Re: Amendments to the Co-op Disclosure Law

Please refer the attached Local Law amending the Co-op Disclosure Law, to the appropriate committees on the March 22, 2021 Westchester County Board of Legislators agenda.

TO: BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER

Your Committee has reviewed “A LOCAL LAW amending Local Law No. 11-2018 relating to applications for prospective purchasers of stock in Cooperative Housing Corporations.”

Westchester County’s Fair Housing Law, Article II of Chapter 700 of the Laws of Westchester County, is aimed at preventing and addressing discrimination in relation to housing practices. Among the housing practices regulated by the Fair Housing Law is the sale and transfer of shares of stock in cooperative housing corporations. Under the Fair Housing Law, it is an unlawful discriminatory practice for the governing board of a cooperative housing corporation to refuse to permit the sale or transfer of stock to a person on the basis of the group identity of the prospective purchaser(s) as defined in Section 700.21(H) of the Fair Housing Law.

In 2018, this Honorable Board enacted Local Law No. 11-2018, which added a new Section 700.21-a to the Fair Housing Law, which set forth time limits for cooperative housing corporations to inform prospective purchasers of any deficiencies in an application and act on completed applications. This law also requires the cooperative housing corporation to provide notice of the rejection to the Human Rights Commission.

However, in reviewing the law with the Human Rights Commission, your Committee has learned that the Commission does not always receive sufficient information upon which

it can properly investigate potential discriminatory practices. Further, while failing to report to the Human Rights Commission is an independent violation of the Fair Housing Law, failing to comply with the time frames for dealing with applicants is not. This undercuts the effectiveness of the law, as cooperative housing corporations can still sit on applications for an extended period of time.

In order to remedy these deficiencies, your Committee recommends adoption of the attached Local Law, which would amend Section 700.21-a to require that the notice of rejection sent to the Commission contain certain information necessary to allow for a proper review and investigation of any potentially discriminatory acts. The amendments would also make a failure to comply with the deadlines to act on an application an independent violation of the Fair Housing Law, punishable by fines. The proposed amendment also makes the statute of limitations for these violations clear, and removes the sunset provision from this law.

Your Committee is aware that this Honorable Board must comply with the requirements of the State Environmental Quality Review Act (“SEQRA”) and its implementing regulations. *See* Title 6, Part 617 of the New York Code Rules and Regulations (N.Y.C.R.R.). The Department of Planning has reviewed the applicable SEQRA regulations, and has concluded that this proposed Local Law is not an action which requires any environmental review. Your Committee concurs in this conclusion.

In light of all of the foregoing, your Committee recommends the adoption of this Local Law in order to deter discriminatory housing practices.

shall be punishable by a fine of \$1,000 for the first offense, \$1,500 for the second offense, and \$2,000 for the third and any subsequent offense. Any such violation shall be brought within one year of the violation, except that any violation initiated by the Executive Director shall be brought within one year of when the Human Rights Commission first learned of the violation.

SECTION 2: Section 2 of Local Law 2018-11 is hereby amended to read as follows:

Included among this information is the reason why the application was rejected. Requiring a cooperative housing corporation to identify the reason why an application was rejected will allow the Commission to determine whether or not the reason was pretextual, thus making way for enforcement of the Fair Housing Law where appropriate and applicable.

The amendments would also make a failure to comply with the deadlines to act on an application an independent violation of the Fair Housing Law, punishable by fines. LOCAL LAW INTRO. NO. -2021

A LOCAL LAW amending Local Law No. 11-2018 relating to applications for prospective purchasers of stock in Cooperative Housing Corporations..

BE IT ENACTED by the County Board of the County of Westchester as follows:

D. All members of the governing board of cooperative housing corporations are required to undergo fair housing training. Any new member of a governing board is required to have a minimum of one hour of fair housing training within sixty days of becoming a member of the board. All members of a governing board are required to have a minimum of one hour of fair housing training every two years. Re: Earned Sick Leave for Domestic Workers Legislation

Please refer the attached Local Law amending Chapter 585 of the Laws of Westchester County regarding earned sick leave for domestic workers, to the appropriate committees on the April 26, 2021 Westchester County Board of Legislators agenda.

As you are aware, this Legislature passed the Earned Sick Leave Law in 2018, ensuring paid sick time to tens of thousands of workers here in Westchester County. In 2020, New York State followed our lead and passed Earned Sick Leave statewide. While the state law preempts our County Law, the State Law does not provide protections for domestic workers, while Westchester's law did.

The attached Local Law will reaffirm Earned Sick Leave protections for Domestic Workers in Westchester County.

