

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

(BOND) ACT 96 - 2024

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester ("County") of a bond act ("Bond Act") in the amount of \$665,000 to finance capital project BCR64 Correctional Facility Replace Fire Alarm System ("BCR64"). The Bond Act, which was prepared by the law firm Hawkins Delafield & Wood, LLP, will finance the cost of design associated with the replacement of the existing fire alarm system at the Westchester County Jail in Valhalla.

The Department of Correction ("Department") has advised that the existing fire alarm system has reached the end of its useful life and is in need of replacement. The new system will replace existing devices, and use existing wiring with a fiber network between panels to a Fireworks graphic work station. It will also include the installation of a Vesda/Xtralis Vea system for Blocks 1-3.

Following bonding authorization, design will be scheduled and is estimated to take eight (8) months to complete and will be performed by in house staff. Construction is estimated to take eighteen (18) months to complete and will begin after award and execution of construction contracts, subject to your Honorable Board's further approval of construction funding.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
