

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the County Executive recommending the enactment of the following:

Land Purchase and Conveyance. An Act (the “Land Acquisition Act”) to authorize the County of Westchester (the “County”) to purchase two condominium units (the “Property”) making up a portion of the approximately +/- 0.785 acres of real property located at 500 Main Street in the City of New Rochelle (the “City”) from the current owner thereof, and and subsequently convey the Property to BRP 500 Main TC Owner LLC, its successors or assigns, (the “Developer”) as part of the County’s program to support the construction of housing units that affirmatively further fair housing (the “Affordable AFFH Units”). The Land Acquisition Act also authorizes the County to grant and accept any property rights necessary in furtherance thereof.

Acquisition Financing. A New Homes Land Acquisition Bond Act (the “NHLA Bond Act”), prepared by the firm of Hawkins Delafield & Wood LLP, to authorize the issuance of bonds of the County in a total amount not to exceed \$5,000,000 as a part of Capital Project BPL30 New Homes Land Acquisition II. The Department of Planning (“Planning”) has advised that subject to the receipt of approval of your Honorable Board, the proposed NHLA Bond Act will authorize an amount not to exceed \$5,000,000 to purchase the Property from the current owner to create one-hundred nineteen (119) Affordable AFFH Units for rental.

Capital Budget Amendment. An Act authorizing an amendment of the County’s 2021 Capital Budget (the “CBA”) by increasing the amount authorized for BPL30 by \$5,000,000 as part of the County’s program to ensure the development of new affordable AFFH housing units. This CBA is necessary to use BPL30 to pay for the acquisition of the land and settlement costs.

Upon acquisition, the County will file a Declaration of Restrictive Covenants against the Property, to require that the proposed Affordable AFFH Units be marketed and leased in accordance with an approved affordable fair housing marketing plan to households who earn at or below 50% and

up to 80% of the Westchester County area median income and will remain affordable for a period of not less than 50 years.

In accordance with the Land Acquisition Act, the County will subsequently convey the Property to the Developer its successors or assigns, for ONE DOLLAR (\$1.00). The Developer will construct a mixed-use development with 477 rental apartments, that will include the 119 Affordable AFFH Units, 358 market rate units, approximately 1,835 square feet of retail space, approximately 1,000 square feet of governmental office and approximately 21,892 square feet of community space. Residential amenities will include various terrace and lounge areas, fitness and exercise rooms, a community business center, laundry facilities, a bar/kitchen area/community room, an outdoor rooftop pool, dog park, pet washing facility, concierge/security desk, property management office and parking (“the “Development”). Amenities will be free to all Affordable AFFH units and parking will be \$50 per month (half of the monthly cost incurred by a market rate unit).

Your committee has been advised by Planning that, based on its review, the proposed Development is classified as an “Type I action” under the State Environmental Quality Review Act (“SEQRA”) and its implementing regulations 6 NYCRR Part 617, which requires an assessment of environmental impacts. Your Committee has further been advised by Planning that the City of New Rochelle Planning Board served as lead agency over the site-specific review and issued a Negative Declaration pursuant to SEQR for this Development on July 24, 2018. Your Committee has been advised that because the City undertook a coordinated review pursuant to SEQR and the County was included in the process, no further environmental review is required by the County. Your Committee has reviewed the attached analysis prepared by Planning and concurs with this conclusion.

Your Committee has been advised that on September 14, 2021, the Westchester County Planning Board (the “Planning Board”) adopted Resolution No. 21-19 that recommends funding for the purchase and conveyance of the Property. In addition, Section 167.131 of the County Charter mandates that a Capital Budget Amendment that introduces a new capital project or changes the

location, size or character of an existing capital project be accompanied by a report of the Planning Board with respect to the physical planning aspects of the project. Accordingly, the necessary Planning Board report for BPL30 has been annexed. In addition, the report of the Commissioner of Planning is annexed pursuant to Section 191.41 of the Westchester County Charter.

Based on the importance of creating more affordable AFFH units in the County, your favorable action on the annexed Acts is respectfully requested, noting that the Land Acquisition Act and the

NHLA Bond Act require the affirmative vote of two-thirds of the members of your Honorable Board.

SUBJECT: Acquisition of Real Property –500 Main Street, City of New Rochelle

Pursuant to Section 191.41 of the Westchester County Charter, submitted herewith is the required report of the Commissioner of Planning on the proposed acquisition and subsequent conveyance of two condominium units (the "Property") on a portion of +/- 0.785 acres of real property located at 500 Main Street in the City of New Rochelle, for the purpose of creating 119 affordable housing units that will affirmatively further fair housing (the "Affordable AFFH Units").