TO: HONORABLE BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER

Your Committee has reviewed “A LOCAL LAW amending Chapter 585 of the Laws of Westchester County regarding earned sick leave for domestic workers” and recommends its adoption.

Your Committee is aware that the Westchester County Board of Legislators passed Chapter 585 of the Laws of Westchester County (“Earned Sick Leave Law”) on October 1, 2018 and went into effect on April 10, 2019. The Earned Sick Leave Law provides employees, including domestic workers, with a maximum of 40 hours of earned sick leave per year. It also set forth the parameters when such earned sick leave may be used and protects employees from adverse employment action for appropriately exercising their right to use their earned sick time. Whether or not the earned sick leave is paid is determined by the number of employees employed by the employer.

Your Committee is informed that the State subsequently enacted its own earned sick leave law, which combined paid and unpaid sick leave and safe leave. *See* Part J of Chapter 56 of the Laws of New York, 2020. The State law allows municipalities with previously enacted sick leave laws to maintain those local laws. N.Y. LAB § 196-b(12). However, the Earned Sick Leave Law contains a “reverse preemption” clause which provides that the law “shall be null and void on the day that statewide or federal legislation goes into effect, incorporating either the same or substantially similar provisions as are contained in this law.” LWC §§ 585.15. The Earned Sick Leave Law also contains a “severability” clause which provides that if “any provision of this Chapter or application thereof to any person or circumstance is judged invalid, the invalidity shall not affect other provisions or applications of the Chapter which can be given effect without the invalid provision or application, and to this end the provisions of this Chapter are declared severable.” LWC §§ 585.16.

Your Committee is advised that in comparison to the Earned Sick Leave Law, most of the State law incorporates the same or substantially similar provisions as the Earned Sick Leave Law, or provides greater protections; therefore the Earned Sick Leave Law is void pursuant to the reverse preemption provision. However, the provisions in the Earned Sick Leave Law related to domestic workers provide greater protections than the State law; therefore such provisions are not void pursuant to the reverse preemption provision. The Earned Sick Leave Law provides that domestic workers, regardless of the number of domestic workers employed by their employer, are entitled to up to forty hours of paid sick time per year.

Your Committee is further advised that the New York State Department of Labor has also determined that the provisions related to domestic workers in the Earned Sick Leave Law remain in effect. https://www.ny.gov/sites/ny.gov/files/atoms/files/PSL_FactSheet_DomesticWorkers.pdf. As such, this Local Law amends the Earned Sick Leave Law to remove preempted provisions and make clear that the domestic worker provisions remain in effect and protect domestic workers in Westchester County.

Additionally, this Local Law amends Section 585.06(1)(c) to clarify that the subsection provided permits employers to send a domestic worker home from work, and charge that worker's sick leave, where there appears to be a medical concern that requires immediate attention.

As you know, this Honorable Board must comply with the requirements of the State Environmental Quality Review Act ("SEQRA"). Your Committee is advised that the Department of Planning has reviewed the applicable SEQRA regulations, and has concluded that this proposed Local Law is not an action. Your Committee concurs with that conclusion.

Your Committee, after careful consideration, recommends adoption of this Local Law.

Re: Earned Sick Leave for Domestic Workers Legislation

Please refer the attached Local Law amending Chapter 585 of the Laws of Westchester County regarding earned sick leave for domestic workers, to the appropriate committees on the April 26, 2021 Westchester County Board of Legislators agenda.

As you are aware, this Legislature passed the Earned Sick Leave Law in 2018, ensuring paid sick time to tens of thousands of workers here in Westchester County. In 2020, New York State followed our lead and passed Earned Sick Leave statewide. While the state law preempts our County Law, the State Law does not provide protections for domestic workers, while Westchester's law did.

The attached Local Law will reaffirm Earned Sick Leave protections for Domestic Workers in Westchester County.

TO: HONORABLE BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER

Your Committee has reviewed “A LOCAL LAW amending Chapter 585 of the Laws of Westchester County regarding earned sick leave for domestic workers” and recommends its adoption.

Your Committee is aware that the Westchester County Board of Legislators passed Chapter 585 of the Laws of Westchester County (“Earned Sick Leave Law”) on October 1, 2018 and went into effect on April 10, 2019. The Earned Sick Leave Law provides employees, including domestic workers, with a maximum of 40 hours of earned sick leave per year. It also set forth the parameters when such earned sick leave may be used and protects employees from adverse employment action for appropriately exercising their right to use their earned sick time. Whether or not the earned sick leave is paid is determined by the number of employees employed by the employer.

