and records of the Contractor as are reasonably pertinent to this Agreement to substantiate the basis for payment. The County will not withhold payment pursuant to this paragraph for more than thirty (30) days after payment would otherwise be due pursuant to the provisions of this Agreement, unless the County shall find cause to withhold payment in the course of such audit or the Contractor fails to cooperate with such audit. The County shall, in addition, have the right to audit such books and records subsequent to payment, if such audit is commenced within one year following termination of this Agreement.

In addition to any general audit rights to which the County may be entitled hereunder, the County also reserves the right to audit the Contractor's performance under this Agreement. Such audit may include requests for documentation or other information which the Commissioner may, in her discretion, deem necessary and appropriate to verify the information provided by the Contractor as required by Paragraph "4." The County may also make site visits to the location(s) where the services to be provided under this Agreement are performed in order to review Contractor's records, observe the performance of services and/or to conduct interviews of staff and patrons, where appropriate and not otherwise prohibited by law.

The Contractor agrees to maintain appropriate records and to retain them for at least six years after final payment is made. The Contractor agrees to provide access to all books, documents and all pertinent materials related to the contract for examination to authorized representatives of the Administration on Aging/Administration for Community Living (AoA/ACL) of the United States Department of Health and Human Services ("HHS"), the New York State Comptroller or his representatives, staff of NYSOFA, and/or the County.

4. Under this Agreement, the term of the Title III-C Programs shall commence retroactive to January 1, 2021 and shall continue through December 31, 2021, and the term of the NSIP Program shall commence retroactive to October 1, 2020 and continue through September 30, 2021,

"In compliance with Section 504 of the Rehabilitation Act of 1975 and Title VI of the 1964 Civil Rights Act and New York State Executive Law and orders, no persons will be denied service or access to service based upon race, creed, color, national origin, religion, marital status, sexual orientation, genetic predisposition, carrier status, or handicapping condition."

## SCHEDULE "F"

### CRIMINAL BACKGROUND DISCLOSURE INSTRUCTIONS

Pursuant to Executive Order 1-2008, the County is required to maintain a record of criminal background disclosure from all persons providing work or services in connection with any County contract, including leases of County-owned real property and licenses:

- a.) If any of the persons providing work or services to the County in relation to a County contract are not subject to constant monitoring by County staff while performing tasks and/or while such persons are present on County property pursuant to the County contract; and
- b.) If any of the persons providing work or services to the County in relation to a County contract may, in the course of providing those services, have access to sensitive data (for example SSNs and other personal/secure data); facilities (secure facilities and/or communication equipment); and/or vulnerable populations (for example, children, seniors, and the infirm).

In those situations, the persons who must provide a criminal background disclosure ("Persons Subject to Disclosure") include the following:

- a.) Consultants, Contractors, Licensees, Lessees of County-owned real property, their principals, agents, employees, volunteers or any other person acting on behalf of said Contractor, Consultant, Licensee, or Lessee who is at least sixteen (16) years old, including but not limited to Subconsultants, subcontractors, Sublessess, or Sublicensees who are providing services to the County, and
- b.) Any family member or other person, who is at least sixteen (16) years old, residing in the household of a County employee who lives in housing provided by the County located on County property.

Under Executive Order 1-2008, it is the duty of every County Consultant, Contractor, Licensee, or Lessee to inquire of each and every Person Subject to Disclosure and disclose whether they have been convicted of a crime or whether they are subject to pending criminal charges, and to submit this form with that information.<sup>2</sup> Accordingly, you are required to complete the attached Criminal Background Disclosure Form and Certification.

Please note that under no circumstances shall the existence of a language barrier serve as a basis for the waiver of or an exception from the disclosure requirements of Executive Order 1-2008. If translation services are required by the Consultant, Contractor, Licensee, or Lessee to fulfill this obligation, it shall be at the sole cost and expense of the Consultant, Contractor, Licensee, or Lessee.