The County of Westchester ("the County") intends to finance the purchase of the Property containing 119 AFFH units from the current owner in an amount not to exceed \$5,000,000 as a part of Capital Project BPL30 New Homes Land Acquisition II. Upon acquisition of the Property, the County will file a Declaration of Restrictive Covenants to require that the Affordable AFFH Units are marketed and leased in accordance with an approved affirmative fair housing marketing plan and will remain available to eligible households for a period of not less than 50 years. The County will then convey ownership of the BRP 500 Main TC Owner LLC (the "Developer"), its successors or assigns, for One Dollar (\$1.00).

The Developer proposes to construct a new twenty-six-story building with 477 rental units that will include 119 Affordable AFFH Units, 358 market rate units, approximately 1,835 square feet of retail space, approximately 1,000 square feet of governmental office and approximately 21,892 square feet of community space. Residential amenities will include various terrace and lounge areas, fitness and exercise rooms, a community business center, laundry facilities, a bar/kitchen area/community room, an outdoor rooftop pool, dog park, pet washing facility, concierge/security desk, property management office and parking ("the "Development"). Amenities will be free to all Affordable AFFH units and parking will be \$50 per month (half of the monthly cost incurred by a market rate unit).

I recommend funding for acquisition and conveyance of the Property for the following reasons:

1. The acquisition of this Property will advance the County's efforts to provide fair and affordable housing;
2. The acquisition and subsequent conveyance of the Property to develop fair and affordable housing is consistent with development policies adopted by the County Planning

Board as set forth in *Westchester 2025 - Context for County and Municipal Planning in Westchester County and Policies to Guide County Planning*, adopted May 6, 2008, and amended January 5, 2010, and the recommended strategies set forth in *Patterns for Westchester: The Land and the People*, adopted December 5, 1995;

3. The Development is proposed to include green technology, such as energy efficient appliances, lighting, heating systems and water conserving fixtures. The Development is designed to meet the green building standards of both Energy Star Multifamily Highrise and Enterprise Green Communities;
4. The Development is consistent with the land use policies and regulations of the City of New Rochelle; and
5. On September 14, 2021, the County Planning Board adopted a resolution to recommend County financing towards the purchase the Property to support the Development.

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR
BPL30 NEW HOMES LAND ACQUISITION
500 MAIN STREET, NEW ROCHELLE**

Pursuant to your request, Environmental Planning staff has reviewed the above referenced project (Fact Sheet Unique ID: 1725) with respect to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (SEQR).

The action involves the provision of County funds under capital project BPL30 – New Homes Land Acquisition II to facilitate the creation of affordable housing in connection with a proposed 26-story building to be built on a 0.785-acre site located at 500 Main Street in the City of New Rochelle. The overall development will consist of approximately 477 rental apartments, 1,835 square feet of retail space, 1,000 square feet of government space and 21,892 square feet of community space, as well as a parking garage with approximately 430 parking spaces. County funds will be used to finance the acquisition of a portion of the property, which will be conveyed to the developer and will enable 119 of these apartments to be made available to households earning at or below 50% and up to 80% of the Area Median Income for a minimum of 50 years and marketed/leased in accordance with an approved affirmative fair housing plan.

In accordance with SEQR, the City of New Rochelle Planning Board classified the proposed development as a Type I action. On June 22, 2018, the City Planning Board issued a notice of intent to serve as lead agency and circulated Part 1 of a Full Environmental Assessment Form to involved and interested agencies. On July 24, 2018, the City Planning Board issued a Negative Declaration for the project. Since the City undertook coordinated review and the County of Westchester was included in the lead agency notification, then, in accordance with section 617.6(b)(3), no further environmental review is required by the County.

