

BOARD OF LEGISLATORS  
COUNTY OF WESTCHESTER

Your Committee is in receipt of a proposed Act, which if enacted by your Board, would authorize the County of Westchester (the “County”), to commence an action, if necessary, against ASF Construction and Excavation Corporation (“ASF”), and DECO Land Holding Corporation (“DECO”), to eject them, and or any other necessary and appropriate parties, from possession of certain County real property (the “subject premises”).

By deed dated May 19, 1942, the County acquired fee title to the subject premises from the New York State Realty and Terminal Company. The subject premises is located in the Town of Cortlandt, and identified as Parcel Number 1 on Record Map Highway No. 1850, Westchester County, Map No. 13 (r-2), dated February 20, 1942. The subject premises is encumbered and bisected by U.S. Route 9, which runs north and south through said property.

Though the County has fee title to the subject premises, the New York State Department of Transportation (“NYSDOT”) has maintenance jurisdiction over it.

The subject premises is bounded to its immediate east by real property owned by ASF. ASF’s parcel has a tax identification number designated as 22.16-4-4, and a mailing address identified as 37 Roa Hook Road, Cortlandt, New York 10567.

To the west of the subject premises, and separated by two parcels in between, is real property owned by DECO. DECO’s parcel has a tax identification number designated as 22.16-3-1, and a mailing address identified as 42 Roa Hook Road, Cortlandt, New York.

By letter dated April 11, 2023, the County notified ASF that it was informed that ASF was intentionally entering the subject premises, and storing numerous pieces of equipment, supplies, heavy machinery, metal, scaffolding, trailers, assorted other vehicles, sheds, containers, and debris on it, without justification, or the County’s permission.

The County notified ASF that its use of the subject premises was unauthorized, a trespass, and possibly a violation of Chapter 712 of the Laws of Westchester County (“LWC”), including §712.191, §712.321, and §712.351.

The County notified ASF that it was not permitted to use the subject premises, and must immediately cease and desist all activities on it. Further, the County notified ASF that if it did not cease and desist its activities on the subject premises, and provide an affirmative response regarding same by April 25, 2023, the County would take necessary legal action.

By letter to the County, dated April 25, 2023, ASF’s counsel informed the County that he also represented DECO, and that ASF and DECO were in the process of establishing title to the subject premises. Counsel also requested that the County refrain from taking any action on the premises until they filed a quiet title action.

ASF and DECO alleged in the letter that the County had abandoned the subject premises for “highway purposes”, which triggered a clause in its deed reverting ownership of the property back to the grantor. ASF and DECO further alleged that the County’s abandonment of the subject premises, for “highway purposes”, was established by an April 6, 1964 Resolution from the County’s Board of Supervisors.

By letter dated May 30, 2023, the County informed counsel for ASF and DECO that the resolution cited in their April 25, 2023 letter, regarded real property separate and distinct from the subject premises, and which was conveyed to the County by a separate deed.

On May 24, 2024 NYSDOT informed the County that it needed to use the subject premises for an upcoming highway project, pursuant to its maintenance jurisdiction over it. Upon information, NYSDOT needs the property as a staging area for its impending reconstruction of Annsville Circle, which is a traffic circle lying to the southwest of the subject premises.

By letter to DECO's counsel, dated May 29, 2024, NYSDOT notified DECO that it was using the subject premises in violation of NYSDOT's maintenance jurisdiction, and demanded that DECO vacate the premises by June 14, 2024. In addition, NYSDOT directed DECO to reconstruct the earthen berm that NYSDOT alleged DECO had altered or removed in constructing two illegal access points onto U.S. Route 9 from the subject premises.

To date, neither ASF nor DECO has vacated the subject premises, nor have they communicated to the County that they would. As the County is the owner in fee of the subject premises, the County is entitled to immediate possession of it.

Your Committee has carefully considered the subject matter and the accompanying Act, and recommends authorizing the County to commence an action, if necessary, against ASF, DECO, and or any other necessary and appropriate parties.

ACT NO.

- 2024

AN ACT authorizing the County Attorney to commence an action, if necessary, on behalf of the County against ASF Construction and Excavation Corporation (“ASF”), and DECO Land Holding Corporation (“DECO”), to eject them, and or any other necessary and appropriate parties, from possession of certain County real property.

BE IT ENACTED by the Board of Legislators of the County of Westchester, as follows:

Section 1. The County Attorney is hereby authorized on behalf of the County to initiate legal action, if necessary, against ASF Construction and Excavation Corporation (“ASF”), and DECO Land Holding Corporation (“DECO”), and or any other necessary and appropriate parties, to eject them, and or any other said parties, from possession of certain County real property located in the Town of Cortlandt, identified as Parcel Number 1, and having a Tax Identification Number designated as 22.16-4-4.

Section 2. The County Attorney or his duly designated representative is hereby authorized to undertake such legal proceedings and prepare all documents necessary or desirable to accomplish the purpose of this Act.

Section 3. This Act shall take effect immediately.