Please also note that the conviction of a crime(s) and/or being subject to a pending criminal

---

<sup>2</sup> For these disclosures, a "crime" or "pending criminal charge" includes all felonies and misdemeanors as defined under the New York State Penal Law or the equivalent under Federal law or the laws of any other State.

charge(s) will not automatically result in a denial of a person's right to work on a County contract, right to be on County property, or license, but may, if the County determines that the prior conviction(s) or pending criminal charge(s) create an unacceptable risk. However, if a person fails to list or falsifies any part of his/her conviction history or any pending criminal charge(s) for any reason, he/she may be prohibited from working or being on County property without any risk assessment. If it is later determined that a Person Subject to Disclosure failed to disclose a criminal conviction or pending criminal charge for any reason, his/her right to work on a County contract, be on County property, or license may be terminated at any time.

Please further note that, pursuant to Executive Order 1-2008, and subject to the applicable provisions of New York Correction Law §§ 752 and 753, the County has the right to bar a Person Subject to Disclosure from providing work or services to the County or from being on County property if any such person has:

- a.) A conviction of a crime(s);
- b.) A pending criminal proceeding for a crime(s); or
- c.) Refused to answer questions concerning his/her criminal background

Please finally note that any failure by a County Consultant, Contractor, Licensee, or Lessee to comply with the disclosure requirements of Executive Order 1-2008 may be considered by the County to be a material breach and shall be grounds for immediate termination by the County of the related County contract.

### Exemptions

Executive Order 1-2008 exempts from the aforementioned disclosure requirements Persons Subject to Disclosure:

- a.) for whom the County has already conducted a background check and issued a security clearance that is in full force and effect; and
- b.) for whom another state or federal agency having appropriate jurisdiction has conducted a security and/or background clearance or has implemented other protocols or criteria for this purpose that apply to the subject matter of a County contract that is in full force and effect.

If you are claiming an exemption for one or more Persons Subject to Disclosure, you must notify the Procuring Officer<sup>3</sup>. The Procuring Officer will then determine whether the Person(s) Subject to Disclosure are actually exempt, and provide written notification of his/her determination. If the Procuring Officer determines that a Person Subject to Disclosure is not exempt, the Procuring Officer will notify you of that determination, and you will have to include disclosures for that person on your Criminal Background Disclosure Form and Certification.

---

<sup>3</sup> Procuring Officer" shall mean the head of the department or the individual or individuals authorized by the head(s) of the department(s) undertaking the procurement and with respect to those matters delegated to the Bureau of Purchase and Supply pursuant to Section 161.11(a) of the Laws of Westchester County, the Purchasing Agent.

**Subconsultants, Subcontractors, Sublessees, or Sublicensees**

Under Executive Order 1-2008, it is your duty to ensure that any and all approved subconsultants, subcontractors, sublessees, or sublicensees complete and submit the attached Criminal Background Disclosure Form and Certification for all of their respective Persons Subject to Disclosure. This must be done before such a subconsultant, subcontractor, sublessees, or sublicensees can be approved to perform work on a contract.

**New Persons Subject to Disclosure**

Under Executive Order 1-2008, you have a **CONTINUING OBLIGATION** to maintain the accuracy of the Criminal Background Disclosure Form and Certification (and any accompanying documentation) for the duration of this contract, including any amendments or extensions thereto. Accordingly, it is your duty to complete and submit an updated Criminal Background Disclosure Form and Certification whenever there is a new Person Subject to Disclosure for this contract. **NO NEW PERSON SUBJECT TO DISCLOSURE SHALL PERFORM WORK OR SERVICES OR ENTER ONTO COUNTY PREMISES UNTIL THE UPDATED CRIMINAL BACKGROUND DISCLOSURE FORM AND CERTIFICATION IS FILED WITH THE PROCURING OFFICER.** You shall also provide the County with any other updates that may be necessary to comply with the disclosures required by Executive Order 1-2008.
