

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$730,000 to finance a component of capital project WCC79 – Roof Replacement Various Buildings (“WCC79”). The Bond Act, which was prepared by the law firm of Hawkins, Delafield & Wood, will finance the County’s approximately 50% share of the cost of the design and construction of a phase of the Westchester Community College (“College”) roof replacement program, including design and construction to replace roofs on the Physical Education Building on the College campus.

The College has advised that the total amount appropriated for WCC79 is \$1,460,000, of which 50% (\$730,000) will be funded by New York State and 50% by the County.

The College has further advised that this phase is necessary to preserve the College’s critical infrastructure and reduce the risk of roof leaks that have the potential to cause severe damage to the buildings strength, foundation and overall structure due to rotting. Roofs that remain in place after their useful life will have an increased risk of damage.

Following receipt by the College of New York State funds and County bonding authorization, design will be scheduled and is anticipated to take twelve months to complete. It is anticipated that the design work will be completed by consultants. It is estimated that construction will take twelve months to complete and will begin after award and execution of the construction contracts.

It should be noted that your Honorable Board has previously authorized bonding in connection with WCC79 as indicated in the annexed fact sheet.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project has been classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
