### Professional Summary

Visionary executive with extensive experience in aviation safety, security, and risk management. Adept at developing and leading strategic safety and security initiatives, ensuring regulatory compliance, and fostering strong collaboration with government agencies and industry partners. A proven leader in crisis management, enterprise risk mitigation, and policy advisory, dedicated to enhancing security measures while optimizing passenger experience. Passionate about driving innovation and industry best practices in high-risk, high-volume environments.

### Professional Experience

#### Vice President, Safety & Security

JFK International Air Terminal  
Feb 2020 - Present

At JFK IAT, I lead the Safety & Security department, focusing on strategizing and collaborating with key stakeholders and government agencies. I am committed to upholding the highest standards for safety protocols and ensuring compliance with aviation regulations. My role involves setting the strategic direction for safety and security operations, both information and physical security, conducting comprehensive risk assessments, and overseeing crisis management initiatives. By cultivating a culture of safety and vigilance, I have spearheaded innovative security measures that enhance the passenger experience while maintaining stringent protection standards. I work closely with federal agencies, airport authorities, and industry partners to ensure our practices align with the latest global safety and security trends. Through strategic leadership, we have advanced initiatives that safeguard the airport environment and significantly improve operational efficiency in a facility that accommodates over 27 million passengers annually.

#### Vice President, Security

JFK International Air Terminal  
Jan 2011 - Feb 2020

At JFK International Air Terminal, I have spearheaded transformative initiatives focused on security, integrating innovative technologies like AI-driven surveillance systems and biometric identification to enhance safety. A significant aspect of my leadership has been collaborating extensively with government agencies to develop advanced crisis response plans, ensuring swift and effective action during emergencies. By establishing strategic partnerships and working closely with key stakeholders, including governmental bodies, I have created a cohesive security environment that prioritizes both passenger convenience and robust protection. My efforts in navigating complex regulatory landscapes with government collaboration have been crucial in driving continuous improvement and setting new benchmarks in aviation security and crisis management. Prior to this role, I served as a Duty Manager in the Operations Department from October 2005 - January 2011.

#### Manager, Security and Shift Operations

American Airlines, Inc.  
Jan 2003 - Oct 2005

At American Airlines, I oversaw daily security activities and coordinated narcotic interdiction with various departments and agencies. I introduced advanced training for threat detection and emergency response, reducing incidents and boosting safety. I implemented technology-driven solutions like new surveillance systems and optimized resource allocation, enhancing operations. My leadership fostered a secure and efficient environment with top-tier safety and service standards.