500 Main Street, City of New Rochelle**

WHEREAS, the County of Westchester (the "County") has established Capital Project BPL30 New Homes Land Acquisition II ("NHLA") to assist in the acquisition of property associated with the development and preservation of fair and affordable housing; and

WHEREAS, BRP 500 Main LLC, its successors or assigns, (the "Developer") desires to develop the real property located at 500 Main Street in the City of New Rochelle (the "City"), identified on the City tax maps as Section 1; Block 215; Lots 8, 10, 11 and 12 (the "Property") to create 477 residential units, approximately 1,835 square feet of ground floor retail, approximately 1,000 square feet of governmental office space and approximately 21,892 square feet of community space and a parking garage with 430 parking spaces, a majority of which are for the exclusive use of the residents (the "Development"). One hundred-nineteen (119) of the units will be affordable residential units that will affirmatively further fair housing ("AFFH"); collectively the "Affordable AFFH Units"); and

WHEREAS, the County proposes to purchase a portion of the Property (one of seven condo units) from the owner of record, for a not to exceed amount of \$5,000,000 with funds from NHLA and subsequently convey the Property to the Developer for One (\$1.00) Dollar to underwrite the cost of the land associated with the development of 90 Affordable AFFH units; and

WHEREAS, upon acquisition, the County will file a Declaration of Restrictive Covenants to require that the Affordable AFFH Units constructed on the Property be leased to households who earn at or below 50% and up to 80% of the Westchester County Area Median Income ("AMI"); and

WHEREAS, the County will convey ownership of the Property to the Developer to construct a mix of studio, one and two-bedroom apartments to be leased to eligible households, pursuant to an approved Affirmative Fair Housing Marketing Plan, for a minimum of 50 years; and

WHEREAS, in furtherance of the above, the County Executive will be submitting legislation to the Board of Legislators to amend Capital Project BPL30 NHLA II to add the Property, 500 Main Street, City of New Rochelle, and authorize bonding in a not to exceed amount of \$5,000,000 to develop the Property; and

WHEREAS, the Development is subject to approvals by the City of New Rochelle; and

WHEREAS, the funding to support the development of the Affordable AFFH Units is

consistent with and reinforces *Westchester 2025 – Policies to Guide County Planning*, the County Planning Board's adopted long-range land use and development policies, by contributing to the development of "a range of housing types" "affordable to all income levels"; and

WHEREAS, the staff of the County Department of Planning have reviewed the proposal and recommend the requested funding associated with acquisition of the Property; and

WHEREAS, the staff of the County Department of Planning note that with the funding required for this development, the funding in BPL30 has been depleted and funding in the Capital Project needs to be increased \$5,000,000 for this development; thus a request is included here to increase BPL30 by \$5,000,000;

NOW THEREFORE BE IT RESOLVED, that the Westchester County Planning Board after completing a review of the physical planning aspects of the Affordable AFFH Units, subject to an appraisal, recommends that the County provide financial assistance in a not-to-exceed amount of \$5,000,000 from BPL30 NHLA II for property acquisition; and be it further

RESOLVED, that the Westchester County Planning Board amends its report on the 2021 Capital Project requests to include the purchase of a portion of the land (one of seven condo units) associated with the Development known as 500 Main Street in the City of New Rochelle, as a new component project in Capital Project BPL30 under the heading of Buildings, Land and Miscellaneous and adds \$5,000,000 to the FY 2021 appropriation; and

Adopted this 14th day of September 2021.

Overall Project Description

This is a continuation of project BPL10 New Homes Land Acquisition Fund (NHLA). NHLA provides funds to acquire property for the construction of fair and affordable housing. The purpose of the Fund is to increase the inventory of available properties for fair and affordable housing development. In addition to the acquisition cost of properties, other costs associated with, and often required for, site acquisition may be considered eligible costs to be funded through the NHLA program. Such associated costs may include, but are not limited to, closing costs, appraisals, property surveys, environmental assessments, hazardous materials reports and demolition of existing structures. Demolition may be particularly critical in the County's urban areas where existing structures need to be removed to allow construction of fair and affordable units. Funds can be used in all municipalities. This is a general fund, specific projects are subject to a Capital Budget Amendment.

Project Description

This is a continuation of project BPL10 New Homes Land Acquisition Fund (NHLA). NHLA provides funds to acquire property for the construction of fair and affordable housing. The purpose of the Fund is to increase the inventory of available properties for fair and affordable housing development. In addition to the acquisition cost of properties, other costs associated with, and often required for, site acquisition may be considered eligible costs to be funded through the NHLA program. Such associated costs may include, but are not limited to, closing costs, appraisals, property surveys, environmental assessments, hazardous materials reports and demolition of existing structures. Demolition may be particularly critical in the County's urban areas where existing structures need to be removed to allow construction of fair and affordable units. Funds can be used in all municipalities. This is a general fund, specific projects are subject to a Capital Budget Amendment.

