Westchester County Board of Legislators  
800 Michaelian Office Building  
White Plains, New York 10601

Dear Honorable Members of the Board of Legislators:

Transmitted herewith for your review and approval are four (4) bond acts (the "Bond Acts") which, if adopted, would authorize the County of Westchester (the "County") to issue bonds in the total aggregate amount of \$13,800,000 to finance the following four (4) capital projects for 2023:

\$500,000	Serial Bonds for	Exterior Infrastructure Repairs, White Plains Complex (2021-2025) (B014E)
\$500,000	Serial Bonds for	Infrastructure Rehabilitation, Peekskill District Office (2021-2025) (B0116)
\$4,800,000	Serial Bonds for	White Plains Complex Lighting Systems (B0124)
\$8,000,000	Serial Bonds for	Electric Vehicle Charging Stations and Infrastructure (BPF39)

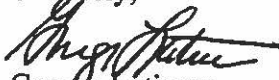

It should be noted that the County Budget Department is submitting these Bond Acts to your Honorable Board simultaneously with the proposed 2023 Capital Budget. It is the County's goal to submit these Bond Acts now so that the referenced projects will be ready to proceed without delay in early 2023.

The Planning Department has advised that based on its review the above projects are "Type II" actions under the State Environmental Quality Review Act, 6 NYCRR Part 617. Type II actions are those actions determined not to have a significant effect on the environment. Therefore, no further environmental review is required. As you know, your Honorable Board may use such expert advice to reach its own conclusion.

Approval of these Bond Acts totaling \$13,800,000 is necessary so that the Commissioner of Finance may enter the bond market at the most opportune time.

I recommend your Board's favorable action on the annexed proposed Bond Acts.

Sincerely,

George Latimer  
County Executive

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval of a bond act (“Bond Act”) in the amount of \$500,000, to authorize the County of Westchester (“County”) to finance capital project B014E– Exterior Infrastructure Improvement, White Plains Complex (2021-2025) (“B014E”) for 2023.

Your Committee is advised that the Bond Act, prepared by the law firm Hawkins, Delafield & Wood, would finance the cost of design, construction management and construction associated with the rehabilitation of the coping at the Richard J. Daronco Courthouse and the stucco at the Low Rise Building. The Department of Public Works and Transportation has advised that these buildings are in need of periodic exterior infrastructure maintenance due to their age.

Following bonding authorization, design will be scheduled and is anticipated to take three (3) months to complete and will be performed by in-house staff. Construction is estimated to take six (6) months and will begin after award and execution of the construction contracts.

Your Committee is advised that that the County Budget Department is submitting this Bond Act to your Honorable Board simultaneously with the proposed 2023 Capital Budget. It is the County’s goal to submit this Bond Act now so that the referenced project will be ready to proceed without delay in early 2023.

The Planning Department has advised your Committee that based on its review, the above referenced capital project has been classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of this Honorable Board is required in order to adopt the Bond Act.

Your Committee has carefully considered the proposed Bond Act, and recommends approval of same.