Your Committee is informed that the State subsequently enacted its own earned sick leave law, which combined paid and unpaid sick leave and safe leave. *See* Part J of Chapter 56 of the Laws of New York, 2020. The State law allows municipalities with previously enacted sick leave laws to maintain those local laws. N.Y. LAB § 196-b(12). However, the Earned Sick Leave Law contains a “reverse preemption” clause which provides that the law “shall be null and void on the day that statewide or federal legislation goes into effect, incorporating either the same or substantially similar provisions as are contained in this law.” LWC §§ 585.15. The Earned Sick Leave Law also contains a “severability” clause which provides that if “any provision of this Chapter or application thereof to any person or circumstance is judged invalid, the invalidity shall not affect other provisions or applications of the Chapter which can be given effect without the invalid provision or application, and to this end the provisions of this Chapter are declared severable.” LWC §§ 585.16.

Your Committee is advised that in comparison to the Earned Sick Leave Law, most of the State law incorporates the same or substantially similar provisions as the Earned Sick Leave Law, or provides greater protections; therefore the Earned Sick Leave Law is void pursuant to the reverse preemption provision. However, the provisions in the Earned Sick Leave Law related to domestic workers provide greater protections than the State law; therefore such provisions are not void pursuant to the reverse preemption provision. The Earned Sick Leave Law provides that domestic workers, regardless of the number of domestic workers employed by their employer, are entitled to up to forty hours of paid sick time per year.

Your Committee is further advised that the New York State Department of Labor has also determined that the provisions related to domestic workers in the Earned Sick Leave Law remain in effect. https://www.ny.gov/sites/ny.gov/files/atoms/files/PSL_FactSheet_DomesticWorkers.pdf. As such, this Local Law amends the Earned Sick Leave Law to remove preempted provisions and make clear that the domestic worker provisions remain in effect and protect domestic workers in Westchester County.

Additionally, this Local Law amends Section 585.06(1)(c) to clarify that the subsection provided permits employers to send a domestic worker home from work, and charge that worker's sick leave, where there appears to be a medical concern that requires immediate attention.

As you know, this Honorable Board must comply with the requirements of the State Environmental Quality Review Act ("SEQRA"). Your Committee is advised that the Department of Planning has reviewed the applicable SEQRA regulations, and has concluded that this proposed Local Law is not an action. Your Committee concurs with that conclusion.

Your Committee, after careful consideration, recommends adoption of this Local Law.

4. An employer may not require, as a condition of a[n employee] domestic worker's use of earned sick time, that the [employee]domestic worker find another [employee]domestic worker to work during the time of the [employee]domestic worker's absence.
5. For earned sick time of more than three consecutive work days, an employer may require the [employee]domestic worker to provide reasonable documentation that the earned sick time has been used for a purpose covered by section 585.06 above. The aggrieved party may appeal said determination to a court of competent jurisdiction by the commencement of a proceeding within 30 days after service of said order upon the aggrieved party. If the court finds an unlawful violation has occurred, the court may impose the penalties set forth in this subdivision.

In lieu of the procedures set forth in subsections 1. and 2. above, any person who claims to have been aggrieved by a violation of this chapter may commence a civil action in [the appropriate]a court of appropriate jurisdiction not later than one year after the occurrence of an alleged violation. If the court finds an unlawful violation has occurred, the court may impose the penalties set forth in subsection 2 above.

Sec. 585.13. - Other legal requirements.

This chapter provides minimum requirements pertaining to earned sick time and shall not be construed to preempt, limit, or otherwise affect the applicability of any other law, regulation, requirement, or policy that provides for greater accrual or use by [employee]domestic workers of earned sick time or that extends other protections to [employee]domestic workers. In addition, nothing in this chapter shall be construed to prevent, interfere or conflict with any rights of an [employee]domestic worker under the New York Disability Benefits Law and Paid Family Leave Benefits Law, N.Y. Workers' Comp. Law § 200 et seq.

Sec. 585.14. - Public education and outreach.

The Westchester County Human Rights Commission shall develop and implement a multilingual outreach program to inform [employees]domestic workers, parents and persons who are under the care of a health care provider about the availability of earned sick time under this chapter. This program shall include the distribution of notices and other written materials in English and Spanish and any language deemed appropriate by the Westchester

County Human Rights Commission to child care and elder care providers, domestic violence shelters, schools, hospitals, community health centers and other health care providers in Westchester County.

Sec. 585.15. - Reverse preemption.

This local law shall be null and void on the day that statewide or federal legislation goes into effect, incorporating either the same or substantially similar provisions as are contained in this law, or in the event that a pertinent state or federal administrative agency issues and promulgates regulations preempting such action by the County of Westchester. The Board of Legislators may determine via resolution whether or not identical or substantially similar statewide legislation has been enacted for the purposes of triggering the provisions of this section.

Sec. 585.16. - Severability.