NOW, THEREFORE, BE IT ENACTED by the members of the Board of Legislators of the County of Westchester as follows:

SECTION 1. §2. The County is hereby authorized to contract to pay an amount not to exceed FIVE MILLION DOLLARS (\$5,000,000) to purchase the Property.

§3. §4. The County is hereby authorized to convey the Property to BRP 500 Main TC Owner LLC, its successors or assigns, for ONE DOLLAR (\$1.00) to construct the 119 Affordable AFFH Units that will be marketed and leased to households earning at or below 50% and up to 80% of the Westchester County area median income, that will remain affordable for a period of not less than fifty (50) years, and will be marketed and leased in accordance with an approved affirmative fair housing marketing plan, noting that the income limits are subject to change based on the median income levels at the time of initial occupancy and subsequent occupancies, as established by the U.S. Department of Housing and Urban Development.

stations.

The Development is located at the corner of Main and Church Streets. The commercial retail, the governmental office and the community space will front on Main Street. The entrance for the residential building, along with its parking entrance, will be on Church Street. To accommodate the various uses in the building, seven condominium units will be set up for the various components. Condominium Unit One will include the 430 parking spaces; Condominium Unit Two will include the ground floor retail/commercial space; Condominium Unit Three will include the market residential (357 market rate rental units and amenities); Condominium Unit Four will include the 50 to 60% of AMI Affordable Units; Condominium Unit Five will include the 80% of AMI Affordable AFFH Units, Condominium Unit Six will be the Church and Condominium Unit Seven will be the governmental office space (to be owned by the City).

This Development is located in the heart of the downtown area. Downtown New Rochelle has seen, and will continue to see, growth in the residential sector. Nearly 3,400 market rate units have been completed or are under construction, and/or are planned in the immediate vicinity. In addition, several hundred affordable units have been completed, under construction or planned in the downtown area, including many that the County has also assisted, but others created as a result of the City's inclusionary zoning ordinance.

The Development has received all of the required land use approvals from the City including site plan approval from the Planning Board. The existing structures on the site will be demolished and the Development site will be redeveloped in accordance with the regulations of the Downtown Overlay ("DO-2") zone and Central Parking Area ("CPA") zone. In addition, the Development has approvals from the New Rochelle Industrial Development Agency for sales tax exemption, mortgage recording tax exemption and a Payment in Lieu of Taxes ("PILOT").

The Development is participating in the New York State Brownfield Cleanup Program. Prior to the start of construction, the Developer will remediate the entire site. Once this is complete, the New York State Department of Environmental Conservation will issue a Certificate of Completion.

The Development will be constructed with sustainable materials/renewable resources and is designed to incorporate high efficiency building systems, appliances, lighting and water-conserving fixtures to reduce operating and maintenance costs, minimize energy consumption and conserve natural resources. The Development has been designed to meet the green building

standards of Enterprise Green Communities and the standards of Energy Star Multifamily High Rise (though they do not plan to be certified). In addition to environmental stewardship, this Development will incorporate rigorous wellness standards that improve the health and wellbeing of employees, residents, visitors, and the surrounding community, certifying under the Fitwel program. The Fitwel program certifies buildings that promote the health of its occupants through healthy building systems and programs for the tenants. The Developer will provide heating, cooling and hot water. The tenants will pay for their electric charges including for cooking.

To support the creation of the Affordable AFFH Units, Westchester County (the "County") will provide a total not to exceed amount of \$5,000,000 through New Homes Land Acquisition ("NHLA") to fund a portion of the acquisition costs of Condominium Unit Four and Five. Unit Four includes 110 Affordable AFFH Units with 20 units at 50% of the AMI and 90 at 60% of the AMI and Unit Five includes 9 units at 80% of the AMI. The acquisition cost was determined based on the buildable square footage of each Condominium Unit and was verified by an appraisal.

The County will file a Declaration of Restrictive Covenants requiring that the Affordable AFFH Units be marketed and leased pursuant to an approved affirmative fair housing marketing plan to households earning at or below 50% and up to 80% of AMI and will remain affordable for a minimum of 50 years. The average affordability of the units will be approximately 59.83% of AMI.

The Developer is finalizing their financing with New York State Homes and Community Renewal ("HCR"), which will likely include an HFA issuance of tax-exempt and taxable bonds, low income housing tax credits, Interfaith Development Corporation subsidy loan and Developer equity. The total Development cost is estimated to be approximately \$270.78 million.
